## Fall 2019 Newsletter

October 2019

**DUES DUE 12/31/2019**

BSA would like to thank all members for actively participating in the raffle donations, volunteering for work nights and working at the activities we held for the youth in our surrounding area at the Association's grounds. The future of our beloved hunting and fishing sports lies with the youth and volunteerism. The mission and responsibility of BSA is to introduce and instruct them in the heritage and exercise of these wholesome pursuits.

- The 2018 Youth Pheasant hunt was successful and an enjoyable experience for those who participated. This is one of the non-profit events offered by the club to the community and its members.
- As usual, the 2019 Trout Rodeo was a huge success and outreach to the community. BSA hosts this event to introduce and encourage the youth to experience and get "hooked" on fishing. We also wish to thank the volunteers who work the event and the local businesses that donate financially to the cost of the event.
- The 2019 Youth Shoot was attended by a group of energetic youngsters. They were schooled in gun and shooting safety, shot in competition and thoroughly enjoyed the experience.
- The club and officers are exploring the possibility of constructing safer and more conducive facilities to shoot pistol.
- The ranges are closed at 6:00 PM Tuesday evenings during the spring and summer for maintenance. All members are encouraged to help with the many projects to keep the club in good shape. Come when you can. You do not have to be there at exactly 6.
- Please clean up your cartridges when finished shooting and remove targets from the backstops. **Note: Fully automatic weapons are prohibited on the rifle range and grounds. Semi-automatics are slow fire only.**
- We need volunteers to help with our committee work and the events. Please consider how you can help. Special thanks to those who have already volunteered their time.
- Future board shoots are cancelled due to lack of support from members. This was a significant source of income for the club, but unfortunately, we did not have the volunteers to work the function.
- On the renewal form or online you have the opportunity to pre-buy the Spring Go-Fishing and Gun tickets held in 2020. Again, this is an effort to get more participation and support from members and to help supplement the current mechanism in place to sell tickets. Ticket sales provide over 40% of the club's income.

**Hunt Safely!**
