Our Founder — Dr. James A. Scudder

JULY 6, 1946 – MARCH 24, 2020

The chapel message that day was about where will God send you and are you making excuses because you have no money, school bills, and a baby at home. As James and Linda Scudder left the auditorium that day, they could not help but notice the large map that showed where graduates had gone to start a church. Many times, they had stopped to look at the map and wondered where God would send them, ignoring the fact that no one had gone to the Chicagoland area. But today, they saw more clearly than ever before, that God was leading them to Chicago. Their vision for souls and the desire to follow God wherever He led them—even if they had no money, school bills, and two small babies—never felt stronger than at that very moment.

James A. Scudder, born in Lexington, Kentucky in 1946, graduated from Florida Bible College in 1971. Immediately, James and Linda followed the Lord's leading to Chicago. God faithfully blessed this dedicated couple. What began in a small storefront soon developed into a large ministry on 45 acres, which included Quentin Road Christian School & Preschool, a television and radio ministry, and Dayspring Bible College & Seminary.

Dr. Scudder's vision to reach the world with the clear gospel message never wavered. He understood the importance of training men and women to be obedient and honoring to the Lord, coupled with a zealous vision for souls.

Dr. James A. Scudder went to glory on March 24, 2020, but his vision for souls remains. To this day, the heartbeat of Dayspring Bible College & Seminary is to share the clear gospel message to a lost and dying world.

The vision of one man, who went where God led him and remained faithful while enduring many hardships along the way, is why we have Dayspring Bible College & Seminary today. There is no doubt that Dr. James A. Scudder has earned his "Well Done" degree.

For by grace are you saved through faith; and that not of yourselves: it is the gift of God: not of works, lest any man should boast. Ephesians 2:8-9

A Message from the President

Dear Student,

Congratulations! If you are reading through this catalog it tells me that you are considering going to Bible college. Good for you, because as you are well aware, time is running out. It won't be long before our Savior returns. We are in need of Christians that are committed and dedicated to the service of their King. The urgency of time demands it, and God's Word emphasizes it.

The world tells you to choose a career and go after it with all that you have. God's Word tells you, *Seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you*, Matthew 6:33. Our Heavenly Father is telling us that seeking Him should be first in our lives. It is crystal clear from this verse that the Lord is satisfied with nothing less than top priority in our hearts and lives. To put God first means simply that if we have two paths to go down — one, involving our own interests, the other, seeking Him and His will for our lives — we must make the Lord's path first in our lives. Christianity should be our vocation, and our livelihoods should be our avocations. That is to say, we should give primary attention to spiritual things and secondary attention to the means by which we sustain our lives.

Let me encourage you to really consider Dayspring Bible College. We are here to help you grow in your Christian walk and mentor you as you seek God's will for your life. Our godly faculty and staff are committed to helping you serve the Lord in whatever capacity He has planned for you. Our desire is to equip you with the understanding of His Word and the knowledge of the ministry through classroom instruction and hands-on opportunities.

I do hope you will visit us and see for yourself that Dayspring Bible College is indeed an environment in which you can actively seek the Lord and His will for your life.

Sincerely,

Dr. Jim Scudder, Jr.
President

A Message from the Vice President

Dear Student,

The Gospel of John declares *grace and truth came by Jesus Christ and ye shall know the truth and the truth shall make you free*. In an age in which many have decided doctrine is no longer necessary or even desirable, Dayspring would like to reaffirm its commitment to teach sound, fundamental Bible doctrine and to train its students to stand for the unchanging truth of God's Word.

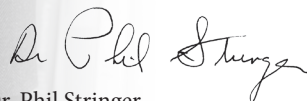

Here at Dayspring the faculty and staff are focused on cultivating in each student a tender heart for God so they may effectively proclaim the gospel of the grace of God in a clear, understandable way. By modeling Christian teamwork and being examples of godly men and women to our student body, we strive to emphasize the local church and teach students to serve God accordingly.

Dayspring Bible College is an historic Bible college. It is under the authority of a local church. It operates without government control, regulation, or financing. It is made possible by the vision and sacrifice of the leadership and congregation of the Quentin Road Baptist Church of Lake Zurich, Illinois.

Dayspring has the best work scholarship program of any Bible college I know. Any student who is willing to work can graduate from Bible college on time debt free.

For a young person interested in a lifetime of ministry, Dayspring offers the best possible preparation for the future.

Sincerely,

Dr. Phil Stringer
Vice President

The Dayspring Difference

The administration, professors, and faculty are the heartbeat of the Dayspring Bible College & Seminary and they consist of genuine, godly men and women who have truly given of themselves to the cause of Christ.

Each one has proven themselves to be faithful, moral, and compassionate leaders who are dedicated to training the next generation. Students will experience first-hand their faithfulness and dedication to the Lord as they see these people of God selflessly give of themselves as they labor to train them.

The first building blocks of learning at Dayspring are laid by quality professors that are able to teach at the highest level and are experts in the fields that they are teaching. The professors that are teaching at Dayspring don't just offer academic knowledge but offer well over 1,000 years of combined practical ministry experience to go alongside the classroom academics they are imparting to the students.

There is another aspect that is incalculable: the genuine love and care the professors and faculty have

for each student. They are not just teaching and guiding the student toward a degree or preparing them for a career path of their choosing, but ultimately, their desire is to mold a life and equip the student to have an eternal impact for Christ.

The dictionary's definition of learning is *"to gain knowledge, skill, or understanding by study, instruction, or experience; knowledge, skill, or practice derived from direct observation of or participation in the learning event."*

Professors and faculty can be sure the student has successfully mastered the subject matter when we see the student has accomplished three levels of learning:

1. Retention — the ability to recall upon demand the factual material or content that has been learned.
2. Recitation — the ability to recite or communicate the material, content, or skills to others.
3. Replication — the ability to actually do, to apply and to practice what has been discovered in the experience of learning.

Learning is basically “change”. Learning produces change in our knowledge, our attitudes, and our actions or habits. From the biblical point of view, only the final level of learning—the ability to apply the biblical principles set forth in the Word of God so they produce change in a life—is satisfactory achievement.

Statistics state that we retain 10% of what we have heard, 50% of what we have seen, 80% of what we have done, and 90% of what we have passed on to others. These statistics make it obvious that the most productive learning must involve a method which includes hearing, seeing, and hands-on experience. Dayspring has been using this type of learning method since 1982.

Every course required for the student to accomplish on their road to graduation is based on credit hours. Every credit hour is either 15 contact hours (a professor lecturing in the classroom) or 30 non-contact hours which include all or a combination of the following exercises: time the student is studying for the exams, required research, writing required papers and memorizing verses.

Example of *Evangelism Made Simple* course credit hours:

Number of credit hours — 4

22 Contact Hours (a teacher lecturing in front of a classroom)

Dr. James Scudder — 2hrs.

Dr. Phil Stringer — 7hrs.

Dr. James Scudder, Jr. — 13hrs.

Required reading—*Evangelism Made Simple*

Required research—Assignments given throughout the course, including practicing sharing the gospel & using methods taught.

Studying for exams

Research for writing 5 papers

Learning at Dayspring involves listening to a professor in a classroom setting or via a technology-driven Learning Management System that utilizes interactive video recording of the lectures a professor is teaching, enhanced visual aids on a screen, and textbooks given on the subject being taught. The student participates and responds with recitation, recall, and replication on a continual basis.

Because this method of learning is both effective and efficient, it is now recognized by many educators in colleges and universities all over the world as the most productive way to learn.

Any good training program needs to have balance. It must effectively combine the variety of experiences that make up learning. Those who train professionals, such as physicians, teachers, and engineers, have recognized three important needs in the training process:

1. The need to use variety in the form of cognitive learning.
2. The need to provide experience in the practical aspects of one's profession.

3. The need to integrate the practical experience and cognitive learning through class lectures.

This style of teaching and learning is very effective and that is exactly how students learn at Dayspring. When students have completed their studies at Dayspring Bible College & Seminary, they have experienced learning in all three methods. Students graduating from Dayspring have learned in a variety of ways in the classroom and through textbooks, while also being provided with many practical ministry-related experiences. They are uniquely prepared to enter the ministry that God has planned for them because they have not only heard and seen what they were taught, but they have also had the hands-on experiences that are so vital to complete the learning process.

