Hours are 9 a.m. to 4 p.m. for the regular camp with dismissal starting at 3:45 P.M. We also offer before-care starting at 7:00 A.M. and after-care ending at 6:00 P.M.

You will receive notification before camp begins on which group your child has been assigned to.
- 3. Do you serve meals?** No, campers should bring a lunch and two snacks daily. However, on Fridays, we do have a free lunch for the children. Our preliminary schedule can be found in the portfolio below. You should still pack snacks for your child on these days to accompany the free lunch. **Please note that snacks and lunches need to be peanut-free / tree-nut-free.**
- 4. What is the staff like?** We aim for a mix of ages and genders. Many college students and adults who work in childcare are on our team. All camp staff members have Pennsylvania-mandated clearances in FBI fingerprints, PA child abuse clearance, PA State Police, etc. Our staff includes licensed school teachers who spend the summer with us.
- 5. Should I bring sunscreen?** Students should bring sunscreen, as we are outside throughout the day. We highly recommend the spray sunscreen, as it is easier for children to apply. Please note that our staff members are not permitted to apply lotion-type sunscreen to any child. Campers should come to camp with sunscreen applied and will be instructed to re-apply mid-morning, mid-afternoon, and as needed.
- 6. What if my child is sick before or during the camp day?** If your child is not feeling well, please keep them home and call us to report their absence. If your child becomes ill during the camp day, we will call you if it is necessary to pick them up.

Failure to pay for field trips in full, will result in the trip being *removed* from your child's account. (*Please note, ELRC does **not** cover these regional field trips.) 16. **What is your "Emergency Information" policy?** All children participating in the KidsCamp summer day camp program will be required to have up-to-date parent, emergency, and pick-up information on file at all times. 1.3 Local field trips are scheduled regularly throughout the entire summer. These field trips may include trips to state parks and special "off-site" activities such as bowling, miniature golf, etc.

Parents are notified about the local field trip(s) in which their child(ren) may participate via the weekly camp newsletter.

Unless otherwise notified in writing, a child's attendance at the KidsCamp programs "signifies the parental permission and consent" for the child to participate in local field trips.

1.4 Should parents choose not to have their child participate in a scheduled KidsCamp day camp program activity, it is the parent's responsibility to contact the camp director at KidsCamp. Otherwise, the child will be allowed to participate in these activities.

Therefore, the provider reserves the right to exclude any participant or parent from any or all KidsCamp program(s) for behavior deemed inappropriate by staff members and program officials. Furthermore, the provider reserves the right to immediately remove and exclude a participant from any or all KidsCamp program(s) who, in the opinion of program staff members and program officials, poses a direct threat to the safety and welfare of others in the KidsCamp program. In such cases, all monies paid on a child's KidsCamp account will be completely non-refundable.

17. “Peanut/Tree Nut Allergy” Policy - KidsCamp understands the seriousness of peanut/tree nut-related allergies and will strive to maintain, but cannot guarantee or ensure, a peanut/tree nut-free KidsCamp environment for the safety and welfare of all of its participants.

Parents of children with peanut/tree nut-related allergies are advised that KidsCamp cannot guarantee that its environment will be completely free of peanut/tree nut-related items.

By allowing their child(ren) to participate in KidsCamp, parents acknowledge that they have fully read and understand this “Peanut/Tree nut Allergy” Policy, understand that their acceptance of this policy is a condition of their child’s participation in KidsCamp, and agree and understand that there is no guarantee of a peanut/tree nut free environment, and they accept all risks inherent therein.

18. Program “Emergency Information” Form - All children participating in the KidsCamp program must always have an updated parent, emergency, and pick-up information form on file. No child will be allowed to start KidsCamp unless all forms are completed and on file in the KidsCamp office.

Parents are responsible for ensuring that the KidsCamp office is alerted regarding allergies and medical conditions concerning their child(ren) during registration.

Parents are required to complete and sign all signature areas that will allow staff members to provide first aid to their child and give permission for the summoning of and subsequent treatment and transport by emergency medical personnel.

