## **Bulletin Board Use Policy**

**June 4, 2019**

There are four bulletin boards in the Clubhouse. One is designated for Social Club use, one for general membership use and the other two (on the East side of the Clubhouse) are for use by the Association. The use of these bulletin boards is defined in the Rules and Regulations: **Section IX. Bulletin Boards.**

The marque board outside the Clubhouse next to the parking area is for activities that will take place within the coming week (Monday thru Sunday) It will not be used for advertising activities that take place greater than a week in the future. It may be used by the Board to announce future upcoming Valle Vista business events.

The Social Club manages the marque for the Association. To request an activity be posted to the marque, submit the request to the Social Club at least ten (10) days prior to the activity's date.

**The Board of Directors gave final approved to this policy on August 6, 2019.**
