

Never gonna let you go 361

I was as wrong as I could be
To let you get away from me,
I'll regret that move, for as long as I'm livin'

But now that I've come to see the light
All I wanna do is make things right
So just say the Word, and tell me that I'm forgiven

You and me, we're gonna be
better than we were before
I loved you then but now I intend
to open up, and love you even more,
this time you can be sure

Chorus:

I'm never gonna let you go
I'm gonna hold you in my arms forever
Gonna try and make up for all the times I hurt you so
Gonna hold your body close to mine
From this day on we're gonna be together
Oh I swear this time, I'm never gonna let you go

Never gonna let you go 361

Looking back now It seems so clear
I had it all when you were here,
Oh you gave it all, and I took it for granted

But if there's some feeling left in you
Some flickers of love that still shines through
Let's talk it out, let's talk about second chances

Wait and see, It's gonna be, sweeter than it was before
I gave some then, but now I intend
To dedicate, myself to giving more,
this time you can be sure

Chorus

----- Instrumental Interlude -----

Oh.. so if you'll just say you want me too... I
