Open Meetings are the Select Board's opportunity to conduct the Town's lawful business, to which the public are invited to attend. The purpose of agenda item "Citizens' Concerns" is to provide the general public an opportunity to address the Board on any matters not warned on the agenda. Neither the Board nor the administration will discuss the matter beyond determining any necessary next steps such as referring the matter to the appropriate individual/group or offering clarification. The Board may decide to add items raised in "Citizens' Concerns" to a future agenda.
