

APPENDIX B: PRESENTATIONS

Presented by the following sections: In-Person Courses, Webinars and Podcast education in reverse chronological order.

736 presentations:

407 In-Person Courses, including International, National, and local courses

340 webinars, podcasts

In-Person Courses:

2023

Nov 2023	Tone and Tone Management Dynamic Seating for Wheelchairs New Mexico Department of Health Albuquerque, NM
October 2023	Power Mobility: Alternative Driving Methods (4 hour with Wade Lucas) Power Mobility: programming to optimize driving (4 hour with Wade Lucas) Muscle Tone, Tone, Management and Dynamic Seating Intervention Alpine Rehab Conference Salt Lake City, UT
September 2023	Dynamic Seating: providing movement for clinical benefit Canadian Seating and Mobility Conference Toronto, BC
June 2023	AAC Positioning and Access CATE Denver, CO (Virtual)
May 2023	Pediatric Seating The Importance of Early Mobility and Mobility Training Assessment and Driving Methods Colibri (Virtual)
April 2023	Pre-conference: Programmable Power Wheelchair Driving Methods - a new generation of options Pre-conference: Sensors on Wheelchairs - improving efficiency and safety in mobility Building Consensus in Seating and Wheeled Mobility Evaluations International Seating Symposium Pittsburgh, PA

2022

October 2022	Positioning Kids Bringing New Technology to Power Wheelchair Assessment and Training Canadian Seating and Mobility Conference Toronto, Canada
--------------	--

October 2022	Positioning Kids Pediatric Power Mobility Secondary Supports Dynamic Seating Alpine Rehab Conference Salt Lake City, UT
August 2022	Positioning the Pelvis Positioning the Head Positioning Kids Columbus, OH
February 2022`	Smart Wheelchairs (with Jean Minkel) Dynamic Seating (with Missy Ball and Mary Shea) International Seating Symposium (virtual)
<u>2021</u>	
Nov 2021	Positioning for Function ACTNow Action Seating / Stealth Products Tulsa, OK
Oct 2021	Dynamic Seating New Mexico Mobility and Positioning conference (virtual) New Mexico
Oct 2021	Head School Let's Get Real: using Virtual Reality for Power Wheelchair Assessment and Training (with Wade Lucas) Alpine Rehab Salt Lake City, UT
Sept 2021	Power Mobility: Alternative Driving Methods Alliance Rehab & Medical / Stealth Products Springfield, MO St. Louis, MO
Sept 2021	Power Mobility: Alternative Driving Methods Miller's Annual Conference Akron, OH
August 2021	Positioning and Access for SLPs The AAC Speech Clinic Las Vegas, NV
July 2021	Judging Smart (with Jean Minkel and Jered Dean) (virtual) RESNA

June 2021 Mobility: Dependent vs. Independent. What are the Clinical Indicators?
Numotion Nufair (**virtual**)

May 2021 Wheelchair Positioning (**virtual**)
Local Inservice

March 2021 Course update recordings
HomeCEUConnection

Feb 2021 Switched-On Students – **virtual**
Infinitec

January 2021 Power Mobility series recordings
MedBridge

2020

Oct 2020 Slip Sliding Away: positioning the pelvis
Supporting the Primary Support Surfaces – appropriate use of secondary
supports
Pediatric Power Mobility Assessment and Driving Training Tools
Alpine Rehab Conference / Stealth Products
virtual due to COVID 19

April 2020 Dynamic Seating
How do I know a child is ready for power mobility?
Switch Assessment
TIES Conference
Salem, OR **virtual due to COVID 19**

March 2020 A New RESNA Position Paper on Dynamic Seating
International Seating Symposium
Vancouver, BC

Feb 2020 Slip Sliding Away – Positioning the Pelvis
Sit Up Straight – Positioning the Trunk
Positioning Kids
Travis Medical / Stealth Products
Georgetown, TX

2019

November 2019 Power Mobility: Alternative Driving Methods
Stealth Products
Columbia, MO

November 2019 Pediatric Power Mobility
Alternative Driving Methods
Clarkson University
Potsdam, NY

November 2019	Dynamic Seating Action Seating and Mobility, Seating Dynamics Tulsa, OK
October 2019	Positioning Kids Heads Up! Beyond the Joystick: Alternative Driving Methods Numotion, Stealth Products Dallas, TX
September 2019	Positioning Kids Heads Up! Beyond the Joystick Numotion, Stealth Products Chicago, IL
August 2019	Supporting the Primary Support Surfaces - appropriate use of secondary supports Custom Seating Reimagined! Numotion, Stealth Products Atlanta, GA
August 2019	Pediatric Power Mobility Fletcher Miller School, Stealth Products Lakewood, CO
April 2019	Using Virtual Reality to Reimagine the Assessment Process Canadian Seating and Mobility Conference Toronto, Ontario
April 2019	Heads Up! Strategies to Position the Head Beyond the Joystick: Alternative Driving Methods Numotion, Stealth Products Toledo, OH
March 2019	Dynamic Seating - exploring theory, research, and products Pediatric Power Wheelchair Assessment and Training 3 Ways to Keep Your Client's Head Up! Using Virtual Reality to Reimagine the Assessment Process International Seating Symposium Pittsburgh, PA
February 2019	Wheelchair Seating and Secondary Supports Power Mobility: Alternative Driving Methods 3 Ways to Keep Your Client's Head Up Travis Medical, Stealth Products Georgetown, TX

