## Registration complete

Your registration number is

**CBDU86556**

Steve

Based on what you told us about your organisation and what it does, we have registered you as an upper tier waste carrier.

Being a upper tier waste carrier means that:

- you need to renew your registration every 3 years (we'll send you a reminder)
- you'll need to pay a registration charge each time you renew

There are some simple rules you must follow:

- if you give your waste to another person or business you must check they are properly authorised to accept it, e.g. as a permitted site or a registered waste carrier
- make sure the correct documentation is completed for each transfer of waste and that it correctly describes the waste
- make sure any waste is safely handled and stored
- minimise the environmental impact of waste by prioritising waste prevention, reuse, recycling and

recovery over disposal

## Updating your details

If any of the details you've given us change, you must update them within 28 days.
