

## ARTIST STATEMENT

I sincerely appreciate your interest in having me create a fine art portrait, for yourself or to give as a gift. Clients send a variety of reference photographs to give me clues about a loved one's features.

My goal is not only to make a flattering and accurate likeness, but also an extraordinary portrait that will bring you great joy and comfort. It's exciting for me to create and watch each unique portrait take on a life of its own.

### WHICH REFERENCE PHOTO TO CHOOSE

- Photos that always bring a smile or tug at your heart.
- Photos that are focused and high resolution help me see good facial detail, so I can create my very best portrait of your loved one.
- Email your highest resolution photos to me at [emiliosantoyo@gmail.com](mailto:emiliosantoyo@gmail.com)