Doctrinal Distinctives

*It is our obligation as Christians
to reach this world for Christ.*

Dr. James A. Scudder

A vision for souls

Clear Gospel

Since its founding in 1982, Dayspring has been committed to producing quality Christian servant-leaders with a compassion for the lost and a willingness to be used by God. These servant-leaders' main desire is to share the clear gospel message as Christ commanded in Mark 16:15, *Go ye into all the world, and preach the gospel to every creature.*

The Quentin Road Baptist Church and Dayspring Bible College & Seminary believe that God saves souls by grace through faith in Christ, Who died and shed His blood for sinners. Faith alone, in Christ alone, is what God requires of man for salvation. We avoid terms that mix grace with works and cause confusion in the minds of the lost. Ephesians 2:8–9 *For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast.*

Local Church

Dayspring Bible College is biblical in that it works directly with the local church. This allows the students to see a model church in action, and it provides them with the hands-on ministry opportunities that cannot be learned by textbook only. Students gain valuable insights and personal experience on a daily basis as they are mentored in many different areas of ministry. By the time the student has completed his education at Dayspring, he has

already seen and experienced the biblical principles of ministry in action.

Biblical Doctrine

The Gospel of John declares that *grace and truth came by Jesus Christ* and that *ye shall know the truth, and the truth shall make you free.* In an age in which many have decided that doctrine is no longer necessary or even desirable, Dayspring would like to reaffirm its commitment to teach sound, fundamental Bible doctrine and to train its students to stand for the unchanging truth of God's Word. Briefly, Dayspring believes:

- Verbal Inspiration of the Bible
- Trinity of the Godhead
- Baptism by Immersion
- Personality of Satan
- Commemorative Lord's Supper
- Pre-Tribulation Rapture
- Literal Six-Day Creation
- Security of the Believer
- Original Sin
- Resurrection of the Body
- The Virgin Birth
- Pre-Millennial Return of Christ
- The Blood Atonement
- Millennial Reign of Christ
- The New Birth
- Hell-Eternal Torment
- Justification by Faith
- Heaven-Eternal Glory
- Local Church Government

Christ-centered...A person, Jesus Christ, not a program, is foremost. *Believe on the Lord Jesus Christ, and thou shalt be saved.* (Acts 16:31)

Bible-believing...We stand for the historic fundamentals of biblical Christianity. We believe the Holy Scriptures of the Old and New Testaments to be the verbally inspired Word of God, the final authority for faith and life.

Independent...We are self-governing, and therefore, have no synod, conference, presbytery, or other form of human organization exercising control over the college.

Evangelistic...We maintain a strong emphasis on the clear gospel and personal and public evangelism.

The Bible — Each and every word of the original manuscripts of the Bible was given by inspiration of God. It is true and authoritative on every subject it speaks to. Although we do not believe the translators of the Authorized King James Bible were inspired, we do believe that the Authorized King James Version, based upon the Textus Receptus, is the best translation. Therefore, the Authorized King James Bible shall be the Bible used by Dayspring.

Creation — The Bible declares that the universe was created in six literal days just a few thousand years ago, rather than coming into existence through the Big Bang and the process of evolution over billions of years. We reject completely theistic evolution, the Gap Theory, the Day-Age Theory, and any other theory whereby professing Christians try to accommodate the Bible to “science.”

Sin, Death, and Salvation — The

biblical account of creation also describes how a literal Adam and Eve disobeyed God, thus becoming sinners. Their sin brought the judgment of God upon them; they died spiritually and began to die physically at the moment they sinned. Sin and death were passed on to their offspring. All humans are sinners by birth and deed and are in desperate need of a Savior.

The Gospel — Because God loves mankind, He determined to provide a way of redemption so that we could be delivered from the consequences of our sin and live with Him forever. Since there is nothing that sinners can do to make themselves acceptable to God, He sent His own Son, the God-man Jesus Christ, to pay the penalty for sin in our place. He shed His blood and gave His life to redeem us. Salvation is offered by God to us as a gift that is received by grace alone through faith alone in Christ alone. No work or merit of our own, either before or after salvation, has any part in our redemption. At Dayspring, we emphasize the necessity of distinguishing grace from works and using biblical, understandable terminology in proclaiming the gospel. The most important message in the world must be preached with clarity.

Evangelism — Christ died for all people. Every person can be saved if he or she will hear, understand, and believe the gospel; therefore, it is our great responsibility to carry the gospel to every person we can possibly reach. We reject the Five

Points of Calvinism as unbiblical and as a great hindrance to evangelism.

Dispensationalism — We believe and teach that God has worked in different ways at different times to bring His divine plan to pass. Some of these different ways are obvious and beyond dispute: God treated Adam and Eve differently before and after the Fall; He gave the Law to Moses but took it away when it was fulfilled on the cross. This makes it clear that Israel and the Church are not the same thing and that literal Israel has a future in the plan of God.

Eschatology — We believe in the pretribulational return of Christ to rapture His bride, the Church. This will be followed by seven years of tribulation on the earth which will end when Christ returns to Earth to establish His 1,000-year reign. When the Millennium is over, Christ will judge the lost at the Great White Throne and the redeemed will enter into eternity with the Lord.

Separation — We believe that Christians should live a life that is set apart unto God. In this separated life there are many things that we should do for God and also some things that, for the Lord's sake, we should not do. Mature Christians should be able to identify those things that are displeasing to God and avoid them.

The Holy Scriptures — The Bible, in its original documents, is the inspired Word of God, the written

record of His supernatural revelation of Himself to man, absolute in its authority, complete in its revelation, final in its content and without any errors in its statements. Psalms 89:34, John 10:35, II Timothy 3:16, Hebrews 6:18, II Peter 3:16.

The Godhead — There is one God, eternally existent, Creator of Heaven and Earth. He is manifested in three persons — Father, Son, and Holy Spirit. Genesis 1:2, Isaiah 7:14 & 9:6, John 14:9, I Timothy 3:16, I John 5:7.

The Person and Work of Christ— The Lord Jesus Christ is fully God who took on flesh and dwelt on Earth. He was without sin and gave Himself as a substitutionary sacrifice by shedding His blood and dying on the cross. He then came back from the dead. This was to pay for all of the sins of mankind. Acts 13:38–41, II Corinthians 5:21, Hebrews 9:2–28; 10:10–14, I Peter 2:24, I John 3:5.

Total Depravity of Man — God is absolutely sovereign, and in His sovereignty, He gave man a free will to accept or reject the salvation that He has provided. It is God's will that all would be saved and that none would perish. God permits man's destiny to depend upon man's choice. John 6:64–65, Acts 10:34, Romans 9:30–32, I Corinthians 1:21, Ephesians 1:5–14, II Thessalonians 2:13, I Timothy 2:4, I Peter 1:2, II Peter 3:9.

The Person and Work of the Holy Spirit — Each member of the human race is fallen, sinful,

and lost. Regeneration by the Holy Spirit is absolutely essential for the salvation of man. The moment a person receives Christ as Savior, immediately, the Holy Spirit indwells the believer, who is sealed until the day of redemption. Luke 24:49, John 7:39, Romans 3:23, I Corinthians 6:19, Ephesians 1:13, Titus 3:5.

Salvation — Man is saved by undeserved mercy through faith, and nothing of man enters into his salvation. It is a free gift. Man's efforts, regardless of how good or well-intended before or after salvation, have nothing to do with it. Salvation is by the finished work of Christ, and nothing can be added to it. Romans 11:6, Galatians 2:16, Ephesians 2:8–9, Colossians 2:13, Titus 3:5.

Water Baptism — The Church began with the descent of the Holy Spirit at Pentecost and is composed of all true believers. By the Holy Spirit we are all baptized into one body of Christ. Water baptism is not essential for salvation but is a testimony to the world. Water baptism is to be done by immersion to show the death, burial, and resurrection. Acts 1:8, Acts 2:1–4, Acts 8:38, Acts 10:47, I Corinthians 2:14, I Corinthians 6:19–20, Ephesians 4:5.

