

Reasons

55

Now, I'm craving your body, is this real
Temperatures rising, I don't want to feel
I'm in the wrong place to be real

Woahh and I'm; longing to love you just for a night,
Kissing and hugging and holding you tight
Please let me love you with all my might

Reasons, the reasons that we hear, The reasons that we fear
our feelings a-won't disappear

Oooh! And- after the love game has been played
All our illusions were just a parade And all the reasons start to fade

After all our reasons why All the reasons were a lie
After all the reasons lo-ove was ne'er decide

And, longing to love you for one night
Please let me love you with all of my might, baaaaby
OOOHHH, Baby!

Reasons, the reasons that we hear, The reasons that we fear
our feelings a-won't disappear

Oooh! And after the love games have been played
All our illusions were just a parade And all the reasons start to fade

And, in the morning when I rise, no longer feeling hynotized
For no reasons, our reasons, our reasons have no pri-ii-de
