Family Medicine Practice Opportunities Available Nationwide

We represent hiring practices, community health centers and hospitals all over!

Our Maine-based recruitment firm represents excellent opportunities in primary care **around New England**, and across the country. From Northern Maine to coastal Rhode Island and Connecticut, from rural Vermont and Massachusetts to suburban Portland, Boston or Providence, **we routinely assist residents and fellows** with identifying and joining their first practice – in outpatient medicine (with or without OB), hospital medicine, urgent care or emergency medicine. We can connect you with a job **anywhere in the USA**.

We represent employers who are ready to hire new residency graduates, and offer a supportive group practice environment. Some are ready to **sponsor a J1 or H1b visa**, and others offer **ongoing student loan assistance** as an incentive. We can help you **negotiate an excellent compensation and benefits package!** *Now is an excellent time to begin interviewing for a summer 2017 start!*

Maine: Greater Portland, Biddeford, Kennebunk and Saco in the south, plus coastal sites in Machias, Bar Harbor, Deer Isle, Belfast, Rockport, Waldoboro and Boothbay Harbor. More locales include Caribou and Presque Isle, Houlton, Millinocket, Lincoln, Bangor and Calais, plus Waterville, Augusta, Farmington and Lewiston!
