PRÜFTECHNIK

Trade-In & Trade Up with Prüftechnik

Get up to 20% discount when upgrading to a
new RotAlign Touch or OptAlign Touch

Qualifying products to trade:

- Check below which products are accepted*.
- Competitor brands are eligible if comparable to Prüftechnik products.
- Tool not working? No problem. No proof of functionality is required.

Process:

Send an email to your sales representative with the
following information:

- Actual product name and series number.
- Product of interest to trade.
- Contact info: name, title, company, email, phone.
- You will receive a call back and/or email with further
information and next steps.
- Valid from August 1 through December 5, 2021.

Contact your sales representative and request your upgrade today!