19. Program “Discipline Exclusion” Policy - Attendance at the KidsCamp program is a privilege. Therefore the KidsCamp program and the School District reserve the right to exclude any participant from the program for any behavior, verbal and/or physical, deemed inappropriate by staff members and program officials. In such cases, parents will forfeit any tuition fees paid for the program week the exclusion occurs. Any other tuition fees paid in advance will be refunded. This also applies to parents and other adults who visit KidsCamp program sites.

20. Photo Release Policy - Attendance of a child at KidsCamp implies and grants the parents’ and/or guardians’ permission to KidsCamp the right to use, reproduce, and/or distribute photographs of their child participating in KidsCamp activities without compensation or approval rights, for use in materials created for purposes of promoting the activities of KidsCamp.

21. No credits will be allowed for unattended days, regardless of reason. Participants will *not* receive any credit for program days canceled due to inclement weather. No credit will be extended for sick days except for a child requiring hospitalization or a contagious illness. In these cases, a physician's note will be required before approving the sick day credit.

22. Program Fee Payments - All late “pick-up” charges, fees for late payments, and returned check fees are payable in full upon receipt. In addition, the KidsCamp program reserves the right to exclude any child from the program due to “unpaid” or “past due” tuition fees.

Fees may be paid by cash, check, or credit card (VISA, MasterCard, and Discover).

No credits will be allowed for any unattended days, regardless of reason.

23. Program “Child Pick-Up” Policy - Children must be signed out and picked up before the 6 PM closing time. Late pick-up incidents are subject to be billed at \$5 per every 5 minutes. The KidsCamp staff uses the school’s cafeteria clock to determine the official time.

Children will only be released to parents, legal guardians, or designated persons as listed on the *Student Emergency Information/Emergency Release/ Student “Pick-Up” Authorization Form* included in the registration packet.

Identification may be required of any person picking up a child other than the parent or legal guardian. If any doubt exists, the child will not be released into the person's custody, and the parent will be called.

24. We support Pennsylvania’s Office of Child Development and Early Learning (OCDEL) policies, practices, and supports regarding inclusion. They, in turn, support the definition of inclusion provided in the joint position statement on early childhood inclusion from the National Association for the Education of Young Children (NAEYC) and the Council for Exceptional Children’s Division for Early Childhood (DEC) as follows: Early childhood inclusion embodies the values, policies, and practices that support the right of every infant and young child and their family, regardless of ability, to participate in a broad range of activities and contexts as full members of families, communities, and society. The desired results of inclusive experiences for children with and without disabilities and their families include a sense of belonging and membership, positive social relationships and friendships, and development and learning to reach their full potential. The defining features of inclusion that can be used to identify high-quality early childhood programs and services are access, participation, and support (2009).

We try our best to accommodate all students and their needs. We make an *individualized assessment* about whether we can meet a child's particular needs without fundamentally altering our program. We talk to the parents or guardians and other professionals (such as educators or health care professionals) working with the child in different contexts.

However, please note that childcare centers accepting new children are not required to accept children who would pose a direct threat or whose presence or necessary care would fundamentally alter the nature of the childcare program.

25. We support Pennsylvania’s Office of Child Development and Early Learning (OCDEL) policies, practices, and supports regarding suspension and expulsion. They state that suspension is an action administered because of a child’s developmentally inappropriate behavior and requires a child not to be present in the classroom or the program for a specified period. Expulsion is the complete and permanent removal of a child from an early childhood program because of challenging behavior or non-infectious health conditions (Morrison & Skiba, 2001).

We have a lengthy set of Discipline Procedures, which include levels 1 through 5, which provide for working with the child and his parents to search for an appropriate solution to any behavioral problems.

Suspension and expulsion are ineffective discipline strategies (U.S. Department of Education, 2014), and we try to avoid them when possible.

26. We encourage all parents to talk informally with our camp director concerning how their child(ren) interacts with other children. Our Camp Director will speak to the parents if and when any relevant behavioral, social,

KidsCamp of Pennsbury

... A unique summertime experience for kids!
Summer of 2026

and physical needs may need to be discussed. In addition, our Camp Director will be pleased to meet with parents if the parents are interested.

