Wishing you all a very Happy New Year!!

What an unexpected,
unpredictable year 2020
was. We are all very
hopeful for a better 2021.

*"Let us not look back in anger,
nor forward in fear, but around
in awareness."*

~James Thurber

January, the month that
was named after the
Roman God Janus, who is
the God of Gateways/ God
of beginnings and endings.
January is the gateway to
New year, and everyone
looks forward to the new
beginnings, new chances,
new lifestyles, and new
adventures. Hence January
is welcomed with great
delight and mirth. The
tradition of setting a new
year's resolution is also
very popular this month.

January 1 is the first day of
the first month in the new
year. Let's hope 2021 is a
better year for everyone
with good health, good
cheer and lots and lots of
social activities resumed!!

We say good-bye to a Dear Resident: Karen Paulin

Karen passed away on December 15th after her courageous battle with cancer. Her loving husband George of 43 years always by her side. Our sympathies to George and their whole family. To read her complete obituary go to <https://obituaries.record-eagle.com/obituary/karen-paulin-1081297964>

CELEBRATING NATIONAL CHOCOLATE CAKE DAY

Just in case you have to ask, the best way to celebrate this holiday is by having chocolate cake.

Wednesday, January 27th.
Pick up your

pre-packaged slices to-go in the lobby from **10 am—1 pm.** Like they say...

"Eat cake it's somebody's birthday somewhere!"

NATIONAL DRESS UP YOUR PET DAY:

Thursday, January 14th

Dress up your pet (or grand-pet) in a sweater or costume and bring them up to the Garden building to get their picture taken or if it's a cat (or dog) and you can't bring them for a photo, take one yourself and forward it to Julie@theparksidevillage.com.

I will share them with everyone and all Parkside pets who participate will get a surprise.

If the weather is nice (and not slippery) a **mini** parade of dressed up pets (& owners?) will start in the parking lot and go around the circle drive at **2 pm.**
