## Your Pastor's Thoughts

Because you fear you need not fear

What terrifies you in life? There is only one thing that we should truly fear in our lives and that is the God of creation. He is the God who brought us in and will take us out of this world. He is the God who we will one day stand before and give account for our life. He is the God who will rightly punish the wicked for eternity. However, when we come to fear Him and our fear leads to surrender and trust we have nothing else to fear.

Psalms 115:11 You who fear the LORD, trust in the LORD! He is their help and their shield.

Isaiah 41:10 fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.

God, help us not to fear disease or death. Help us not to fear unrest in our nation and world. Help us to trust you fully with our lives. Help us to daily embrace the truth that if death comes to us we are far better off in your perfect presence than we are here on this earth.

In Christ, Pastor Pete
