AGITATORS

UL / ATEX Certified

- Right Angle or Vertical Designs
- Current Designs to 75 hp
- Starters Available

MAX2000
The Exclusive Line of PSI

MAKDADDY CENTRIFUGAL PUMPS

- Inline or Space Saver
- Diesel or Electric
- Starters Available

PROGRESSING CAVITY PUMPS

- Fixed or Variable Speed
- Inverter or Mechanical Speed Options
- Starters Available

MAX2000
The Exclusive Line of PSI

SCREW CONVEYORS

ATEX Certified

- Top Mounted Safety Grates
- Remote Stop Switches
- Strobe Light and Alarm Horn

VAK DEGASSERS

- 500 gpm, 1000 gpm and 1200 gpm
- Large Inspection Port
- Compact Design

VAK1000

MUD GUNS

- 3" Low Pressure
- Custom Lengths
- 360° Rotation

MAX2000
The Exclusive Line of PSI

HYDROCYCLONE DESANDERS

- 10"
- Horizontal or Vertical Designs

HYDROCYCLONE DESILTERS

- 4" or 5" Cones
- Twin Feeder Design Available

ATMOSPHERIC DEGASSERS

- 6 Feet or 8 Feet
- Adjustable Depth Control

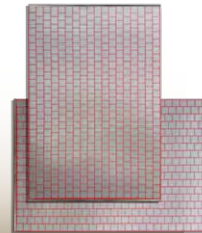

SHAKER SCREEN CLEANERS

- Reduce Fluid Usage
- Increase Screen Life
- Exterior Wash-Down Gun

SHAKER SCREENS

- Optimize Solids Control Efficiency
- High Strength
- Long Life

MUD GAS SEPARATORS

- ASME Vessel
- H₂S Trim

FUEL FILTRATION SYSTEMS

- 11 to 50 gpm units available
- Redundant Pumps

MAX2000®
The Exclusive Line of PSI

HIGH SHEAR HOPPERS

- 4" and 6"
- Quick Disconnect
- Stainless Steel

MUD HOPPERS

- 6"
- Big Bag Hopper

MAX2000®
The Exclusive Line of PSI

BUG BLASTERS

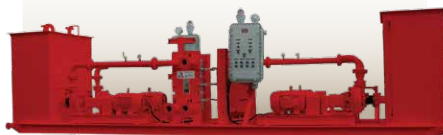

- 36", 48" & 54" Sizes Available
- Belt-Driven for Quieter Operation

MAX2000®
The Exclusive Line of PSI

BRAKE COOLING SYSTEMS

- Engineered to your Specific Parameters
- Provides Full Heat Dissipation at 100% Brake Load
- Robust I-Beam Framed Skid

DEWATERING SYSTEMS

- Customized to Your Application
- Containerized & Open Air Units for all Climates
- Trailer or Containerized

In short, when it comes to all of PSI's equipment you're not going to find a better combination of quality, price, reliability, ease of use, less energy consumption and design. Not only that, but PSI cares about worker protection, leaving a low carbon footprint, and giving you—the customer—long-lasting durability in the equipment you purchase. If you are ready to invest in a superior product today, PSI is the only choice that makes sense.