2018

December 2018	Positioning the Head National Seating and Mobility, Stealth Products Peoria, IL
November 2018	Early Intervention with AAC ASHA Boston, MA
November 2018	Positioning the Head Pediatric Power Mobility WI Schools, Stealth Products Wisconsin Dells, WI
October 2018	Pediatric Power Mobility Region 4, Stealth Products Houston, TX
September 2018	Positioning the Head Secondary Supports Pediatric Power Mobility Numotion, Stealth Products St. Louis, MO
August 2018	Positioning the Head Secondary Supports Power Wheelchair Alternative Driving Methods Travis Medical, Stealth Products Corpus Christ, TX Victoria, TX
July 2018	Positioning and Mobility for Complex Clients (pre-conference) Seating and Wheeled Mobility: a new resource RESNA Arlington, VA
June 2018	Positioning the Head Switch Assessment TX AT Network conference Houston, TX
May 2018	Secondary Supports Positioning the Head Wheelchair Backs Numotion, Stealth Products Philadelphia, PA

April 2018	Positioning for Function Positioning the Head Switch Assessment Pediatric Power Mobility TIES conference Eugene, OR
April 2018	EADLs and Switch Assessment Lifescape Sioux Falls, SD
March 2018	Dynamic Seating (pre-conference) Power Wheelchair Alternative Driving Methods (pre-conference) International Seating Symposium Vancouver, BC
February 2018	Dynamic Seating Travis Medical, Seating Dynamics Georgetown, TX
February 2018	Positioning the Head Dynamic Seating Wheelchairs and Speech Generating Devices National Seating and Mobility Oklahoma City, OK
<u>2017</u>	
Dec 2017	Positioning, Mobility, and Switch Access in the School Setting Harris Department of Education Houston, TX
Nov 2017	Dynamic Seating NuFair, Seating Dynamics Portland, OR Seattle, WA
Nov 2017	3 Ways to Keep Your Client's Head Up Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Power Mobility: Alternative Driving Methods Great American Mobility, Stealth Products Houston, TX
Oct 2017	Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Power Wheelchair Driving Methods for Your Toughest Clients NuFair, Stealth Products Boston, MA

Sept 2017	3 Ways to Keep Your Client's Head Up Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Numotion, Stealth Products Ft. Wayne, IN
Aug 2017	3 Ways to Keep Your Client's Head Up Power Wheelchair Driving Methods for Your Toughest Clients Alliance Rehab, Stealth Products Branson, MO
July 2017	Power Mobility: Alternative Driving Methods Stealth Products Nashville, TN
July 2017	Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? NuFair, Stealth Products Atlanta, GA
May 2017	Power Mobility: Alternative Driving Methods Stealth Products Riverside, CA
May 2017	Power Wheelchair Driving Methods for Your Toughest Clients NuFair, Stealth Products Philadelphia, PA
May 2017	Power Mobility: Alternative Driving Methods Stealth Products Baltimore, MD
May 2017	Alternative Driving Methods: What's New? Canadian Seating and Mobility Conference Toronto, Canada
March 2017	Dynamic Seating NuFair, Seating Dynamics Salisbury, MD
March 2017	Positioning the Head Dynamic Seating (pre-conference session) International Seating Symposium Nashville, TN
Feb 2017	Power Mobility: Alternative Driving Methods Stealth Products

	Houston, TX
Feb 2017	Positioning for Function Numotion, Stealth Products Houston, TX
<u>2016</u>	
Dec 2016	Switch Assessment Infinitec Wichita, KS
Nov 2016	Pediatric Seating NuFair, Stealth Products Dallas, TX
Nov 2016	Positioning for Function TIRR, Stealth Products Houston, TX
Nov 2016	Pediatric Power Mobility Numotion, Stealth Products Seattle, WA Portland, OR
Sept 2016	Power Wheelchair Driving Methods for Clients with Increased Tone Pediatric Seating NuFair, Stealth Products Indianapolis, IN
Sept 2016	Pediatric Seating Pediatric Power Mobility Stealth Products Baltimore, MD
July 2016	Switch Assessment Green River Regional Educational Cooperative Bowling Green, KY
July 2016	Power Wheelchair Driving Methods Positioning the Head RESNA Arlington, VA
June 2016	Dynamic Seating Head Positioning Sleep Positioning Numotion Philadelphia, PA

