MISSIONARIES TO HONDURAS

November 2023

Furlough Travels

These past few months have been filled with travelling around the United States visiting new churches and reporting to some of our supporting churches. We have enjoyed sharing what God has been doing in Honduras. It has been great to visit churches in Washington, Oregon, California, Arizona, Oklahoma, Ohio, and Louisiana. We are excited to see so many people who have been praying for us and have invested so much in the Lord's work in Honduras.

Pastor's Conference in Mexico

In October we were blessed to be able to be a part of the 2nd annual Pastor's Conference in Leon, Guanajuato, Mexico. This year the conference was attended by over 150 pastors from all over Mexico. It was a blessing to be able to fellowship with the pastors as well as listen to the great teaching provided by the several other guest speakers. We are excited to see this conference grow as many new pastors mentioned their excitement for next year's conference.

Spiritual Leadership Conference Latin America in El Salvador

In November we joined with many other pastors and leaders in the Spanish-speaking world to come together and attend the Spiritual Leadership Conference Latin America that was hosted this year in El Salvador. It was a blessing to see many of the pastors and our seminary students that we have missed so greatly while being here in the States. The godly music, helpful workshops, and powerful preaching encouraged all.

Bethlehem Baptist Seminary

We have seen much spiritual growth from the students of Bethlehem Baptist Seminary. Please pray with us for the funds needed to build a new two-story building to house this great ministry. This building will be built on the conference center property and have student housing, a kitchen, and classrooms that will allow us to meet the needs of the students we have and those that God will be sending our way in the future.

Please Pray for the Following:

1. The souls saved since our last prayer letter.
2. For growth for the 10 churches that have been started.
3. For Walter Enrique Miranda as he raises support to start a new church in the city of Catacamas.
3. For the finances to obtain a 15-20 passenger van to transport the students.
4. For the finances to build classrooms on the conference center property for the Bible college. Praise the Lord for the \$15,000 already pledged for this project.
