Birthday Wishes!!

Thank you to everyone who wished Juice “Happy Birthday” on her special day!

Please know that Juice sincerely appreciates everybody for remembering her.

I too, wish to thank everyone for remembering me on my birthday this past March. Some of the communications that were sent in are so inspiring and rewarding. I want to shine the light on a JNFC member Geremar Donato who is a special member of the JNFC. He writes...

“ Hi Paul! I just want to wish you a Happy Birthday! I hope you have everything you wished for. I want to thank you again for doing a great job on the Juice Newton fan club. All the fans are so lucky to have you.

You care so much for us and you always do what it takes to make it the best. Keep up the good work. A good person like you deserves the very best. I've been a fan of Juice Newton for over 30 years. Yeah, I will always be her fan forever!”

Geremar

Once again, thank you Geremar and thank you all for your unwavering support of not only Juice, but also the JNFC!!

Juice A Safe Bet In Las Vegas

Juice recently performed in Las Vegas Nevada at the Silverton Hotel and Casino Lodge. I actually saw the two huge billboard signs advertising the show going north and south on interstate 15. Unfortunately, I could not make the show but one our fan club members did. Here is what she had to say about the performance.

Genevieve Genny Lawley Nieto writes; "Oh My Goodness! Juice and the Regenerators were beyond FABULOUS ! She was funny too but the music was AWESOME. She got a few standing ovations. People were dancing in the aisles! She moved Vegas!"

Thank you Genevieve!! Remember everyone, if you have seen Juice recently or in the past, send in your review of the show to juicenewtonfanclub@earthlink.net.

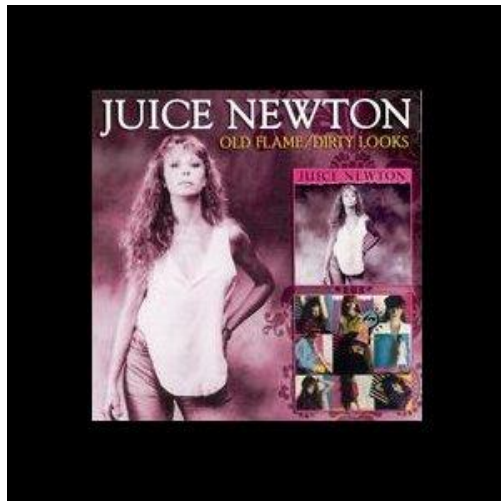

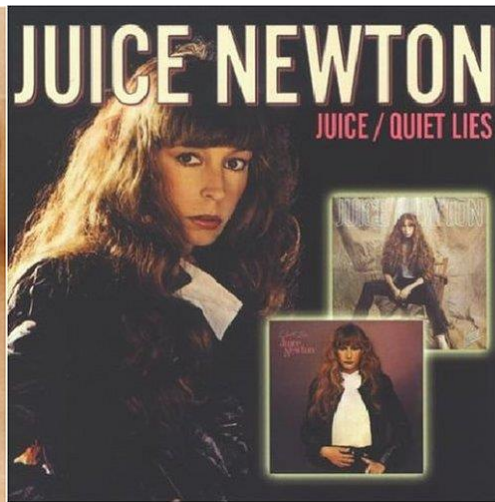

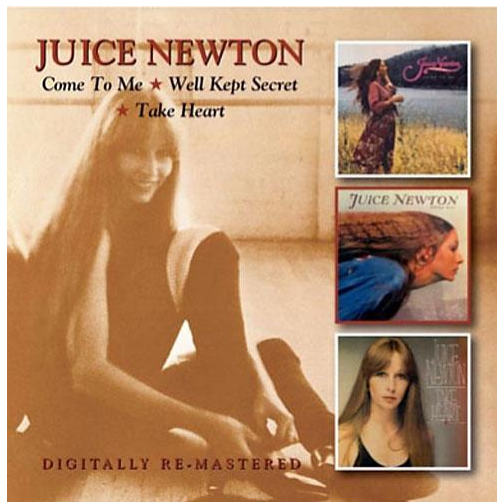

Ideas and Suggestions

Many members have written in to make suggestions for future recordings and or the fan club. Please know that I do forward your ideas onto Juice's management.

Some of the ideas have been everything from Juice appearing on "Dancing with The Stars" to Juice recording songs from the 1940's era. Keep the suggestions coming!

The photo above of the license plate holder was a gift from JNFC member Geremar Donato! This wonderful gift is on my car now! Thank you again Geremar! Thank you to everyone for the lovely compliments you have shared with me on the JNFC! This is truly an honor for me to facilitate the club for Juice and it is my most sincere pleasure to speak with all of you!!

Have you brought your collection of Juice's music into the digital age? Now you can!!

The breakthrough album "Juice" and the follow up smash album "Quiet Lies" are now both on one CD!

The album "Dirty Looks" and the country smash album "Old Flame" are on one CD!

Finally, the last of the Silver Spur albums "Come To Me" is now on CD along with the first two solo albums "Well Kept Secret" and "Take Heart" are all on one CD!!
