

EXPANDED CHAKRA HEALTH

4TH DIMENSIONAL CHAKRAS

8th Chakra (Thymus Chakra): The Seat of the Soul. This chakra is cleansing for the subconscious mind, raising your frequency and bringing you to a higher vibrational level. Color: Seafoam Green

9th Chakra: Root Chakra: Joy Attraction of the Body of Light. It activates the body of light to the cellular and subatomic particle level. Color: Blue Green

10th Chakra: Sacral Chakra: Anchoring the Body of Light, merging of the Soul. This chakra is a mixture of red, blue and yellow rays with white light. Color: Pearlescent

11th Chakra: Solar Plexus: New Age Bridge. This chakra allows one to diminish present and past life trauma stored in the 3rd Chakra. It presents as a feeling of being on a wave and will move in and out of the body. Color: Pink Orange

12th Chakra: Heart Chakra: Anchoring the Christ Consciousness fully within the physical body. Color: Gold

13th Chakra: Throat Chakra: Manifesting vibratory communication and is used in materializing and dematerializing things. Color: Violet Pink

14th Chakra: Third Eye Chakra: Allowing of the Divine Plan and surrendering of the mental mind. Color: Deep Blue Violet

15th Chakra: Crown Chakra: The doorway to ascension. Color: Light Golden White
