

The Sound of Freedom is heard **HERE!**

2019 Range Seminar

New and updated information.

Sat. March 23, 2019, 8:30 Am – 4:00 Pm

Hosted by the Wisconsin Wildlife Federation

Seminar will be held at DNR Regional Service Center
1300 W. Clairemont, Eau Claire WI 54701

Ranges are site specific. Seminar provides information and insight on: Improvements, upgrades, and information that will help your facility continue to be an asset to your community! Included is information on sound reduction, range protection, standard operating procedures, signage, target placement, security and safety, lead, club finances, and possible funding resources. This seminar is geared to outdoor ranges, but includes information critical for indoor ranges.

Seminar is **FREE** -- Open to the public

You **MUST** register to attend

Space is limited so register soon by contacting:

Ruth Ann Lee, WWF Business Manager: RuthAnn@wiwf.org or Phone 608-635-0600

Short in-house lunch break, supply your own or order when you register.

No video or audio recording allowed without expressed written permission.

Funded in part by Pittman Robertson Funds
through Wisconsin Department of Natural Resources

Presented by Nass Consulting LLC

Contact Range Advisor Jeff Nass with questions on the seminar.
