New members: No new members.

EMS training: Meeting will be held on the third Monday of the month at NVRH. This month's topic will be Proper Lifting.

EMS training on June 20<sup>th</sup> reviewed MCI packet. WFD Trailer now has a table, Gatorade, and granola bars. Looking for a hand washing station and a gear rack.

Fire training: Foam operation and pumps will be topics continued from last month on July 18th at 18:30 hr here at WFD station. On July 30<sup>th</sup> we will be hose testing at 8:00. Please add these dates to your calendar!

Fundraising:

Car Show July 15<sup>th</sup> from 9-2:00.

Three more people are needed for parking help, Workers are asked to show up at 8:00. Please contact Will Rivers if interested in helping.

Hydrants: Ryan Aremburg is following up on paperwork. Flushing to be done on July 18th

Building: Howard has worked hard and put in numerous hours painting, moving furniture and supplies, etc.! There has been a discussion with Pike to pave WFD parking lot after the Town re-grades it.

Alpha Company will do the cleaning of the station! Please do not wash the floors (this month only). All cameras are operational!

**BE CERTAIN TO LOCK DOORS AND WINDOWS.** Check the door after you exit to be certain it is locked.

General:

Washing machine liquid is needed. Rescue key needs a new keychain. Lock to get on interstate is broken.

Patches for uniforms have been ordered (\$297.00).

Bring in your uniforms! We intend to inventory the pieces we have.

Clothing order will be put together.

We do NOT fill swimming pools!

Town would like to issue a 911 address to each hydrant.

Radio Grant has been denied. Present radios will be sent out to reprogram. Will Rivers will collect.

Truck Committee will meet directly after this business meeting.

Regionalization: A meeting will be held at end of month, July 25<sup>th</sup> @ WFD. Insurance, Fire Marshall, and lawyers attending,

Each Battalion is asked to identify three locations in town to pre-plan.

Truck maintenance:

E1 is good to go. Pump testing on July 29<sup>th</sup> is expected to take about two hours.

Rescue-'check engine' light is on. Diesel (DTF) filter is not working properly. Needs a scanner put on it at Wes Ward's -Roy Ash volunteered to bring it tomorrow.

Tanker needs to be plugged in to charging unit and air hose.

Skull Saver/ladder boot (\$174.00) needs to be bought for ladder. Ryan Aremburg will check for correct measurement.
