Let Your Light Shine

We want to welcome the new members of our community from Men's Walk #33 please continue to pray for the Pilgrims and Team members of Women's Walk #41. Let us be the light God has called us to be and let us shine bright in their lives as the new members walk out their Fourth Days. Please make plans to be at events for the Women June 2-5. I remember how special it was to have people loving me toward Christ.

Matthew 5:14-16

"You are the light of the world. A city that is set on a hill cannot be hidden. ¹⁵ Nor do they light a lamp and put it under a basket, but on a lampstand, and it gives light to all *who are* in the house. ¹⁶ Let your light so shine before men, that they may see your good works and glorify your Father in heaven.

Well, we finally made it to men's walk #33. It took a long time but was it ever worth the wait! As always, lives were changed and God was glorified.

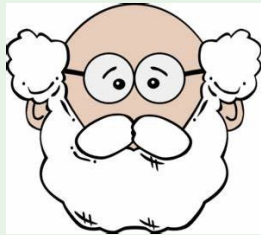

There was a lot of tough times as not only the Emmaus communities but everyone saw a pandemic take so much from us. Then, when things slowly began to return to 'normal', it was a struggle to get people back in the swing of things. Even as we conducted the men's walk this month and the women's walk last fall, the numbers were down and we had to improvise in many different ways. Now we look toward another women's walk.

As I write this, the possibility of having to cancel again is very real. Hopefully, we will be able to go forward with a positive outcome. However, God's timing is and always has been different from mine. It breaks my heart to know that there are men and women out there who need to experience what you and I experienced on our walks and we are unable to give them that chance. I ask each of you to pray about what we can do as individuals to make sure our community continues to be a means of God's grace. I was amazed by the community's support on the most recent men's walk and thank each of you who helped to make God's presence known.

As we go forward we need to increase our numbers at gatherings, be more responsible in our sponsorship, continue to support the walks, and pray, pray, pray. Our enemy is working hard. Can we match his energy and allow God to shower our community with his grace as we look to bless others as we have been blessed?

Thanks again and much love to all of you.

Praise God for our Spring Walks to Emmaus and for the hearts that are forever changed. We know that these walks help to draw us close to God in a way that few experience in life. What we also know is that those 4th days are HARD! We know we should always lean on Him but sometimes we get so caught up in life that we forget to. That's where our Emmaus Community comes in!

Since my walk in 2018 I have been actively involved in a share group. They are "my people", "my sisters in Christ" and my best friends - and they are as close and dear to me as my own family. I know that, when times are good, I can go to them and they will celebrate with me! I also know that when times are hard they will gather around me with the love of Jesus and lift me up in prayer. We can text or call each other night or day and we all stop what we're doing to pray. We get together every Thursday for what I like to call "family night". We laugh, we cry, we eat, we share, and we pray. We are a strong support network of faith and love for each other and I would not want to face my 4th days without these ladies any more than I would want to face eternity without Jesus!

My point is: we ALL need that support network of faithful believers. Whether it's a small group of members from our church or a small group of members from the Emmaus community, we need to surround ourselves with God-loving, God-serving people! We are all on our journey to Heaven but we don't have to walk the road alone. My job as the LOVE Emmaus Community Good Shepherd is to help connect members together who are interested in being a part of a supportive group like the one I have. Our Community has some established groups that meet together that are looking for more members but our Community is also in need of NEW groups! Especially groups of men! If you are interested in joining a group or helping to start a group, let me know (It's easy and I've got great tips for you. I will do my best to put you in touch with others in your area that are interested as well.

The next walk will be here before you know it. Soon we will begin making the walk menus and start to think about getting the kitchen prepared. We are in search of share groups that are willing to help serve meals. If your share group has an interest in helping in some way, please reach out to me to see what help is needed.

Are there any specific foods you would like to be consider for serving during a walk? Please let me know.

Attention L.O.V.E. Community, it is time to start thinking about agape items for the upcoming women's walk. If you are looking for some new ideas, then please take a look within Pinterest there are some wonderful examples, I found some useful agape ideas at www.lovemmaus.org or if you perform an internet search you will see a wide array of options.

As you remember from your walk, the agape items are part of the wonderful experience that is an Emmaus Walk.

If for any reason you are able to put together some agape items but are not able to get them to Ruggles, then please reach out to me or another board member and we will make sure your gifts make it to the campground.

Please include all in your prayers!!
