2022 MID YEAR

2022 Mid-Year Supplement

To introduce this mid-year, we are offering fresh looks in home décor with an emphasis on bedding and modern bath accessories. We begin and end each day in one fundamental space: the bedroom. Simply updating your bedding, curtains and master bath can drastically transform the mood of your space and even improve your day. With that in mind, we are delighted to welcome three new bedding and bath collections.

Rounding out this mid-year introduction are beautiful florals, everyday naturals, and modern lodge collections.

Thank you for allowing us in your store,
The Park Designs & Split-P teams

All of our textiles are made of 100% cotton. We recommend machine wash cold.
Reshape and hang or dry flat unless otherwise noted.

Woodbourne

Earth tones are back and a trend that is both comfortable and cozy for the home. Their soft tones give just the right amount of color and work perfectly as an accent to today's neutral décor-for either modern or more traditional. Add in our distressed wood and iron collection and make entertaining both easy and beautiful.

Wild Woods

The Wild Woods Collection features 3 new textiles: Bear Paw, an artistic take on the shape of a bear paw printed on a rugged ground; Wild Woods, an earth tone print featuring lodge motifs and Shenandoah Stripe, a ribbed woven in earth tones. Also showcased in this collection is the Wild Woods metal group, a great new wood and metal bath hardware collection, and a black marble bath accessory group. No matter which room of the house you are shopping for, if Lodge is your type of décor, we have it for you.