Eternal Security — Every child of God possesses eternal life, being justified by faith, sanctified by God, sealed with the Holy Spirit, is safe and secure for all eternity, and he cannot lose his salvation. However, a Christian can, through sin, lose his fellowship, joy, power, testimony,

and reward, and incur the Father's chastisement. Relationship is eternal, being established by the new birth. Fellowship, however, is dependent upon obedience. I Corinthians 3:11–17, I Corinthians 5:1–5, I Corinthians 11:30–32, Hebrews 12:5–11.

The Two Natures of a Believer — A child of God has two births; one of the flesh, the other of the Spirit, giving him a flesh nature and a Spirit nature. The flesh nature is neither good nor righteous. The Spiritual man does not commit any sin. This results in warfare between the Spirit and the flesh, which continues until physical death or the return of the Lord. The flesh nature of man does not change in any way with the new birth but can be controlled and kept subdued by the new man. John 3:3–7, Romans 7:15–25, Romans 8:8, Galatians 5:17, I Peter 1:23, I John 1:8, I John 3:9, I John 5:18.

Resurrection of the Saved and the Lost — There will be a resurrection of the saved and the lost: of the saved unto eternal life and of the lost unto eternal conscious punishment. These two resurrections are separated by at least 1,000 years. Daniel 12:2, Matthew 25:41, I Thessalonians 4:13–18, Revelation 20:1–5.

Rapture of the Church — We believe in the personal, pretribulational, and premillennial return of our Lord and Savior, Jesus Christ. Isaiah 26:17–21 & 27:1, Luke 21:36, I Thessalonians 5:9–11, II Thessalonians 2:1–8, Titus

2:13, Revelation 3:10, Revelation 20:4.

Satan — Satan is a real person, the author of sin, and he and his angels will be eternally punished. Isaiah 14:12–15, Ezekiel 28:15 & 17, Matthew 25:41, Revelation 20:10.

Healing — God can heal, but physical healing is not in the atonement. God heals miraculously today when it is His perfect will to do so. Healing cannot be claimed through the guarantee of the atonement. At times, it is God's will for sickness not to be removed. II Corinthians 12:8–10, James 5:14–16.

Gift of Tongues — The gift of tongues (languages) was a manifestation of the Spirit's power solely for the demonstration of God's wisdom, purpose, and power in the establishment of the early church and was always in a language that was in use. We believe that tongues fulfilled its purpose in the first century and ceased to be used before the completion of the New Testament. We further believe that the modern tongues movement is not of God. Acts 2:16–18, I Corinthians 14:22.

Grace — The true child of God is not under the law but under grace—saved by grace and disciplined by grace. Romans 6:14, Romans 11:6, II Corinthians 3:17.

Repentance — “Repent” (metanoeo) means a change of mind. Repentance in salvation means a

change of mind from any idea of religion that man may have and acceptance of God's way of salvation. Repentance does not in any sense include a demand for a change of conduct before or after salvation. Matthew 21:32, Acts 20:21, II Corinthians 7:8–10.

One of the counterfeits Satan is using today is the misuse of the word “repent.” To insist upon repentance that in any sense includes a demand for a change of conduct either toward God or man is to add an element of works or human merit to faith. Penance is payment for sin. Penitence is sorrow for sin. Works add something of self in turning from sin. But “repent” (metanoeo) means a change of mind. Nowhere does Scripture use the phrase, “repent of sin to be saved.”

Missions — It is every Christian's privilege and duty to make clear God's plan of salvation wherever and in whatever vocation he or she may be. Mark 16:15, I Thessalonians 2:4.

Plan of Salvation — The general plan of salvation from God's Word in a brief outline that is believed and practiced by Dayspring is as follows:

- (a) Establish the fact that all men are sinners. Isaiah 64:6, Jeremiah 17:9, Romans 3:10, Romans 3:23, James 2:10.
- (b) Establish the fact that the penalty of sin is death. Ezekiel 18:20, Romans 6:23.

(c) Establish the fact that you must be perfect to enter Heaven. Habakkuk 1:13, Revelation 21:27.

(d) Establish the fact that man can do nothing to obtain this perfection. Romans 4:5, Galatians 2:16, Ephesians 2:8–9.

(e) Show how God provided a sin-bearer and imputes to man His righteousness. Isaiah 53:6, II Corinthians 5:21, Philippians 3:9, I Peter 3:18.

(f) Establish the fact that man needs only belief in the Lord Jesus Christ as his personal Savior for salvation. John 1:12, John 3:16, Acts 16:31, Romans 10:9.

(g) Establish the fact that man can be certain of his salvation now and that his salvation cannot be lost because eternal life is eternal. John 6:37 & 39, John 10:28, Hebrews 10:10–14, I Peter 1:5.

Creation — Dayspring believes:

(a) The first eleven chapters of Genesis are literally true and are the real history of the early Earth (Matthew 19:4, 24:37).

(b) The universe was created by God the Father, God the Son, and God the Holy Spirit (Genesis 1:1–2; Colossians 1:16). In its original state, it was completely perfect (Genesis 1:31). Because of the disobedience of the first humans, Adam and Eve (who were real, literal people created on the sixth

day of Creation), all creation was sentenced by God to death and decay and eventual destruction (Genesis 1:27, 2:7–3:19). We reject all concepts of a pre-Adamic race as is taught by the Gap Theory.

(c) God created the universe by His spoken word (II Peter 3:5) in six literal twenty-four-hour days (Exodus 20:11).

(d) In the young earth view supported by the genealogies and other references to time found in the Bible.

(e) That the biblical Flood of Noah's day (Genesis 6–8) was a real, global event which was the result of the judgment of God on sinful mankind (Genesis 6:5, I Peter 3:6).

(f) That the Flood caused much of the observable geology of the Earth, including most of the fossil graveyards of untold numbers of plants and animals that are found worldwide.

(g) That Noah and his family survived the Flood (Genesis 7:13, 8:18) and are the ancestors of all mankind now living. They spread over the face of the Earth after God confused their languages at the Tower of Babel (Genesis 11).

Baptist Distinctives — Dayspring Bible College holds to the doctrines historically known as the Baptist Distinctives:

1. The sole authority of Scripture.

2. The autonomy of the local church.
3. A regenerated church membership.
4. The priesthood of all believers.
5. The separation of church and state.
6. Two ordinances for the local church:
 - a. Baptism by immersion of believers only.
 - b. The Lord's Supper as a memorial of Christ's sacrifice.

Dayspring has never had and will never have a staff member or professor who does not wholeheartedly hold to these truths.

History

Grace — God's amazing grace. *Amazing Grace! How sweet the sound that saved a wretch like me! I once was lost, but now am found, was blind, but now I see.* This is the hymn which James Scudder embraced over his 45 years of ministry. Its message shares the story of how the almighty God could save a sinner like James, and then use him to build an incredible ministry which would share the wonderful gospel message with a lost and dying world.

James Scudder, the son of a Methodist preacher, was born and raised in Kentucky. While attending

the University of Kentucky, he trusted Christ as his Savior and immediately enrolled in Florida Bible College.

After graduating and being ordained as a minister in 1971, he and his wife, Linda, drove into the bustling metropolis of Chicago where they planned to start a church. As they persevered, God blessed them with a storefront, where they began holding church services and Youth Ranch Bible clubs for teens. God continued to bless their efforts, and they soon began meeting in a school. Then in 1973, just two years after they started their ministry, God amazingly provided 3.5 acres on a busy corner of Quentin Road in Palatine, a northwest suburb of Chicago. They named the church Quentin Road Bible Church.

Full of faith and vision, the small congregation gave all they had and built their first building. As the people continued their soulwinning and visitation, they quickly outgrew this building and built a much larger auditorium in 1978. In the fall of 1979, a Christian school, grades K–12, was started in their old building.

