Favorites from January

Last month, students enjoyed exploring the new materials supplied by Quality Rating! Free play is now separated into different focus centers such as, housekeeping, blocks, math, science, and language and literacy. We look forward to helping your child develop their skills in the different areas.

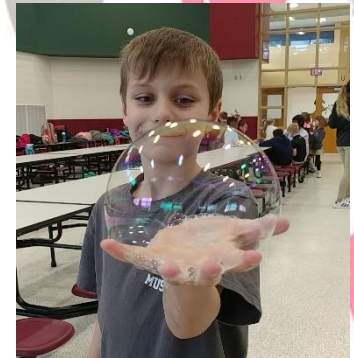

Reminder

Starting February 1st, payments can only be made through the kiosk at the front desk or at myprocare.com. Unfortunately, cash and checks can no longer be acceptable. If you have any questions, please contact the director.

Wishlist

We enjoy using recycled items for craft activities in the afternoons and would love your help collecting them! This month please send in your toilet paper/ paper towel rolls and cardboard egg cartons. We love seeing your children recycle and create!

Teacher Spotlight!

My name is Zoie and I get the privilege to work with the Pre-K group, but also get to spend time with the older groups. I love playing games with the children in the gym and outside. I also enjoy playing board games with them and seeing how happy they get when they win. I am very lucky to be a part of Doodlebug's after school program!
