

Limestone Ohio Valley Emmaus Community

From The Community Lay Director

Another awesome walk is in the books! I want to thank the community members for all of your support of the fall men's and women's walks. You were there for the cleaning of the campground, send off picnic, candlelight, closing events and with 24-hours of prayers. Everyone's efforts made the walks so special for our new members. We welcomed 21 men and 25 women into our the community!

Now the time to be in prayer for the spring walks and who God is leading you to sponsor. Our Men's Walk #33 will be on April 30-May 3 and the Women's Walk #40 will be June 4-7. DeColores!

Women's Walk #39 Lay Director

As the LD for walk #39 I was able to see past the distractions that the lonely one (devil) tried to throw at us on the beautiful weekend of Oct. 3-6. I was able to see 25 women come to know their Father on a personal level that some did not know existed or had only dreamt about. I seen burdens slowly melt away and be given to the only one that can carry them. These women trusted the team that God put together and re-structured to benefit him and his plan for that weekend. As always he did not disappoint in the way that he led us through each talk and revealed himself in each moment of this weekend. We are truly blessed and highly favored by the one and only God.

Nikki Chandler, Women's Walk #39 Lay Director

I would like to thank every person who sponsored a pilgrim this past year. Please be aware that we have a new format on the future applications. You need to make sure that the Adult Emergency Medical Information Form is filled out and turned in along with the other three forms. This is an important document that is needed on the walk. Please look around your home to see if you are in possession of any of the **missing team manuals**. If you find you have one of the missing team manuals, please bring it to the next gathering or get it to one of board members. DeColores!

Sponsorship

Emmaus is open to members of any Christian denomination. Emmaus is for the development of Christian leaders who:

- Are members of a local church
- Have a desire to strengthen their spiritual lives
- May have unanswered questions about their faith
- Understand that being a Christian involves responsibility
- Are willing to dedicate their everyday lives to God in an ongoing manner

With these guidelines in mind, please be in prayer for the Fall Women's Walk. **It is time to SPONSOR!** Sponsoring is one of the most important aspects of the Walk to Emmaus. As you pray commit the process to God and let Him give you direction, then commit yourself to follow where he leads you.

If you have any questions about sponsorship, please contact our Sponsorship Coordinator, **Bill Henry (Oh)** (bill.henry31@gmail.com).

From The Community Spiritual Director

The final walk of the year is in the books. Once more, there have been many eyes opened, many burdens laid down, many tears shed, many lifelong friendships made, many lives changed, and many people making a difference in their families, their churches, and their communities. I don't know the exact number, but we had right around 100 pilgrims go on a walk through our community and many more team members who were strengthened because of the time, effort, and sacrifice made by so many people.

In Scripture there are countless references to the church. We are called to be a part of the church, the Body of Christ. This doesn't mean that our ministries are limited to our local church. In fact, if we are only ministering through our local church, we are missing out on so much. You were told on your walk that Emmaus is not meant to replace your local church and that is true, but I believe Emmaus is an extension of our local church, similar to mission trips and activities. All that has been accomplished in our community this year and in years past could not have been possible without the help of the Body of Christ. We all have gifts and all our gifts are different. It takes each of us working together to make the walks effective. Thanks to all who have shared in whatever way.

I would encourage you to think about new ways you can serve both in Emmaus and whatever other ministries that are available to you. God is looking for servants. The harvest is ripe, but the workers are few. We are here for a very short time and the best way to invest that time is to serve in a way that brings glory to the One who created us, who redeemed us, and who has plans for us to join him in our heavenly home.

DeColores!