Dr. Scudder saw a great need for young people to keep learning about how to work in a local church and discover more about the Bible. Too many students were graduating from the Christian school with nowhere to go to Bible college for further training. Many of the Bible colleges no longer emphasized a clear gospel, and many did not

train their students in local church ministry. So in 1982, Dayspring Bible College, a four-year Bible training program, was started. Soon, the college was filled with students who gained a love for the clear gospel and a compassion for lost souls.

Many Dayspring Bible College graduates are pastors in churches all across the country. Some are planting new churches to continue the vision and practice began by Dr. Scudder. Many international students have gone back to their homes and are reaching the lost with the clear gospel.

In 1984, due to steady and increasing growth of the church, school, and college, it became apparent that a bigger building was needed. Stepping out in faith, Dr. Scudder led the church to a 45-acre site, incredibly enough, located just 8 miles north on Quentin Road in the town of Lake Zurich. A 24,000-square-foot multipurpose building was built almost entirely by the dedicated men and women of the church in less than a year.

Dr. Scudder began the Quentin Road Christian Preschool in 1985. This quickly became a successful ministry which allowed the church to reach the community through its children. Now, with over 1,500 children enrolled annually, it has become one of the nation's largest Christian preschools and has earned a first-rate reputation.

With so many activities going on in the church, the men and women

of the church gave of their time to build a 12,000-square-foot full-size gymnasium in the summer of 1987.

Dr. Scudder, along with his dedicated church family, began to pursue the possibilities of spreading the clear gospel of grace through television and radio. On May 16, 1993, the *Quentin Road Bible Hour*, later named *InGrace*, television broadcast aired for the first time.

God's grace continued to grow the congregation, and once again, the present facilities became too small. A 76,000-square-foot, 3,000-seat auditorium and multipurpose addition was completed in 1997. The faithful church family gave of their money, time, and the sweat of their brows to work all summer and into the winter to complete this incredible vision.

On June 19, 2012, Dayspring Bible College and Seminary, in partnership with the Quentin Road Baptist Church, purchased a 13.5-acre campus, located less than 5 miles from the church's current 45-acre campus. The Dayspring campus has seven buildings, including two large dormitories with a Student Center, a gymnasium, a commercial kitchen with a cafeteria, an academic building, married student apartments, staff housing, and three visitors' suites. God has performed many miraculous acts allowing us to acquire this beautiful property which is completely surrounded by hundreds of acres of woods and trails. This miracle of God has advanced Dayspring to a new

level as we train the next generation of servant-leaders for the Lord.

In the fall of 2016, Pastor Jim Scudder, Jr. was passed the sword of Senior Pastor of the Quentin Road Baptist Church by his dad, Dr. James A. Scudder, who retired after 45 years in the ministry.

On March 24, 2020, Dr. James A. Scudder unexpectedly went to glory. He is greatly missed. Countless souls will be in Heaven because of his faithfulness to the clear gospel message. As this ministry continues on, it will always be dedicated to reaching the world with the clear gospel message.

Admission Policies

Dayspring is for serious-minded students who desire to develop their skills for local church ministry. Every applicant will be reviewed and evaluated to assess whether he or she has a clear testimony of personal salvation by faith in Jesus Christ, is of good moral character and integrity, displays a willingness to learn, and has a sincere desire to know and do God's will for their life. Dayspring does not discriminate on the basis of race, color, national or ethnic origin, sex, or age in the administration of its personnel and education policies. It admits qualified students of any race, color, national, or ethnic origin to all the rights, privileges, programs, and activities generally made available to students.

Affordability

Dayspring strives to keep tuition as low as possible. Any student who attends Dayspring and is willing to work can graduate debt-free because of our low tuition and the many financial assistance opportunities. The average full-time student living and eating on campus can expect to pay about \$5,000 per semester. The combination of low tuition, scholarship, and job availability allows single, as well as married students, to get a good education with minimal financial burden.

Application Process for U.S. Students

Application deadline for the first semester is August 1st and the second semester is December 1st.

1. Apply online at www.dbc.edu or print the paper copy and submit the forms. You may also call 224-677-7800 to request an application.
2. Pay \$60 non-refundable application fee.
3. Submit high school transcripts or GED and two character reference forms. If you are transferring from another college, submit those transcripts.
4. Submit medical health form including shot records.
5. Upon receipt of the above mentioned items, the Admissions Office will process your application (which can take 4–6 weeks), notify you of your admission status, and send you further information.

Application Process for International Students

An international student applying to Dayspring follows the same procedures and would also need to meet the requirements of his or her own country and the requirements of the United States for approval to study in this country. International students should allow six months

to a year in advance of the semester they are expecting to enroll. International students need to contact the Admissions Office at Dayspring to obtain the necessary I-20 form and must pay the I-901 fee online of approximately \$350 required by the United States government. You may contact the Admissions Office at admissions@dbc.edu for more information. International students must be able to establish their ability to pay tuition.

are unable to attend on-campus classes, please take advantage of our robust technology-based Distance Learning program.

Early Arrival

Students living on campus may arrive when the dorms open as stated on the school calendar. Students must receive special permission from the Dean of Men or Dean of Women to arrive before the dorms open for the semester.

Registration

All applicants for each semester must arrive on campus in time for registration. Missing registration is for emergencies only and must be approved by the Registrar.

Distance Learning

The administration of Dayspring understands that not everyone is able to attend Dayspring at its physical location. So, they have made all of the educational programs and individual classes that Dayspring offers available through Distance Learning. General Standards

Dayspring Bible College & Seminary is dedicated to providing the finest Christian training possible. Our mission is to train and teach our students how to live by the principles of God's Word and how to serve Him in ministries all over the world. The learning experience is designed to help the student not only know the Scriptures but apply them. Students will be expected to abide cheerfully by the standards of Christian conduct as set forth by the administration and are to agree with the Statement of Faith. The administration wants to avoid legalistic living, but believes that those preparing for Christian service must live by God-honoring standards.

According to biblical principles, students of Dayspring are expected to maintain high standards. Students are expected to abide by these standards throughout their enrollment wherever they may be. Students found to be out of harmony with the school's ideals of work and life may be invited to withdraw if the administration determines necessary.

Students of Dayspring are expected to uphold the school's standards against moral impurity. They are expected to act in an orderly and respectful manner, maintaining Christian standards of courtesy, kindness, morality, and honesty. They are to be of unquestionable character in dress, conduct, selection of music, and all other areas of life.

Living On Campus

Students will soon feel at home in our spacious and well-maintained dormitories. Both the men's and women's dormitories have common areas complete with a refrigerator, microwave, kitchen table, couches, iron and ironing board, and desks.

The dorm rooms come equipped with either twin beds or bunk beds. The students will need to supply their own mattress pad, twin bedding, and pillow. There is sufficient closet space and storage areas in each room. Each room also has its own air-conditioning unit so the student may control the temperature.

Free laundry facilities are available for the students in the lower level of the dormitory building. There is a men's and a women's laundry room.

Also located in the lower level of the dormitory building is the Student Center. The spacious Student Center is the perfect setting for fun and fellowship. Foosball, ping-pong, pool, air hockey, Wii games, board games, and DVDs are available for the students to use during their "down time."

Students may receive letters and packages at the DBC campus address: 27875 N. Fairfield Road Mundelein, IL 60060.

Filtered internet and free Wi-Fi are available on campus for the students. Students are encouraged to have a laptop, as it is needed for many of their classes. A computer

lab is available in the Academic building for those who do not have access to a laptop.

Students living on campus will receive breakfast, lunch, and dinner as part of their room and board. Our chefs provide nutritional, well-balanced meals with a delicious variety of items. If a student has a special dietary need, they will need a note from their doctor, and the chefs will gladly accommodate their needs.

Students living on campus may have a vehicle and may park it on the campus. Students must have insurance and registration, a valid driver's license, and must register their vehicle with the administration office. The privilege to have a vehicle on campus may be revoked should a student be found driving recklessly on or off campus. There is a free shuttle that runs between the DBC campus and the QRBC campus.

