Greetings in the name of our Blessed Lord, Jesus Christ! The summer has quickly gone past, and it's hard to believe that we're looking at Fall arriving soon! We are very excited for its approach. For one, we will be celebrating our fourth anniversary on October 6! These last few years serving the Lord together before and during deputation have been the best of our lives. Also, since our last letter, we have had two more churches take us on for support. This now brings our support percentage to 68%!

On the deputation trail these last two months, we have been able to see six people trust Jesus Christ as their Savior. One of the neatest experiences was in July at the Dunkirk Fair in New York. During this fair they have a booth set up for soul winning. We were staying with a pastor and his family and he invited me to go with him. I have never been a part of anything like this, and I was very intrigued how it was run. That night, I met a young lady by the name of Sylvia. She couldn't answer the question if she was 100% certain that she would go to Heaven when she died. She was trusting that she was a good enough person for salvation. When she found out that she could know for certain out of God's Word, she asked if I would show her. I spent about a half hour going through the Scriptures and showing her the Gospel, her need for Christ, and that trusting Him is the only way to go to Heaven. I was very thorough, and as she saw the passages, she soon realized that she was lost and on her way to Hell. She bowed her head and asked Christ to forgive her of her sins and to be her Savior for all eternity. I made sure she knew for certain what she had just done and where her eternal destiny is now. We had one other young man saved that night that another worker was able to lead to the Lord. The next day, the pastor was going to spend some time with his sons out fishing and invited me to come as well. Though I had a few bites, I was not able to catch anything. I think I will stick to fishing for men instead!

Jennifer's health has also been a lot better. The end of July was very rough, but we changed some things in her diet, and she has not had any problems for a couple of weeks now. She can now eat more varieties of foods and she seems to be back to normal health, but we are still taking it cautiously. Please continue to pray for her health.

Please continue to pray for us this fall as we have several meetings. Please pray for protection as the Lord has opened up the opportunity to go to Alaska most of October and have several meetings there. Please pray that we will be a blessing to the churches. Thank you for your faithful prayers and support!

Your missionaries to Ireland,

Andrew and Jennifer Day
