INNOVATION STARTS WITH SUSTAINABILITY

Innovation starts with sustainability. Committed to sustainability, Scilm is aware of environmental protection policies and the health of its employees. The company implements production processes to minimise all environmental impact while respecting the eco-system.

SCILM has redefined its products by introducing, twenty years ago, the use of lead-free PVC and completely recyclable aluminium, in line with the standards of modern modular kitchens. The company focuses on alternative renewable sources and the production of clean energy while respecting the professional ethics that have always set it apart.

L'innovation a comme point de départ la durabilité.

Engagée dans le développement durable, Scilm a conscience des politiques de protection environnementale et de la santé de ses employés. La société met en place des procédés de fabrication en vue de minimiser toutes les répercussions environnementales tout en respectant l'écosystème.

SCILM a redéfini ses produits en introduisant, il y a vingt ans, l'utilisation du PVC sans plomb et l'aluminium complètement recyclable, conformément aux normes des cuisines modulaires modernes. La société se concentre sur les sources renouvelables alternatives et la production d'énergie propre tout en respectant l'éthique professionnelle qui l'a toujours distinguée.

La innovación comienza por la sostenibilidad.

Comprometida con la sostenibilidad, Scilm es consciente de las políticas de protección del medio ambiente y la salud de sus empleados. Hace veinte años, SCILM ha redefinido sus productos introduciendo el uso de PVC sin plomo y aluminio completamente reciclable, en línea con las normas de las modernas cocinas modulares. La empresa se centra en fuentes renovables alternativas y en la producción de energías limpias al tiempo que respeta la ética profesional que desde siempre la ha diferenciado.

40 YEARS OF QUALITY

Our forty years of highly specialised experience in the modular kitchen sector have led to attention to details, precision, sophisticated technology, ethics and aesthetics.

In a word: quality.

Scilm was the sixth company in Italy to obtain ICLIA certification in compliance with the standard UNI EN ISO 9001: 1994, the specific certification for the furniture sectors and woodworking production chain.

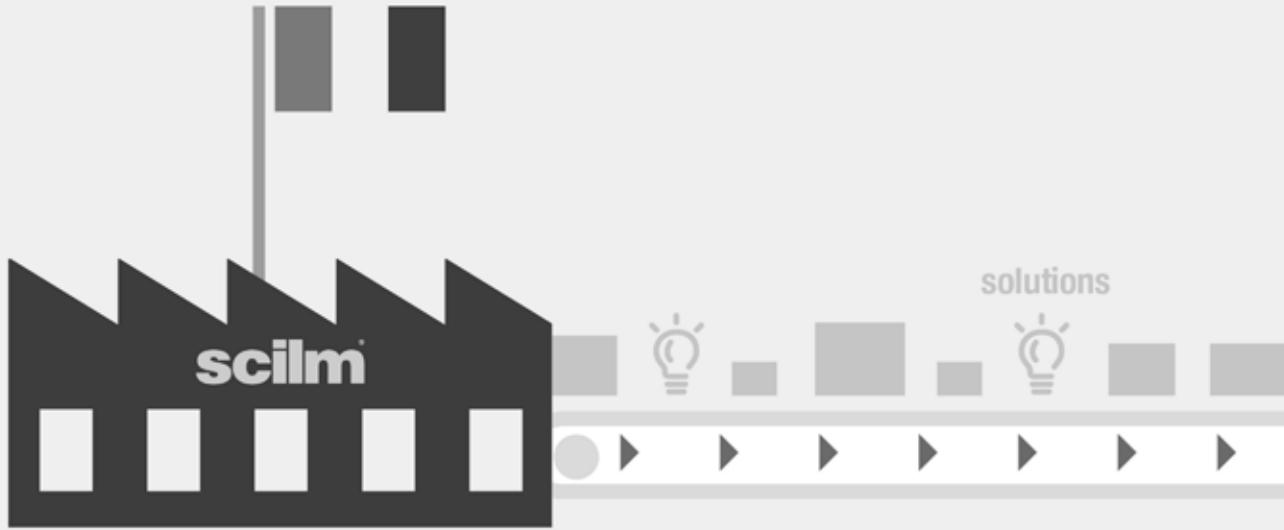

It assesses the conformity of the entire production line with criteria of efficiency, effectiveness and sustainability.

Scilm currently has UNI ISO 9001, UNI EN ISO 14001, Code of Ethics Legislative Decree no. 231/01 and UNI-INAIL Safe Work certification, thus confirming that its operational processes are implemented in compliance with the parameters of quality, correct environmental management and safety at work.

These certifications are important achievements but, above all, they are the right credentials and worthy testimony to our ongoing commitment.