Dress Guidelines

Dayspring strives to help young adults develop hearts for God that will want to glorify Him in their attire and their physical appearance. Both men and women are to avoid immodest clothing. No body piercings of any kind will be allowed. Students need to be clean-cut and wholesome looking and should appreciate that his or her appearance must promote an image that is to glorify God.

Men are required to wear dress shirts, ties, and dress slacks to all

day and evening classes. Dress shirt, tie, and dress pants are required for Sunday church services. Nice casual attire may be worn for Wednesday night Prayer Meeting or Talk Time. They are to maintain a neat, clean-cut, and conservative hairstyle.

Ladies are required to wear a dress or skirt to all day and evening classes and Sunday services. Ladies may wear nice dress pants for Wednesday Prayer Meeting or Talk Time. Ladies are to dress in modest apparel at all times. All dresses and skirts (including slits) may come no higher than the bottom of the knee.

Church Home

As a student at Dayspring you will have the opportunity to attend the Quentin Road Baptist Church and sit under the verse-by-verse teaching of Pastor Jim Scudder. You will see for yourself the God-honoring example of a pastor and his staff who are committed to reaching the world with the clear gospel message. It is required of students to attend all services.

Chapel

Chapel is often something we hear our graduates say they miss the most about college life. Not only is the Word of God taught, but also the practical experiences that happen in day-to-day ministry. The President, Pastor Jim Scudder, who has over 30 years of ministry experience, will

often give his insights on various situations that have taken place in his ministry and enjoys teaching the students from God's Word incorporating many real-life experiences. Occasionally, a guest speaker will be invited to speak on certain biblical topics or how an event happening in the news has affected Christians. Chapel meets Wednesday at 11:00AM and is an excellent opportunity for students to learn more about the Word of God. All students are required to attend Chapel unless arrangements have been made with the college administration.

Hands-on Ministry Training

While attending Dayspring, students will be encouraged to participate in many different ministry opportunities to help them develop leadership qualities. Dayspring Bible College is intertwined with the ministry of the Quentin Road Baptist Church, which is a multi-faceted ministry, including a large preschool, K-12th grade school, private tutoring for those with dyslexia, an addiction program, private music lessons, youth programs, a short-order kitchen open to the community, senior ministry, missions, radio and television ministry, and a one-on-one discipleship ministry.

Athletics & Activities

Dayspring encourages the students to stay physically fit and provides separate fitness rooms for the men and the women in the Student Center. Each fitness room is equipped with cardiovascular machines and strength building equipment.

Surrounding the campus are 35 miles of gravel trails in the Lake County Forest Preserve. Hikers, runners, bicyclists, and cross-country skiers can enjoy the beauty from sunrise to sunset all year round.

Three gymnasiums are available for the different activities that take place throughout the year. Dayspring offers volleyball for women and basketball for men at the intercollegiate level. Head-to-head competition is an opportunity to create excitement and school spirit. In addition to the fun, competitive sports develop leadership qualities and other character traits in the student. Volleyball season typically runs from August through October, and the basketball season is from October through February. Competition on the intramural level in mixed volleyball, basketball, soccer, and men's football provides a great time of fun and fellowship for the students.

An indoor swimming pool with locker room facilities is available to the students. Separate swim times are set aside for men and women. Modest swimming attire is required.

Married Students

Married students wanting to study at Dayspring will find the flexibility of the class hours to be the perfect situation for completing their studies yet still being able to have a job and provide for their family. Small efficiencies are available on campus for married students on a first come, first served basis. Wives of married students may be given the opportunity to work in Quentin Road Christian Preschool and help support their husband through college. Married students enrolled in Dayspring full-time will be given a discounted rate for their children in Quentin Road's preschool and K through 12th grades.

Health Insurance

Dayspring Bible College & Seminary strongly suggests that students have some type of health insurance. Students who do not have health insurance will be asked to sign a waiver releasing the college of any liability. Any emergency room visit or any type of health or dental problem will be the responsibility of the student.

Academics

Study to show thyself approved unto God...
2 Timothy 2:15

A vision for souls

Accreditation

Dayspring Bible College and Seminary has never sought secular accreditation. The reason for this is to avoid the possibility of outside pressures changing Dayspring's theological and doctrinal positions. Dayspring has operated free of governmental oversight or governmentally recognized accreditation since its founding in 1982. This method of operation was a thoughtful and prayerful decision by the Board of Trustees.

The Board took note that accreditation is a voluntary process according to the United States Department of Education. Because Dayspring is a direct ministry of the Quentin Road Baptist Church, and the local church according to Scripture is to be autonomous, the leadership of DBC has elected not to seek the approval of men, but only of God.

A so-called benefit of accreditation does make government money available through grants and loans. It is the practice of Dayspring to teach its students reliance on God to meet their needs. In ministry, the need for sacrifice, hard work, and prayer will be common, and is important to learn in ministry training. It is also a great benefit not to be burdened with debt from student loans upon graduation.

Dayspring operates legally in the State of Illinois as a 501(c)(3) non-profit organization and outside the purview of the Illinois

Department of Higher Education (Title 23 IL Admin. Code Part 1030) as a religious institution. Dayspring offers one-year and multi-year programs. These programs are acceptable to most churches and ministries for employment. Other colleges will decide on an individual basis whether or not they accept credits from Dayspring.

For Dayspring and other great schools, the best measurement of the success of the institution is the ministerial success of its graduates. Dayspring has provided excellence in education for over 30 years, and hundreds of our graduates are faithfully furthering the cause of Christ around the world because of their training at DBC.

Dayspring Bible College and Seminary makes no representation that its graduates will be accepted by specific institutions. It is the goal of the administration to meet and exceed the normative standards of recognized accrediting associations.

Student Classification

A student's classification is based on the number of semester hours earned.

Freshman: Completed less than 32 hours.

Sophomore: Completed between 32 and 63 hours.

Junior: Completed between 64 and 95 hours.

Senior: Completed at least 96 hours.

Attendance & Academic Year

The Academic Dean will meet with each student and establish his or her class schedule. A full-time student must complete a minimum of 12 credit hours per semester. The academic year at Dayspring consists of two semesters of 16 weeks each. On schedule graduation requires the completion of 16 credit hours per semester.

Grading System

Dayspring operates on a 4.0 grade point system. Students must earn a minimum of 2.0 GPA in each course of study. Failure to do so requires the student to repeat the course. The following chart gives the specific grades and equivalents:

96–100%	A	4.0 GPA
89–95%	B	3.0 GPA
80–88%	C	2.0 GPA
Below 80%		Failure

Course Load

The normal load at Dayspring for a full-time student is 16 credit hours per semester with a minimum of 12 hours. Our programs are designed so that a student who takes 16 credit hours per semester will graduate in four years. The Academic Dean will determine the appropriate load for each student based on the student's academic performance.

Student Conferences

During the academic year, students will have formal, personal conferences with the college administration. Each semester, the Academic Dean will meet with each student to review student records, grades, and academic progress. The Dean will also meet individually with students each semester to discuss spiritual issues and life as a student at Dayspring. The administration will also be part of each student's review forum given at the end of each semester. The student will have both formal and informal interaction with the Dean of Men or Dean of Women throughout the year. Dayspring places great emphasis on individual mentoring, and when it comes to the student's experience at Dayspring, the relationships that each student has built along the way will have a lasting impact on their life.

Graduation Requirements

Dayspring wants to produce graduates who not only successfully complete the required hours of courses, but more importantly, have a zeal for sharing the clear gospel message and desire to serve the Lord with all their heart, soul, and mind. This desire should be apparent in their everyday walk. A student desiring to earn a 4-year diploma must satisfactorily complete a minimum of 128 credits, and a student desiring a 2-year diploma must satisfactorily complete a minimum of 64 credits.

Students must earn a minimum GPA of 2.0 to graduate with either a 2-year or a 4-year diploma. At least one-half of the hours in the program of study must be completed in residence at Dayspring. A student may only participate in the Commencement Ceremony if all program requirements and all financial obligations have been met.

Student Review Forums

Near the end of each semester, every student must present a general overview on the courses they have been studying that semester to their peers as well as selected faculty. Freshmen and sophomores give an overview of general courses the first semester. The second semester, both freshmen and sophomores are given a specific topic from a current course of study to review before their peers and selected faculty.

