Let this coming year be better than all the others. Vow to do some of the things you've always wanted to do but couldn't find the time. Call up a forgotten friend. Drop an old grudge, and replace it with some pleasant memories. Vow not to make a promise you don't think you can keep. Walk tall, and smile more. You'll look ten years younger. Don't be afraid to say, "I love you". Say it again. They are the "sweetest words" in the world.

Thanksgiving or Thanksgiving Day, celebrated on the 4th Thursday in November, has officially been an annual tradition in the U.S. since 1863, when during the Civil War, President Lincoln proclaimed a national day of thanksgiving to be celebrated on Thursday, November 28th.

Thanksgiving is considered one of the "BIG 6" major holidays of the year.

The first Thanksgiving feast lasted 3 days, providing enough food for 53 pilgrims and 90 Native Americans.

Just a quick note to remind you. If you are thinking of making a move this year, please call Randy or Linda as soon as possible.

Although the Holidays are on our heels, winter can be a long season. Spring will return before we know it. Although we do have potential buyers for Condos and renters for Apartments, They tend to be most willing to move in the Spring & Summer Months. The more notice you can give us...the Better. Especially if you need funds from your current unit to make a move. We do not want to see any unit sit vacant because you hold off till the last minute. Communication is key. If you are planning a move this Spring...now is the time to talk to Staff.

Randy & Linda can help you through the process by answering any questions you may have in regards to terminating your lease and what is all involved.

Of course we never like to see anyone leave, but we know in life...changes are continual. There may come a time when we all need a little more help. We want to make your change as smooth as possible for you.

November is Budget time. Inflation has been lower, however non-controllable costs continue to rise, insurance, utilities, water and taxes to mention the obvious. As our property ages, reserves and maintenance will be more important to marketing and releasing units. So although we realize income is not increasing, unfortunately costs are. We will continue to work at controlling the costs we can for your Twining Valley Community.

My Best to all of you~ John

Notes from Randy

Linda has a lot of Events and speakers set up for November! Please sign-up for these Events & Enjoy!

Drop an old grudge, and replace it with some pleasant memories. Vow not to make a promise you don't think you can keep. Walk tall, and smile more. You'll look ten years younger. The Origins of Valentines Day~

The origins of Valentine's Day are not clear but many sources believe that it stems from the story of St Valentine, a Roman priest who was martyred on or around February 14 in the year 270 CE. How he became the patron saint of lovers remains a mystery but one theory is that the church used the day of St Valentine's martyrdom to Christianize the old Roman Lupercalia, a pagan festival held around the middle of February.

The ancient ceremony included putting girls' names in a box and letting the boys draw them out. Couples would then be paired off until the following year. The Christian church substituted saints' names for girls' names in hope that the participant would model his life after the saint whose name he drew. However, it was once again girls' names that ended up in the box by the 16th century.

Eventually the custom of sending anonymous cards or messages to those whom one admired became the accepted way of celebrating Valentine's Day. There was an increase in interest in Valentine's Day, first in the United States and then in Canada, in the mid-19th century. Early versions of Valentine cards fashioned of satin and lace and ornamented with flowers, ribbons, and images of cupids or birds appeared in England in the 1880s.

Hearts, the colors red and pink, roses, images and statues of cupids, and cupids' bows and arrows symbolize the feeling of romance and love on Valentine's Day. Cupid is usually portrayed as a small winged figure with a bow and arrow. In mythology, he uses his arrow to strike the hearts of people. People who fall in love are sometimes said to be "struck by Cupid's arrow". The day focuses on love, romance, appreciation and friendship.
