Northeast Wisconsin High Power Rifle League

For the 2024 season, the NEWHP League had a total of 41 shooters (down from 44); 34 shooters with 3 or more matches (up from 31). Participants shot 160 total matches (up from 157); 8,000 rounds fired for record, not including sighters.

The annual business meeting/awards banquet for the NEWHP League is planned for Sunday, February 16, 2025 at Van Abel's with a 12:00 pm gather and 1:00 pm lunch. Details will be confirmed and distributed as soon as available. The Tee shirt color for 2024, selected at the banquet last February, is Black with Tan lettering.

League participation is still down after COVID. Pre-COVID (2017, 18, 19), we had an average of 54.33 total shooters with 46.33 with 3 or more matches. After COVID (2022, 23, 24) we have had an average of 41.67 total shooters and 31.33 with 3 or more matches. Let's work to get former shooters back and encourage new shooters to join the League.

Thank you for your continued participation. - Jeff Verhaeghe