The reviews that are given by the juniors and seniors are on topics that relate to courses required for their specific majors. These reviews are also given in the first and second semesters to their peers and selected faculty.

The review forums are a great opportunity for the faculty to gauge where each student is in the educational process and allow the faculty time to fill in any gaps in the students' understanding of the courses they are studying at the time.

Tuition

A student taking 12 or more credit hours is considered full-time. Dayspring encourages most students to take at least 16 credit hours per semester if possible so they can finish in four years. The cost for each credit hour is \$200, so tuition will vary depending on the number of hours that are taken. The tuition amount does not include additional textbooks required for some courses. In the event a student withdraws from a course prior to taking the first test, a full refund will be given.

Room and Board

Room and board is charged by semester and includes housing and all meals. The cost is currently \$2,283.00 per semester. No credit is given for absences if a student must be off campus for a time. Laundry facilities are located on campus, and there is no extra charge for using the machines.

Financial Assistance

The stated purpose of Dayspring is to educate and prepare workers for the ministry. The leadership of Dayspring understands that undue financial stress would be a hindrance for students entering into the ministry upon graduation. We strive to make the student's time at Dayspring as affordable as possible. We offer both full and part-time Work Assistance Programs, as well

as many other scholarships, which will allow every student to graduate debt-free, not only prepared for a lifetime of service but also without financial burden, able and ready to go wherever God would have them. 94% of Dayspring graduates are serving in ministry today.

Additional Fees

Application Fee

A non-refundable application fee of \$60 is due with the application forms. Forms will not be processed for acceptance until this fee has been paid.

Re-enrollment Fee

There is no charge to re-enroll for the next consecutive semester if the student turns in the re-enrollment form before the due date; otherwise, they will be subject to a non-refundable re-enrollment fee of \$60.

Graduation Fee

The \$40 graduation fee covers the expenses of a diploma, gown, tassel, cap, and other costs that are incurred for the graduation ceremony. If a student fails to graduate at the designated time, the graduation fee is not returned and another graduation fee is required when they do graduate.

Returned Checks

There will be a \$35 fee for all returned checks for non-sufficient funds.

Dorm Key Deposit

Students will not receive their dorm key until a \$25 cash deposit has been paid. The deposit is refunded when the key is returned. If the key is lost and a new key must be issued, another \$25 key deposit will be required.

International Students

International students will need to pay additional fees for the mailing of their I-20 form (approximately \$100). There is also a \$350 I-901 fee that is required by the United States government.

Lab Fees

Certain courses or programs of study require extra materials that are not included in the cost of the course fee.

Non-Dorm Students Lunch Fee

Students not living in the dormitory may purchase lunch for \$5 per meal.

Payments

Payments to a student's account may be paid by cash, check, money order, Visa, or MasterCard. Students will need to complete an authorization form to have charges placed on their credit card. When a payment is made, it will first be applied to outstanding late fee(s), then past due invoices, and finally to their current invoices. A student's expenses of tuition, room, board, and additional fees must be paid by the end of each semester. All student balances must be paid in full before graduation or the student will not be able to

graduate. All accounts must be paid on time. Dayspring depends on the regular income to cover the cost of faculty, staff, building maintenance, and all operating expenses and does not receive any kind of financial assistance from the state or any type of government funding. If an account is past due, there will be a \$20 late fee applied to the student's account.

Scholarships

You can't put a price tag on the biblical and academic education, the hands-on experiences, the character and leadership development, and the lifelong friendships you will obtain at Dayspring, but we do understand the financial burden this can be to most families. Dayspring aims to keep tuition costs as low as possible and still provide a very strong biblical study program.

The approximate costs below will help you estimate what it will cost per year to attend Dayspring:

Tuition	\$6,400
<u>Room and Board</u>	<u>\$4,566</u>
TOTAL:	\$10,966

General Qualifications for Financial Assistance

The applicant must:

- Be fully cooperative with Dayspring's doctrinal statement.
- Complete an application showing proof of need.

- Provide any references or documentation requested.
- Declare a 2 or 4 year program.
- Sign a statement of intent to finish that major in 2 or 4 consecutive years at Dayspring.
- Maintain a minimum of 12 credit hours per semester.
- Understand that if he/she falls below a “C” average, or drops out of school before the end of the school year, the scholarship for that year may be forfeited.
- Understand scholarships are credited to the student’s school bill.
- Understand only one scholarship may be applied per student per semester.
- Understand scholarships do not cover any extra costs that may be needed for specific majors.

Internal Scholarships

Work Assistance Program

Dayspring students with financial needs may apply for our work assistance program, under which the student works in exchange for a discount applied to his/her school expenses. Jobs will be given based on financial need, applicant qualifications, and job availability.

The jobs are varied. Most of the female students would qualify for

working with young children in the Quentin Road Christian Preschool. The male students would be given jobs ranging from data entry, order fulfillment, print shop duties, janitorial, maintenance, working in a kitchen, or working with elementary-aged children in the Quentin Road Christian Preschool’s before and after school care program. There are two divisions in the work assistance program—full time and part time:

A. Full time (over \$43,000 value in 4 years) would include between 30–36 hours a week of duties. A student’s dorm fees and meal plan will be covered. Tuition, with a maximum of 16 credit hours per semester, is included in the full time work assistance program.

B. Part time (over \$23,000 value in 4 years) would include between 15–18 hours a week of duties. Tuition only is covered under part time with a maximum of 16 credit hours per semester.

Any unused credit hours at the end of a semester expire, and they hold no monetary value. The Work Assistance Program cannot be combined with any other scholarship except the Matching Scholarship.

To qualify, one must meet the general qualifications for scholarships, fill out the *Work Assistance Program Application*, pass a criminal background check, and pass our selection process.

Ministerial Scholarship:
\$1,425 per semester

To qualify, one must meet the general qualifications for financial assistance, be enrolled in the Pastoral Studies, Chaplaincy, or Missions programs, be recommended by one's Pastor, and pass our selection process.

Parents in Service Scholarship:
\$1,425 per semester

To qualify, one must meet the general qualifications for financial assistance, have at least one parent serving full-time in an approved Bible-believing ministry, and pass our selection process.

Academic Honors Scholarship:
\$1,425 per semester

To qualify, one must meet the general qualifications for financial assistance, have graduated from high school as class valedictorian or salutatorian, and pass our selection process.

Teacher Education Scholarship:
\$1,425 per semester

To qualify, one must meet the general qualifications for financial assistance, be enrolled in one of Dayspring's Christian Education programs, and pass our selection process.

Music Scholarship:
\$1,425 per semester

To qualify, one must meet the general qualifications for financial assistance, be enrolled in one of Dayspring's music programs, pass our selection process which includes auditioning before the Dayspring Music Department representative, and be recommended by one's former music teacher(s).

Matching Scholarship:
up to \$700 per semester

Dayspring will give a discount that matches the amount paid by a student's home church to DBC for his/her school bill. To qualify, one must meet the general qualifications for financial assistance and be recommended by one's Pastor.

Awana Scholarship:
Citation Award — \$11,400
Meritorious Award — \$5,700
Timothy Award — \$2,850
(over eight semesters)

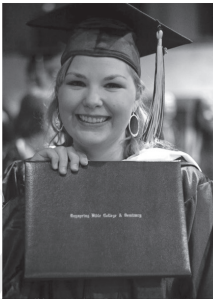

Dayspring will give scholarships in the above amounts to students who have been certified by Awana to have earned these awards. The scholarship will be credited in equal amounts over eight semesters. Only one award may be applied to a student's account.

Rates and fees listed throughout this section are subject to change without notice.

Emphasis in Women’s Ministry Leadership

The Women’s Ministry Leadership concentration equips women to minister to other women by building spiritually healthy relationships, mentoring that models biblical womanhood, and enriching ministries of a local church. The need is greater than ever for women in our churches who can skillfully interpret Scripture and apply it to everyday living. Women are constantly bombarded with the world’s philosophy of the role of women, but the Bible gives solid principles for the role of women. This specialization will provide training and education to expand your practical ministry skills and deepen your spiritual life.

