

IEBC Proposed Tournament Change 2/6/19

- Each weekend tournament is a 1 day tournament.
- Points are scored on your best day from the weekend.
- You can fish either one or two days of the weekend.
- Your best place score will be kept for the weekend.
- Max. weekend point total remains at 200 and will decrement by 2's as before.
- 10 one day tournaments in a year plus the team tournament this year.
- To be eligible for Angler of the Year (AOY) one must fish 8 of the 10 one day tournaments and the Team Tournament. (This means you could miss one weekend OR the second day of two tournaments and still be eligible.)
- Top 5 for the year are based on total point score.
- Tie breakers for end of the year scoring will be based upon largest stringer weight, followed by largest fish of the year.
- BENEFIT of these changes is flexibility: A person can fish only 1 day of every tournament and still stay competitive in End of Year standings. AOY is still a possibility if that person can't stay for a weekend or has to miss a tournament for other reasons.
- Entry for each day is \$20. All money goes to the club.
- Club will sponsor BBQ's every time they are logistically sensible.
- Payouts for big fish, big stringer, etc. will not be arranged or paid by the club. Members may participate in option pots on the side if desired.
- There will not be any mystery weight/angler anymore.

Example with this year's schedule:

- Moses Lake April 27 and 28 – Fish April 27, finish 8th, Fish April 28, finish 4th – 194 pts.
- Pend O'Reille June 1 and 2 – Fish June 1, finish 10th – 182 pts.
- Potholes June 15 and 16 – Fish June 16, finish 3rd – 196 pts.
- Roosevelt July 13 – Team Tournament – Fish July 13 with partner, team scores 2nd – 198 pts. for both fishermen.
- Snake River Sept. 28 and 29 – Fish Sept. 28, finish 1st, Fish Sept. 29, finish 5th – 200 pts.
- Banks Lake Oct. 26 and 27 – Fish Oct. 26, finish 8th, Fish Oct. 27, finish 5th – 192 pts.

End of Year Point Total = 194+182+196+198+200+192 = 1162 pts.