27. We ask our staff to be alert for children needing assistance to better assimilate into our camp. We then communicate that information to parents on a timely basis.

28. At the time of registration, we ask that all parents communicate whether their student has an IEP, TSS, or other educational considerations. We try our best to accommodate all students and their needs. We make an *individualized assessment* about whether we can meet a child's particular needs without fundamentally altering our program. We ask for a copy of the IEP if there is one in place and talk to the parents or guardians and any other professionals (such as educators or health care professionals) who work with the child in other contexts so we better understand the student's needs.

29. The duration of this agreement starts from the first date of registration and concludes on the last scheduled day of the last KidsCamp program year in which the family participates.

30. The Pennsylvania Department of Human Services licenses Kids Care and complies with all local and state regulations regarding child care centers. We also comply with all local ordinances and requirements.

31. Our program is offered to all school-age children who attend a school in which the program is available. Enrollment is subject to constraints of space and staffing. The normal staff-to-child ratio is 1:12. Modification of the program to accommodate the needs of children with disabilities, including assignment of additional staff, may be made where such modifications are reasonable and necessary, do not fundamentally alter the nature of the program, and do not result in an undue burden on the KidsCamp. Requests for modifications or auxiliary aids should be made as far in advance of the commencement of the program as possible if known in advance. Still, they will be discussed and made available at any time during the program when the need for such arises. KidsCamp strives to make the program one that provides for the safety, well-being, development, and success of each child enrolled. For this reason, we have set forth the following policies that must be followed and supported. Admissions, the provisions of services, and referrals of clients shall be made without regard to race, color, creed, religion, pregnancy, disability, national origin (including limited English proficiency), age, gender, sexual orientation/preference, and/or veteran status of the parents. Program services shall be accessible to eligible persons with disabilities through the most practical and economically feasible methods. These methods include, but are not limited to, equipment redesign and providing aides. Structural modifications shall be considered only as a last resort among available methods.

*Our responsibilities for providing care to children with disabilities are fundamentally different than the obligations of the public school. While we will review and assist any wrap-around programs with the implementation of a child's IEP, we are not required to provide services outlined in any child's IEP as we are not considered an educational institution under IDEIA laws. We are required to provide reasonable accommodations under ADA laws only. Parents are welcome to discuss the reasonable accommodations that can be made for their special needs child.

Parents are asked to provide IEP information and information regarding any one-on-one or therapeutic services the child receives, etc., to the director at registration of their child's needs. We ask that you supply us with the IEP if you have one. If your child has a one-on-one at school, please let us know. We aim to partner with the school to help your child in any way we can to meet the chosen goals. If you would like a director or supervisor

Summer of 2026

to attend any IEP meetings, we will gladly attend. If needed, the office will authorize time outside of regular work hours for our staff to meet and discuss each IEP.

32. In cases where an enrolled child is the subject of a court order (e.g., Custody Order, Restraining Order, or Protection from Abuse Order), KidsCamp must be provided with a Certified Copy of the most recent order and all amendments.

Our website has useful information under “Parent Resources,” such as CHIP (Pennsylvania’s health insurance program for children), tax information, and other valuable resources in Bucks County. If you would like a hard copy of the information, we will gladly provide it. Periodically, additional information will be available at centers concerning health topics, nutrition, social service information, etc.

33. We reserve the right to suspend and/or terminate services for any of the following reasons: • Non-payment of services • Physical attack, threats, violence by children or parents on any staff member, other parent, children, or school personnel • Behavior as defined in the discipline section of the family handbook • Repeated late pick-up of children • Repeatedly not reporting your child's after-school absences. • Violating Parent Code of Conduct as defined in the family handbook 11/2/2018 • Any behavior determined to be a danger to the child or other children/staff/teachers in the building. • The Directors reserve the right to immediately expel or suspend any child deemed a danger to himself or others.

34. The KidsCamp program closes at 6:00 PM, and your fees pay for the childcare services up to that time. Staff will use a clock tied to the internet (e.g., an iPhone). Parents whose children remain past 6:00 p.m. MUST pay a late fee as follows:

1-15 minutes late\$ 5.00 for every 5 minutes

Each Additional 15 minutes (or interval)\$ 5.00 for every 5 minutes

Parents who are continually late picking up their children may be asked to leave the program. Our staff work very hard and have families and obligations they must attend to after 6:00 p.m.

