# Dear Prospective Kindergarten Parents,

Planning for the 2021-2022 school year has begun! The Quentin Road Christian Preschool has a wonderful kindergarten program. We utilize an exceptional reading readiness curriculum enhanced by Spanish, music classes, gym classes, drama, art, touch math, ipads and computers. Children must reach their fifth birthday by September 1, 2020 to enter kindergarten for the 2021-2022 school year. A Kindergarten screening will be offered in the spring for all children entering our Kindergarten program.

The Quentin Road Christian Preschool will hold an informational meeting for parents of prospective kindergarten students at 7:00pm on Wednesday, January 27<sup>th</sup>. The purpose of this meeting is to provide interested parents with information about the kindergarten program and to address parental questions or concerns about their child's readiness for kindergarten. (Children should not attend this meeting, but we will provide childcare for those who need it.) We will show a DVD of the highlights of a typical day and explain the curriculum for kindergarten. You will have the opportunity to meet with the teachers, see the classroom, and ask questions. Families that have had siblings enrolled in our kindergarten program within the past 2 years do not need to attend the informational meeting.

Kindergarten applications can be found online at [qrpcp.org](http://qrpcp.org). We are looking forward to an exciting 2021-2022 school year.

Sincerely,

Molly Julian  
Director
