Relief Service!!

May 2018

Marisol Del Rosa, a missionary in Puerto Rico, requested help from Mission of Hope in the form of hygiene & first aid packages. Mission of Hope Alliance contacted Beverly Lemons and Cynthia Walker of the MMBC Food Pantry to see if they would assist in aiding the Puerto Rican people. Beverly and Cynthia quickly raise funds to support the purchases of supplies. We received donations from as far away as Canada! We thank all donors for their contributions.

The products were ordered and when they arrived the collaboration team assembled and packed all 200 care packages. The packages and all other products like flashlights, bandages and misc were boxed and shipped to Marisol in Puerto Rico.

Once received, Marisol gathered her team and journeyed to the counties that were in need. The people were grateful and thank God. They were amazed that we would care enough to send relief, to aid in their ongoing difficulties resulting from "Hurricane Maria."

Potter's House Collaboration

Members of the Mount Moriah Potter's House Ministry provided support for the Puerto Rico Project 100. Their compassion to see other people blessed with emergency provisions has blossomed from a local Food Pantry to assisting with various community and now international projects aimed at expressing the love of God to people in need. We thank them for their help.
