Changes to your current account fee from 1 July 2021

At Unity Trust Bank, we believe in being fair and transparent about our pricing, so you know exactly how much you are being charged and when.

With effect from 1 July 2021, following our annual review and in line with our service tariff and terms and conditions, your fee will be £6 per month per account with a 15p charge for each individual credit and debit transaction.
