## **BOGUS BASIN FIELD TRIP ITINERARY**

**START TIME 10:00 a.m.**

**STARTING LOCATION: Bogus Basin Main Parking Area**

Upon arrival, participants will review slides from the Bogus Basin Forest Health Project Presentation and check out viewpoint of Units 9 & 10 above the lodge and along the ski runs.

**Participants will then make the following stops (see attached map):**

- **Stop #1:** Unit 2 harvest & eastside trail rehab work. Parking is available just up from the stop, or participants can walk from main parking area. Participants can look from the road at unit 2 and look at the eastside trail. Participants can walk down the trail if desired.
- **Stop #2:** Discuss Cross Boundary work done on Bogus Basin property by Sims (Nate Shake with Bogus Basin will be there). This stop offers a good viewpoint of unit 2 harvest.
- **Stop #3:** Discuss the road maintenance work completed along the main 274 and 297 roads up to Shafer Butte.
- **Stop #4:** Viewpoint for unit 4 & 5 harvest. Just below the road where is an untreated area that participants can contrast with treated area.
- **Stop #5:** Review harvesting around Shafer Butte. This stop offers a good viewpoint of the Superior ski runs that were treated. Review road obliteration work at the stop.