We are acknowledged worldwide for this value-added feature.

GENERAL TERMS AND CONDITIONS OF SALE

CONDITIONS GENERALES DE VENTE

CONDICIONES GENERALES DE VENTA

The following General Terms and Conditions of Sale ("Terms and Conditions") govern the sales of kitchen components, accessories and related products ("Product") by Scilm America, Inc. ("Scilm America") to you ("Buyer"). Any term or condition in any order, confirmation or other document furnished by Buyer which is additional to, different from, or conflicting with these Terms and Conditions is expressly rejected and will not be binding upon Scilm America unless specifically agreed to in writing by Scilm America.

- 1. ACCEPTANCE OF ORDERS.** All orders of Buyer are subject to Scilm America's written acknowledgement ("Order Acknowledgment").
- 2. CANCELLATION OF ORDERS.** Scilm America's Order Acknowledgments are final and binding. Orders may not be cancelled without the prior written consent of Scilm America.
- 3. PRICES.** Prices are as stated on Scilm America's Order Acknowledgment.
- 4. PAYMENT.** Payment terms are as stated on Scilm America's Order Acknowledgment. Interest in the amount of 1% per month (12% per year) or the highest rate allowed by law, whichever is less, shall apply on all past due balances until such balances are fully paid. Should it become necessary for Scilm America to collect any past due balances by legal proceedings or otherwise, Buyer agrees to pay all costs of collection, including, without limitation, reasonable attorney's fees and court costs, incurred by Scilm America.
- 5. SHIPPING.** Shipping terms are as stated on Scilm America's Order Acknowledgment. Unless otherwise agreed in writing by Scilm America (i) Buyer shall make all arrangements (and shall pay all costs) for the transportation and handling of the Product, (ii) delivery shall be deemed complete and title and risk of loss or damage to the Product shall pass to Buyer upon acceptance of shipment by a carrier, subject to Scilm America's right to be paid in full, (iii) Scilm America shall not be responsible to obtain and/or maintain for the account of Buyer any insurance against loss or damage to the Product in transit and the cost of any such insurance shall be borne by Buyer.
- 6. DELIVERY.** The delivery dates set forth in Scilm America's Order Acknowledgments are estimates only. Scilm America shall make commercially reasonable efforts to deliver the Product in accordance with these dates; provided, however, that Scilm America shall not be liable for failure to deliver the Product as estimated.
- 7. CLAIMS.** All claims against Scilm America for defects, errors or shortages must be made by Buyer in writing and notified to Scilm America within ten (10) days of receipt of the Product by Buyer. Failure by Buyer to make any claim against Scilm America within ten (10) days of receipt of the Product shall be deemed acceptance of the Product and a waiver of any and all defects, errors or shortages. Notwithstanding the foregoing, any use or transfer of the Product by Buyer, its agents, employees, contractors or licensees, for any purpose, after delivery thereof, shall constitute acceptance of that Product by Buyer.
- 8. RETURNS OR EXCHANGES.** All sales of Product are final. No Product may be returned or exchanged without the prior written consent of Scilm America.
- 9. INTELLECTUAL PROPERTY RIGHTS.** Any sale of Product hereunder shall not convey any express or implied license under any patent, copyright, trademark or other proprietary rights owned or controlled by Scilm America, whether relating to the Product or any manufacturing process or other matter. All rights under any such patent, copyright, trademark or other proprietary rights are expressly reserved by Scilm America. Buyer shall indemnify, hold harmless and defend Scilm America against any claim, loss, damage, expense and cost, including, without limitation, reasonable attorney's fees, resulting from or otherwise relating to any claimed infringement of patent, copyright, trademark or other proprietary rights arising out of compliance by Scilm America with Buyer's designs, specifications and instructions.
- 10. DISCLAIMER OF WARRANTIES. SCILM AMERICA MAKES NO WARRANTY TO BUYER AND BUYER'S CUSTOMERS THAT THE PRODUCT DELIVERED TO BUYER HEREUNDER IS MERCHANTABILITY FOR ANY PARTICULAR PURPOSE, AND THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, WHICH EXTEND BEYOND THE DESCRIPTION OF THE PRODUCT CONTAINED ON SCILM AMERICA'S ORDER ACKNOWLEDGMENT. SCILM AMERICA MAKES NO WARRANTY TO BUYER AND BUYER'S CUSTOMERS THAT THE PRODUCT IS DELIVERED FREE OF THE RIGHTFUL CLAIM OF ANY THIRD PERSON BY WAY OF INFRINGEMENT OR THE LIKE.**
- 11. LIMITATION OF LIABILITY. SCILM AMERICA'S LIABILITY IN DAMAGES OR OTHERWISE SHALL IN NO EVENT EXCEED IN THE AGGREGATE THE TOTAL PURCHASE PRICE, IF ANY, RECEIVED BY SCILM AMERICA FOR THE PRODUCT. IN NO EVENT SHALL SCILM AMERICA BE LIABLE FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER BASED ON CONTRACT, INDEMNITY, WARRANTY, MISREPRESENTATION, TORT, NEGLIGENCE, STRICT LIABILITY OR ANY OTHER THEORY. THE FOREGOING LIMITATIONS APPLY TO BOTH BUYER AND BUYER'S CUSTOMERS.**
- 12. FORCE MAJEURE.** Scilm America shall not be liable for any loss, damage, delay or failure to perform, in whole or in part, resulting from causes beyond the control of either Scilm America or Scilm America's suppliers, including, without limitation, acts of God, war, acts of terrorism, insurrections, riots, embargoes, fires, strikes, delays in transportation, inability to obtain supplies of raw materials, blackouts or governmental laws, regulations, orders or actions.

