### *Another Tract Milestone*

Over this time period we were able to get out over 20,000 tracts. In October we passed the next milestone of getting out 200,000 tracts here in Serbia since we initially came. We ran through the new tracts we had done in January so we got a new design with a different theme and got another 200,000 tracts from the print shop. These are called “This Could Be the Last 5 Minutes of Your Life”. Please pray God uses them much! The Devil’s definitely not happy about this!

### *Church and Evangelism*

Jovica has had ups and downs lately, but one thing that has been a big step is that he came with me several times now out soul winning in Borča where we live. He’s the first Serbian to go with me more than just once. One Saturday as we were just about to leave, a neighbor boy named **Mihajlo** came by wanting to play with our kids. Since we were just about to leave I said he couldn’t, but I thought I might as well use this opportunity to try to witness to him again. I had given him the Gospel last year but he hadn’t been ready then. He was ready this time! He listened well, and he bowed his head and trusted Christ as his Saviour! The funny thing was he got up and did the sign of the cross afterwards... Please pray for his growth and that we would have the opportunity to minister to him as we are not sure if his mother would allow it.

In November a lady in her late 50’s named **Dara** called, who also lives here in Borča. She had got our tract and was calling to ask why there is evil and bad things that happen. I gave her a biblical response and she talked for awhile. Her husband had divorced her, and she must constantly take care of her handicapped daughter who is in her mid-30’s. She has a tough life, but she was interested in the things of the word of God. She called later saying she found our other tract that we put out there last year, which was an encouragement to know some keep them! She called several times after, each time I answered a Bible question and tried to steer her to salvation. One day it seemed to greatly touch her, especially about God’s love for her, and I told her she just needs to pray and get saved and I left it at that. I felt she was on the edge of getting saved. Well, she called that evening to say she prayed and got saved! She said that was the medicine that she needed! I thought that well put. Please pray she would come for church.

### *Other Requests For Prayer*

Please keep praying for **Mile** in Žabalj that the door would be open for us there to minister. Please also keep praying for a Bible translation worker. Also, a family about 4 hours from us has requested to get sermons from us so there may be an open door of ministry for us there.
