

## Until We Meet Again

We think about you always  
We talk about you still  
You have never been forgotten  
And you never will.

We hold you close within our hearts  
And there you will remain.  
To walk and guide us through our lives  
Until we meet again.

*In times of darkness, love sees...*

*In times of silence, love hears...*

*In times of doubt, love hopes...*

*And in all times, love remembers.*

*May time soften the pain, until all that remains*

*Is the warmth of the memories,*

*And the love.*