13. PRODUCT SAFETY. Buyer shall be solely responsible for compliance with all laws, rules, regulations and industry safety standards applicable to the distribution, sale and use of the Product supplied by Scilm America. Buyer shall cause all individuals and entities buying or otherwise obtaining the Product from Buyer to comply with such laws, rules, regulations and industry safety standards. Buyer shall indemnify, hold harmless and defend Scilm America against any claim, loss, damage, expense and cost, including, without limitation, reasonable attorney's fees and court costs, resulting from or otherwise relating to any claimed failure by Buyer to comply or cause any individual or entity to comply with such laws, rules, regulations and industry safety standards.

14. EXPORT CONTROL. Buyer shall comply fully with all administration and export control laws and regulations of the U.S. government as may be applicable to the export, resale or other disposition of any Product purchased from Scilm America.

15. APPLICABLE LAW. The laws of the State of New York (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to these Terms and Conditions, including, without limitation, its validity, interpretation, construction, performance, and enforcement. With respect to international sales, the parties agree that the United Nations Convention on Contracts for the International Sale of Goods does not apply to these Terms and Conditions.

16. DISPUTES. Any party bringing any legal action or proceeding against the other party arising out of or relating to these Terms and Conditions shall bring such legal action or proceeding in the United States District Court for the Southern District of New York or in any court of the State of New York sitting in New York City. Notwithstanding the foregoing, any controversy or claim, including, without limitation, any controversy or claim based on misrepresentation, negligence or strict liability, arising out of or relating to these Terms and Conditions, which involves an amount in excess of \$50,000, exclusive of interest and costs, shall be settled by arbitration in the City of New York, State of New York, in accordance with the rules of the American Arbitration Association then in effect. The arbitration is to be held before a single arbitrator. The decision in such arbitration shall be final and binding and any award rendered thereon may be entered in any court having jurisdiction.

17. NOTICES. Any notice required or permitted to be given under these Terms and Conditions shall be made in writing and shall be deemed to have been given (i) if personally delivered, or (ii) if sent by registered or certified mail, postage prepaid, return receipt requested, or (iii) if sent by nationally or internationally recognized delivery service, or (iv) if sent by facsimile, to the address and fax number indicated by Scilm America in its first Order Acknowledgment and by Buyer in its first order to Scilm America. Notices shall be deemed to have been received (i) immediately, if personally delivered, or (ii) upon receipt as indicated by the date on the signed receipt, if sent by registered or certified mail, postage prepaid, return receipt requested, or by nationally or internationally recognized delivery service, or (iii) upon receipt by the party giving the notice of a transmission report generated by the machine from which the facsimile was sent indicating that the facsimile was sent in its entirety to the addressee's facsimile number, if sent by facsimile. Either party may from time to time change the address or fax number to which notices to it shall be given by giving notice of such change to the other party in the manner provided for herein.

18. GENERAL PROVISIONS. These Terms and Conditions and Scilm America's Order Acknowledgments constitute the final and integrated agreement of Scilm America and Buyer and supersede all prior negotiations, proposals, quotations, proforma invoices, understandings and agreements (except any prior written commercial credit agreement in effect between the parties), whether oral or written, relating to the Product or the subject matter of these Terms and Conditions. Any representation, warranty, course of dealing or trade usage not expressly contained or referenced herein shall not be binding upon Scilm America. No modification, amendment, rescission, waiver or other change in these Terms of Sale shall be binding upon Scilm America unless specifically agreed to in writing by Scilm America. The invalidity or unenforceability, in whole or in part, of any provision herein shall not affect the validity or enforceability of any other provision herein.
