She > Shadows falling, baby, we stand alone
out on the street anybody you meet got a
heartache of their own (It oughta be illegal)
make it a crime to be lonely or sad (It oughta be illegal)
you got a reason for livin' you battle on, with the love
you're livin' on you gotta be mine, we take it away
It's gotta be night and day, Just a matter of time
and we got nothing to be guilty of
our love will climb any mountain near or far,
we are and we never let it end, we are devotion
and we got nothing to be sorry for,
our love is one in a million
eyes can see that we got a highway to the sky
I don't wanna hear your goodbye

He > Aaah! pulse's racing, darling
How grand we are, little by little we meet in the middle
There's danger in the dark (It oughta be illegal)
Make it a crime to be out in the cold (It oughta be illegal)
You got a reason for livin' you battle on
with the love you're buildin' on, you gotta be mine
we take it away It's gotta be night and day
Just a matter of time
