Mission Emphasis

Missionary Health Care

Here are some important details about

Missionary Health Care:

*The cost of providing insurance for Nazarene
missionaries is quite high. In fact, the cost for health
insurance alone for a year is approximately \$1.9 million, and
the costs continue to rise. Yet the **Church of the
Nazarene** wants its missionaries to be able to serve and not
worry about where they will scrape up the cost of the next
premium.*

***Nazarene Missions International (NMI)** has helped
subsidize some of these funds since as early as 1919.
Through your giving to the **Memorial Roll** you helped offset
approximately 23 percent of those insurance costs.*

Thank you!

*The remaining 77 percent of the insurance costs is
provided by the **World Evangelism Fund**. So two
important facts to remember are:*

*-The more money that comes in for **Missionary Health Care**,
the more money from **World Evangelism Fund** can be
used **specifically for evangelism**.*

*-Giving to **World Evangelism Fund** affects many
aspects of missions in the Church of the Nazarene.*

CrossPointe's Memorial Service to honor those who
have passed away in 2019-2021 is being planned for **May 30,**
2021.
