The Pastor's Thoughts

1 Corinthians 12:12 For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ.

It is amazing how unique and special God has made each of us. Not only has He made us different, but He has also given us different spiritual gifts. Your hand is very different from your ear. Both, however, are very important.

When all parts of our bodies are present and doing their jobs it is incredible what we as humans accomplish.

It is the same with the local church. When all members of the local congregation are present and using their gifts the church can accomplish so much more.

If you haven't been present in a while I would like to invite you to come and help us accomplish our mission. We are much stronger with you.

However, let's not stop there. We should always be asking ourselves how we can more faithfully use our spiritual gifts among the body of Christ.

I look forward to working with you to make Jesus known and to make disciples for His kingdom.

See you soon! Pastor Pete

Chris has organized a calendar to be created with art from the youth and children of our church. They will be available for sale by July 30th. This is a fund raiser for the youth group to take a summer trip. Anyone interested please place an order with the church office. Price is a minimum donation of \$20.00.

Vacation Bible School July 25-29, 9am to noon.

It's OK if you can only help one day!

From the family of LD Brown.
Thank you all so much for the beautiful plant that you sent for the service. And the lunch...well it was absolutely wonderful. You all out did yourselves! Thank you for your love and support. The calls and cards were the most uplifting. And thank you most of all for being my church family.

Dear College Park Family,
Thank you for providing my family with food and a place to gather after my fathers' funeral. Also, thank you for the cards and plant.
We love you all,
Ben, Chrissy and family.
