Hi Everyone! It's the time of year for cards, popcorn garland and bright lights.

"I hope this holiday season is everything you and your families hope for."

Facebook Page

Thank you to everyone! The JNFC Facebook page has grown tremendously over the past year! As of today, 612 Likes! This is phenomenal.

Recently I had asked fans to send in items for the newsletter content. Here is what came in and I thank Edward and Martin and Bill for the photographs.

Bill Potter submitted this photo.

I was going through some old files and came upon an envelope from The Juice Newton Fan Club. Inside was newsletters 2 through 12 with 2 copies of number 10, a membership renewal form some promo pictures and some JNFC buttons. Here is a picture.

JNFC Format Change

This is the final quarterly newsletter of the JNFC. Starting in 2019 the newsletter will be twice a year for the Spring and Holidays at the end of the year.

Special editions may be released between then and of course any big news such as television appearances and tour news and new recordings.

Be sure to visit the official site for the very latest information juicenewton.net and the JNFC site juicenewtonfanclub.com and be sure to like the Facebook page.

Thank you to JNFC Member Yahia Mezouar for these photos.

Tour and Retirement

Juice is currently not on tour. She has told me she is taking a break. There is rumor going around that she has retired and that certainly is untrue.

Juice's love for her fans and of music has not wavered.

Should Juice make such a decision, I will be sure to inform everyone via the website and newsletters and Facebook.

Misleading Site and Page

If you have searched Juice's name on the internet, no doubt you have encountered what I am about to tell you.

A couple of years ago, the domain juicenewton.com had been bought out from under Juice. Hence why juicenewton.net the official site was created.

Someone else had purchased the domain before Juice had a chance to renew the webhosting subscription.

The former domain juicenewton.com is now home to a diet supplement website with and the owners photo claiming her name is Juice Newton. This is in no way affiliated with Juice.

Meanwhile, on Facebook there is a Juice Newton Consulting Agency page and this is not affiliated with Juice either.

I wanted to relay this information to all members.

Juice encourages you to listen and purchase American JeM's Christmas CD

“O Holy Night”

The trio American JeM consists of Ellie Dendahl, Jay Cawley, Michael Umphrey. This trio resides in New Mexico. Their music is clean, crisp and simply delightful. The harmony is unsurpassed.

Jay Cawley has been a band member of Juice Newton's for many years. Ellie and Michael are like Jay, truly talented, insightful and have a passion for what they do.

You can find their tour dates and purchase their music at americanjem.com. Please watch the promo video JNFC President Paul Fowler created for this CD. Click or copy and paste the link into your browser. You may also go to the juicenewtonfanclub.com and view the promo.