Titus 2:3–5 The aged women likewise, that they be in behaviour as becometh holiness, not false accusers, not given to much wine, teachers of good things; That they may teach the young women to be sober, to love their husbands, to love their children, To be discreet, chaste, keepers at home, good, obedient to their own husbands, that the word of God be not blasphemed.

It will provide the student with a deep understanding of biblical education that will allow them to flourish in their future ministry for Christ. All DBE program students will take the Core classes the first 2 years.

In order to graduate from Dayspring with a Diploma of Biblical Education, the student must satisfactorily complete the following requirements:

1. Complete 128 credit hours, fulfilling the necessary required courses and elective courses.
2. Actively participate in a Christian Service Assignment during every semester of enrollment.
3. Pay account in full.
4. Evidence whole-hearted agreement with the doctrinal statement of Dayspring.
5. Maintain a consistent Christian testimony.
6. Attend commencement exercises.

Diploma of Christian Ministry
(1-Year Post-Graduate Program)

The Diploma of Christian Ministry is the 1-year post-graduate division of Dayspring Seminary. Dayspring realizes the need for advanced training for Christian workers. Serious-minded students may choose an emphasis in Bible Doctrine, Church Music Education, or Bible College Administration. These challenging programs should take the diligent student approximately one year to complete and require a Diploma of Biblical Education from Dayspring or an equivalent diploma from another like-minded institution.

Upon completion of the course of study in Bible Doctrine or Bible College Administration, the student is to write a 20,000-word thesis. The student is to work with the college administration to determine a subject for the thesis. The student is expected to research the subject thoroughly. Guidelines for the layout, footnotes, and bibliography are available at the school office. Careful attention must be given to biblical accuracy as well as grammar and composition.

In place of a thesis, 6 credit hours may be substituted at the approval of the administration.

Evangelism Made Simple is a prerequisite for all graduate students who have not taken the course as an undergraduate at Dayspring.

In order to graduate from Dayspring with a Diploma of Christian Ministry, the student must satisfactorily complete the following requirements:

1. Fulfill the necessary required courses and elective courses.
2. Pay account in full.
3. Evidence whole-hearted agreement with the doctrinal statement of Dayspring.
4. Maintain a consistent Christian testimony.
5. Attend commencement exercises.

Diploma of Christian Ministry in Bible Doctrine

This seminary program is designed to provide an intense study in doctrine, theology, and books of the Bible. The student will receive a well-rounded understanding of Scripture and will be equipped for effective service in ministry.

The student should have an ability to put into practice music theory, creativity, and arranging a composition. The student will be required to arrange a hymn which will be selected together with the Music Department. In addition, the student must arrange one original composition, the content determined collectively with the Music Department. The arrangements must be submitted in hand notation or computer program. This extensive exercise will demonstrate the student's ability to perform and apply their musical knowledge. In fulfilling all requirements, this will be the equivalent of a Master's thesis.

Diploma of Christian Ministry in Bible College Administration

This seminary program is designed to provide the necessary knowledge to start, maintain, or work in a Bible college. This program will equip the student to meet the need of Bible colleges around the world.

Women's Ministry Leadership

WM301 Leadership as a Woman in Ministry

Credits: 2

This course is designed to equip women who have a desire to serve God in full-time ministry with a vast array of knowledge and skill in understanding the role of leadership for a woman in ministry. It will equip women with the tools they need to be skilled leaders who disciple and teach effectively – wherever God calls them.

WM302 Balancing Life and Ministry

Credits: 2

This course will look at the example Jesus set and see how He balanced the pressures of His ministry with spending time alone with God each day. As women, our roles can be full of obligations, emotions, and relationships. We will learn different strategies for how to be balanced women.

WM303 Women in the Bible

Credits: 2

This course will give you a glimpse of various women of the Bible, the problems they faced, and how they solved them. In this study, you will learn how God used these women to bring about His purposes.

WM304 Women's Ministries in the Local Church

Credits: 2

This course will give a better understanding of what it means to have an effective, biblical women's ministry in the church. What is God's plan and design in the church for women? This class looks at the many facets of women in both biblical and world history.

WM401 Mentoring Women

Credits: 2

This course will give you a biblical approach to disciple-making and mentoring women of various ages and issues. Counsel that is based on God's Word is more powerful than we can ever imagine. This class is for those who desire to share with other women the comfort, hope, and encouragement the Bible has to offer in response to the problems of today. There will be instruction, encouragement, and practical tools as you seek to disciple other women in the journey they are taking with Christ.

WM402 Speaking to Women

Credits: 2

This course will cover how to prepare a women's Bible study, including ideas and tools to use in preparing the message, and strategies for engaging the audience. The students will be required to prepare an outline and a slide presentation or an object lesson.

UNDER-GRADUATE COURSES

Credits: 3

This internship will equip female students for a leadership role in a church or community-based ministry. Students will learn administrative and programming skills as well as strategies to envision, recruit, and equip others for ministry.

Post-Graduate Courses

Bible

Bible Exegesis

Credits: 32

The Master's student may choose any Bible courses that were not previously applied to their Diploma of Biblical Education or equivalent diploma.

BI550 Thesis

Credits: 6

Upon completion of the course of study in Bible Doctrine, the student is to write a 20,000-word thesis. The student is to work with the college administration to determine a subject for the thesis. The student is expected to research his subject thoroughly. Guidelines for the layout, footnotes, and bibliography are available at the school office. Careful attention must be given to biblical accuracy as well as grammar and composition.

Chaplaincy

CH501 Biblical Attitude Toward War

Credits: 3

This course focuses on the Bible and the Christian's attitude toward war and the profession of arms. It centers on the Bible and how the professions of law enforcement and the military relate to it.

CH502 Christian Perspective on Counseling PTSD

Credits: 3

Chaplains have a key ministry in the identification and treatment of Post-Traumatic Stress Disorder (PTSD). The natures of the units where chaplains are found have the potential of exposing their professionals to traumatic events that impact them with depression, possible suicidal and homicidal thoughts, extreme panic, or disorganized thinking. The chaplain can be a key counselor in developing an atmosphere of trust and open discussion to treat those suffering with PTSD.

CH503 Christian Positions on War

Credits: 3

The course will consist of the four historical Christian positions regarding participation in war. Each view will be examined through the writings of well-known authors of each position. The course will then examine the biblical concepts of war. This is a practical presentation of issues with which every chaplain should be familiar.

CH504 Constitutionality of the Chaplaincy

Credits: 3

This course deals with the legal and constitutional issues of the military, Veterans Administration chaplains, and local police and fire chaplains. It deals with the constitutional mandate and basic concepts on which the chaplaincy and ministry are based.

CH505 Ministering to the Military **Credits: 3**

The course teaches the basic ministry to the military in both peace and war. A specialized devotional and discipleship program, using the *Christian Life Handbook*, has been developed especially for the mobile military society. These materials will be taught with principles and applications that can be used in various church programs.

CH506 Religious Pluralism in Military/Federal Society **Credits: 3**

The course gives the student an overview of the major issues that cause the most religious concerns within military societies. Some conclusions are offered in the defense of religious pluralism to show that it can work in chaplain ministry on a day-to-day basis. Additionally, military commands can fulfill their moral and legal obligation to their subordinates in providing religious support and guaranteeing religious freedom.

CH507 The Soldiers Biblical Right to Kill **Credits: 3**

The course is a study in the basic issues and beliefs held by the Christian community. It forms an overview of the classical beliefs as they impact the soldier and the military in which he serves. The study will acquaint the student with the issues involved and how Christian believers have historically resolved their inner conflicts regarding participating in war.

CH601 Biblical View of Military Decision Making **Credits: 3**

Understanding the decision-making process of the military and government is essential to anyone ministering in their society. The material studied here will enable the chaplain to understand and function in government agencies.

CH602 Biblical View of the Literature of War **Credits: 3**

This course studies the literature written by soldiers in conflict. It is a look into the soldier's heart that is critical to any chaplain who is serious about reaching them for Christ.

