

September - October 2026

Dear Friends,

As you might imagine, the past two months have been busy! Jen and I traveled to the US for several weeks for a special missions conference at our sending church. We were able to visit several other supporting churches and ended the trip with the grandchildren. It was great to see them again and to see how much they are growing! We quickly returned to Jaén and kicked off our fall season.

In October we wrapped up our Missions emphasis. Our church committed enough to add a fourth missionary! It is encouraging to see how churches support us and the work in Spain, and the church in Spain can support works in other places. We also had our Fall Festival. This year we held the event in the children's park and had three new families come by. The following Sunday was our Friend Day. Again, we had new visitors and a full house!

We are still waiting on the final plans for the building project so that we might begin the paperwork and the actual renovations as soon as possible. As mentioned before, the process to renovate a location for church use requires us to soundproof the auditorium, add sufficient restrooms, and add an emergency exit. We also need a space for classrooms and food preparation. The estimate is $100,000 for the project. God has graciously provided 25% of what we need already, which means if we get the plans we can immediately pay the initial fees to submit them to the city before the holidays. If God directs you to help us, you can donate through BIMI (just like regular support) and designate it for the building project.

We have a new video corresponding to this letter, which you can find at this link (https://youtu.be/xFunTLrQUQ8?si=ZYM5g3gupJzt-GQvj).

We are so grateful for all of your prayers and support. Thank you for choosing to partner with us! May God bless you!

In Christ,
Michael and Jen Helton