The late fee will be added to your next bill. If the late fee remains unpaid, your child may be denied admission until the balance is paid in full.

35. An emergency information file is kept at the center for all children. In case of an injury or medical emergency, a staff member will: • Contact parent or guardian. • If unable to reach parents, the emergency person listed as the emergency contact in the student's file will be contacted. • If emergency treatment is needed, a staff member will call an ambulance to transport the student to the nearest hospital's emergency room from the site. The supervisor or another staff member will accompany the child. NOTE: All staff members are certified in Pediatric First aid, and a fully stocked first aid kit will be at each center at all times.

36. KidsCamp is committed to providing all students with a safe and civil school environment in which all members of the school community are treated with dignity and respect. Students who are bullied, harassed, intimidated, or fearful of other students may not be able to take full advantage of the opportunities offered by

KidsCamp of Pennsbury

Summer of 2026

the after-school program (academic, social, and emotional). Bullying and harassment can also escalate into more serious violence. To that end, we have policies, procedures, and practices designed to reduce and eliminate bullying and harassment, as well as processes and procedures to deal with incidents of bullying and harassment when they occur.

37. Under the Child Protective Services Act, mandated reporters must report any suspicion of abuse or neglect to the appropriate authorities. The employees of KidsCamp are considered mandated reporters under this law. The employees are not required to discuss their suspicions with parents before reporting the matter to the appropriate authorities, nor are they needed to investigate the cause of any suspicious marks, behavior, or condition before making a report. Under the Act, mandated reporters can be held criminally responsible if they fail to report suspected abuse or neglect. We take this responsibility very seriously and will make all warranted reports to the appropriate authorities. The Child Protective Services Act is designed to protect all children's welfare and best interests. As mandated reporters, the staff cannot be held liable for reports made to Child Protective Services, which are determined to be unfounded, provided the report was made in "good faith."

38. The staff of KidsCamp will contact local police and/or the other custodial parent should a parent appear to the staff of KidsCamp to be under the influence of drugs and/or alcohol. The parent's right to immediate access does not permit the agency to deny a custodial parent access to their child, even if the parent is or appears impaired. However, our staff will delay the impaired parent as long as possible while contacting the other parent, the local police, and Child Protective Services. Any other authorized person who attempts to pick up a child and appears to the staff to be under the influence of drugs and/or alcohol will be denied access to the child. The staff will contact the child's parents, local police, and Child Protective Services to notify them of the situation.

39. KidsCamp will provide toys, games, etc. If personal articles, toys, games, electronics, etc., are brought to the center by a child, KidsCamp will not be responsible for the loss or damage of these articles, nor will KidsCamp be accountable for any item of jewelry or money handed to any staff member. Our program does not permit video games, other electronics, and cell phones. They must be kept in book bags if children bring them to school.

40. KidsCamp requires the parents of enrolled children to behave in a manner consistent with decency, courtesy, and respect at all times. One of the goals of KidsCamp is to provide the most appropriate environment in which a child can grow, learn, and develop. Achieving this ideal environment is the responsibility of the employees and every parent or adult who enters the center. Parents are required to behave in a manner that fosters this ideal environment.

No parent or adult is permitted to curse or use other inappropriate language at centers or our office at any time, whether in the presence of a child or not. Such language is considered offensive by many people and will not be tolerated. If a parent or adult feels frustrated or angry, it is more appropriate to verbally express the frustration or anger using non-offensive language. At NO time shall inappropriate language be directed toward members of the staff.

41. Parents are prohibited from addressing, for correction or discipline, a child that is not their own. Of course, no parent or other adult may physically punish another parent's child. Suppose a parent should witness another

KidsCamp of Pennsbury

... A unique summertime experience for kids!
Summer of 2026

parent's child behaving inappropriately or is concerned about behavior reported to them by their child. In that case, it is most appropriate for the parent to direct their concern to the classroom teacher and Center Director.

