MISSIONARIES TO HONDURAS

November 2020

Back to Church!

Finally, after several months of being quarantined, we are able to safely go back to church! That comes with some restrictions, but we are now having limited in-person services in all the churches we have started!

Preaching with the Police!

It is amazing to see what the Lord is doing on a national scale through the police and military outreach! We have been invited by the police to accompany them on many activities during the pandemic. Normally large groups are not encouraged nor permitted, but because these activities are organized by the police, hundreds gather! We have been asked to start each event with preaching! We then aid the police in their program. At the end of the program, we give out Gospel tracts, New Testaments, and Bibles!

Virtual Institute

Due to the limited transportation options caused by the restrictions, we have chosen to operate this semester of the Bible Institute online. There are approximately 25 students studying using the online format. Please pray as we prepare for in-person classes to begin next year!

Prayer Requests and Praises:

1. Pray for the many saved during the past few months.
2. Pray for an increase in the students attending the Bible Institute.
3. Pray for the works in Danli, Los Robles, El Paraiso, Ojojona, El Ocomupe, and La Esperanza
4. Pray for the United States phase in the adoption of the twins.