CH603 Christian Ethics & Morals in War **Credits: 3**

The complexities of modern warfare suggest the need for a basic knowledge of morality and war and the issues involved. The chaplain should be a key professional in these matters.

CH604 Christian Ethics in Command **Credits: 3**

The military is a profession of arms and has ethical dimensions that directly connect to the moral issues associated with warfare. The chaplain may be asked for guidance in these matters and should have a basic knowledge of the nature of the profession and issues involved in such decisions.

CH605 Christian Ethics in Strategy

Credits: 3

Conducting war is a moral concern as well as a strategic one. Planning and conducting war is affected by traditional professional values that affect judgment and the outcome of plans and practice. There is a thin line between incompetence and immorality in the military profession. The chaplain should be a competent advisor in these matters.

CH606 The Chaplain & Military Writing

Credits: 3

The chaplain must have the ability to read and write in the military formats in order to be effective. This is a practical course that will help all chaplains and pastors to write clear and decisive directives and instructions.

CH607 The Biblical Definition of the Transformation of War

Credits: 3

The world is fast entering an era of changing warfare, where the familiar forms of armed conflict are giving away to radical new ones. This transformation is studied in the light of Revelation and a biblical description of the Last Days.

CH550 Thesis

Credits: 6

Upon completion of the course of study in chaplaincy, the student is to write a 20,000-word thesis. The student is to work with the college administration to determine a subject for the thesis. The student is expected to research his subject thoroughly. Guidelines for the layout, footnotes, and bibliography are available at the school office. Careful attention must be given to biblical accuracy as well as grammar and composition.

*I have fought a good fight, I have finished my course,
I have kept the faith.*

2 Timothy 4:7

A vision for souls

Administration

The administration is the heartbeat of the Dayspring Bible College & Seminary and consists of genuine, godly men who have truly given of themselves to the cause of Christ. Each one of these men has proved themselves to be faithful, moral, and compassionate leaders who are dedicated to training the next generation. Students will experience first-hand their faithfulness and dedication to the Lord as they see these men of God selflessly give of themselves as they labor in the ministry. Because Dayspring has a smaller student body, the administration is often able to personally interact with the students, making a positive lasting impression.

Campus Details

Location

Dayspring is nestled in the far Northwest Suburbs of Chicago in Mundelein, Illinois. The campus is close enough to enjoy the sites of downtown Chicago, but far enough away to benefit from the serenity of the suburbs.

The beautiful 13 ½ acre campus is surrounded by hundreds of acres of forest preserve with the well-groomed Millennium Trails running through them that offer hiking, biking, cross-country skiing, sledding, and ice skating.

Many well-known shops, restaurants, and grocery stores are within several miles of the campus. Downtown Chicago, a 60-minute drive, is known for its great restaurants, shopping, zoos, and museums.

Students staying for the summer can enjoy Six Flags Great America theme park, only 30 minutes from the campus, and Lake Michigan beaches, which are 20–30 minutes away.

Airports

Students wanting to fly home between semesters can choose from three major airports, all within 60 minutes of Dayspring: O'Hare International Airport, Midway Airport, and Mitchell International Airport in Milwaukee, Wisconsin. Transportation can be provided by Dayspring if it is coordinated in advance.

Facilities

Quentin Road Baptist Church

Located just 5 miles from our 13.5-acre Mundelein campus is our 43-acre campus in Lake Zurich. This is our 80,000 square foot multi-purpose building. Included in this building is a 2,500-seat auditorium in which church services, chapel, and special functions are held. Also located in this building are the music department and practice rooms, Road to Learning Dyslexia department, gymnasium, swimming pool, *InGrace* broadcast studio, cafeteria and large commercial kitchen, and study hall rooms for students.

Dormitory

This is the building which the students living on campus will call "home". There is a Men's wing and a Women's wing, and each wing features a common area with couches, desks, table and chairs, microwave, and refrigerators. Most students will share a room with one or more other students and sleep on either bunk beds or twin beds. Each student will have their own dresser and closet. Located in each wing are several private bathrooms which will be assigned to students. Also located in this building are the Student Center, laundry facilities, DBC Café, men's and women's fitness centers, and practice rooms for those taking instrument lessons.

Academic Building

This building is where students will come to study during their class time and take their tests. There are two lecture rooms, two study halls, computer lab, library, administrative offices, and a break room.

Cafeteria & Gymnasium

Located in this building is our campus cafeteria for students living in the dorms. A variety of delicious, healthy meals are prepared here all week in a well-equipped commercial kitchen. The lower section of this building has a nice gymnasium where students can shoot baskets or play volleyball.

Field House

The Eagles Home Court, at our Lake Zurich Field House, features a high quality wood floor, rims, and backboards along with modern, state-of-the-art home and away locker rooms. This building also houses our Media & Mail Department where all of our materials are printed and shipped.

Married Housing and Visitors' Suites

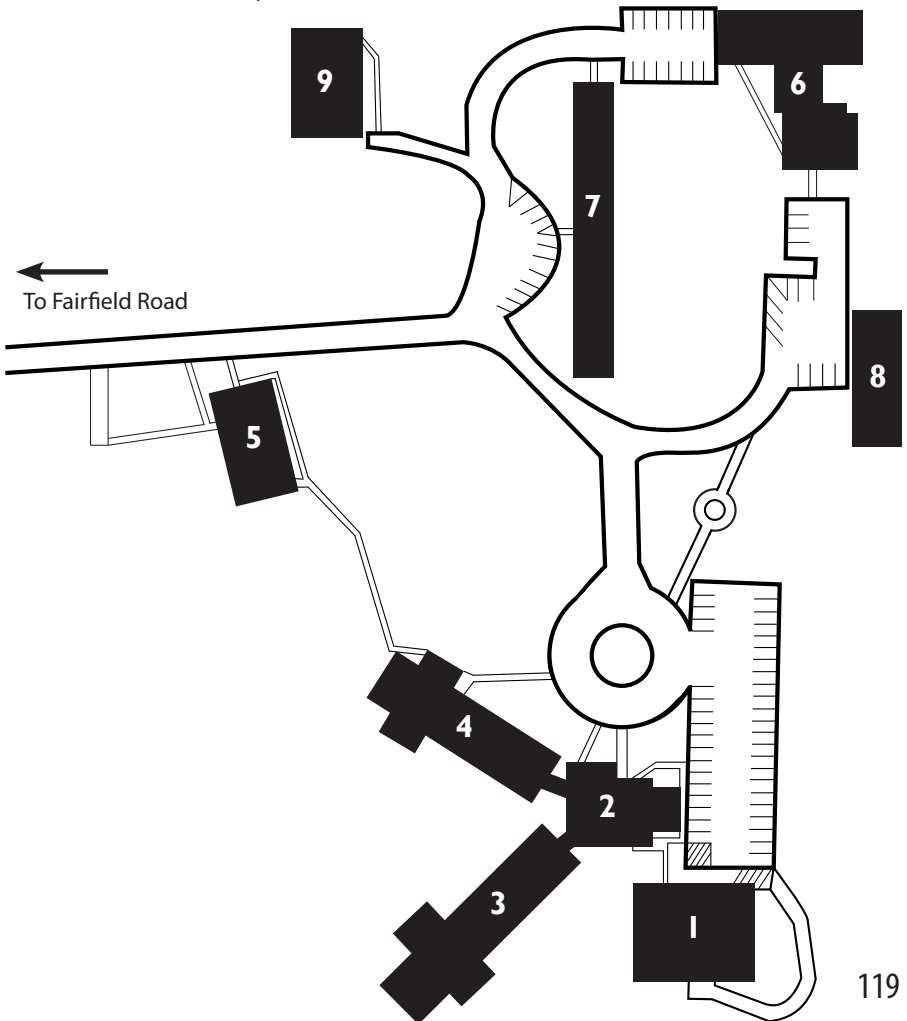

Eight efficiency apartments are located in this building, each complete with a bathroom, kitchen, family room and bedroom, and are available to married students on a first-come-first-served basis. Also located in this building are two visitors' suites.