We try our best to accommodate all students and their needs. We make an *individualized assessment* about whether we can meet a child's particular needs without fundamentally altering our program. We talk to the parents or guardians and other professionals (such as educators or health care professionals) working with the child in other contexts.

42. KidsCare staff are *not* permitted to enter the bathroom to assist children. Therefore, all children participating in the KidsCare programs must be fully independent in using the bathroom and cleaning up after themselves. (Pullups and other disposable diaper-like equivalents are *not* acceptable). **If a child is not independent in the bathroom or has frequent accidents, KidsCare deserves the right to suspend childcare services until the issue is resolved.** *All children must also be able to change into and out of their bathing suits/clothing independently. Our staff are not able to assist any child with this task.*

43. KidsCamp Transfer of Care Policy-- The Pennsylvania Department of Human Services, our licensing agency, is requiring that all child care centers have a "Transfer of Care Policy" in place. This policy needs to clearly define when supervision is the responsibility of KidsCare, the Pennsbury School District, and the parent/guardian/authorized pickup.

- **Transfer of Care from parent/guardian/authorized pickup to child care in KidsCamp *Before Care Program* (7:00 am – 8:40 am):**
 - Supervision of the child begins when the child physically enters the KidsCamp *Before Care Program* and the parent/guardian/authorized signs the child in. Until the child is signed in, the child is still considered to be in the care of the parent/guardian/authorized pickup.
- **Transfer of Care from parent/guardian/authorized pickup to child care in KidsCamp *Main Camp Day* (8:40 am – 9:00 am):**
 - Supervision of the child begins when our KidsCamp staff help get the child out of the car in the parent drop off line. Until our staff help your child out of the car, the child is still considered to be in the care of the parent/guardian/authorized pickup.
- **Transfer of Care from parent/guardian/authorized pickup to child care in KidsCamp *Main Camp Day* (9:00 am and after):**
 - All children arriving after 9:00 am need to be escorted into the building to be signed in. Supervision of the child begins when the child physically enters the KidsCamp program and the parent/guardian/authorized signs the child in. Until the child is signed in, the child is still considered to be in the care of the parent/guardian/authorized pickup.
- **Transfer of child from KidsCamp to parent/guardian/authorized pickup in the *parent pickup line* (3:30 pm – 4:00 pm) :**
 - Supervision of the child ends when the KidsCamp staff escorts the child to the car of the parent/guardian/authorized pickup. Once the child is in the car, the child is considered to be in the care of the parent/guardian/authorized pickup.
- **Transfer of child from KidsCamp to parent/guardian/authorized pickup from *After Care* (4:00 pm – 6:00 pm):**

KidsCamp of Pennsbury

... A unique summertime experience for kids!

Summer of 2026

- Supervision of the child by the KidsCamp After Care program ends when the parent/guardian/authorized pickup arrives to pick the child up. Once the parent/guardian/authorized pickup arrives on site and is acknowledged by the KidsCamp staff, care of the child is transferred to the parent/guardian/authorized pickup, and supervision of the KidsCamp program ends, regardless of if the parent/guardian/authorized pickup has signed them out.
- **Transfer of care from KidsCamp to parent/guardian/authorized pickup (*any early pick up done through the main KidsCamp entrance*):**
 - Any child picked up early is required to be signed out by a parent/guardian/authorized pickup.
 - Supervision of the child by the KidsCamp program ends when the parent/guardian/authorized pickup arrives to pick the child up. Once the parent/guardian/authorized pickup arrives on site and is signed out, care of the child is transferred to the parent/guardian/authorized pickup.
- **Transfer of care from KidsCamp to the Pennsbury School District (ESY/Summer School):**
 - Supervision of the child transfers to the Pennsbury School District when the KidsCamp staff put the child onto the ESY/Summer School bus.
- **Transfer of care from the Pennsbury School District (ESY/Summer School) to KidsCamp:**
 - Supervision of the KidsCamp Program begins when the Pennsbury School District bus arrives at the KidsCamp location and the KidsCamp staff have taken attendance. Until the child has gotten off of the school bus and staff have been able to take attendance, the child is still considered in the custody of the Pennsbury School District.