June 2016	Positioning for Function Stealth Products Duluth, MN
March 2016	Power Wheelchair Driving Methods for Clients with Muscle Weakness International Seating Symposium Vancouver, BC
Jan 2016	Positioning for Function Stealth Products Sioux Falls, SD
Jan 2016	Switch Assessment Infinitec Palatine, IL Tinley Park, IL
<u>2015</u>	
Nov 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Seattle, WA
Nov 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Portland, OR
Nov 2015	Positioning the Head NuFair Stealth Products Dallas, TX
Oct 2015	Advanced Seating and Mobility (2 day course) RESNA/MedTrade Atlanta, GA
Oct 2015	Power Wheelchair Alternative Driving Methods: what's new? MedTrade Stealth Products Atlanta, GA
Oct 2015	Advanced Seating and Mobility (2 day course)

	Rusk Rehab Columbia, MO
Oct 2015	Alternative Drives, Dynamic Seating, Positioning the Head and Pediatric Seating Numotion Springfield, MO
Oct 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone Closing the Gap Stealth Products Bloomington, MN
Oct 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Long Beach, CA
Oct 2015	Alternative Drive Controls Long Beach VA Stealth Products Long Beach, CA
Sept 2015	Alternative Drive Controls NuFair Stealth Products Lansing, MI
Sept 2015	Alternative Drive Controls Good Shepherd Stealth Products Allentown, PA
Sept 2015	Fundamentals Course Palo Alto VA RESNA Palo Alto, CA
Sept 2015	Positioning for Function Stealth Products Temecula, CA
Sept 2015	Positioning for Function San Diego School District Stealth Products

	San Diego, CA
Aug 2015	Alternative Drive Controls Rancho Los Amigos Stealth Products Downey, CA
Aug 2015	Alternative Drive Controls Positioning for Function Stealth Products/Big Sky AMES Anaconda, MT
July 2015	Power Wheelchair Assessment Numotion Tampa, FL
July 2015	Building Consensus National Seating and Mobility annual symposium Nashville, TN
June 2015	Switch Assessment Basic EADLs RESNA Annual Conference Denver, CO
June 2015	Switch Assessment and Mounting Positioning for Access TATN Dallas, TX
May 2015	Positioning the Head Alternative Drives for Clients with Increased Muscle Tone Stealth Products NuFair Spokane, WA
April 2015	Alternative Drives Stealth Products Waco, TX
March 2015	Power Wheelchair Assessment and Access Numotion Cape Girardeau, MO
March 2015	Power Wheelchair Assessment and Access Numotion St. Louis, MO

Feb 2015	Power Mobility: Alternative Drive Controls Controlling Speech Generating Devices through a Power Wheelchair International Seating Symposium Nashville, TN
Feb 2015	Positioning the Head Alternative Drive Controls for Clients with Increased Muscle Tone Stealth Products/Travis Medical Round Rock, TX
Feb 2015	Switch Assessment United Cerebral Palsy Chicago, IL
Jan 2015	Positioning for Function Stealth Products NuFair Seattle, WA
Jan 2015	Positioning for Function Stealth Products NuFair Portland, OR
<u>2014</u>	
Oct 2014	Advanced Seating and Mobility RESNA Atlanta, GA
Oct 2014	Fundamentals in Assistive Technology RESNA Phoenix, AZ
Sept 2014	Fundamentals in Assistive Technology RESNA Boston, MA
Aug 2014	Alternative Drive Controls Stealth Branson, MO
July 2014	Beyond the Basics Numotion Atlanta, GA
June 2014	Power Wheelchair Assessment Instructional Course Switch Assessment workshop RESNA

	Indianapolis, IN
May 2014	Fundamentals in Assistive Technology RESNA Newark, NJ
April 2014	Switch Assessment and EADLs Owensboro and Eddyville, KY
April 2014	Advanced Seating and Mobility RESNA Orlando, FL
March 2014	Pediatric Seating and Mobility Ft. Mitchell, KY
March 2014	Positioning for Function Stealth Products Portland, OR
March 2014	Alternative Access Methods Numotion/Stealth Products Phoenix, AZ
Jan 2014	Keynote at Annual Meeting Rehab Medical Indianapolis, IN
<u>2013</u>	
Nov 2013	Restraints vs. Secondary Supports Bodypoint Seattle, WA and Portland, OR
Oct 2013	Advanced Seating and Mobility 2 day course RESNA Atlanta, GA
Oct 2013	Pediatric Power Mobility Cook Children's Hospital Ft. Worth, TX
Oct 2013	Positioning for Function Stealth Products Morgantown, WV
Sept 2013	Power Wheelchairs: Advanced Applications Miller's Akron, OH

Sept 2013	Fundamentals in Assistive Technology RESNA Jackson, MI
Sept 2013	Positioning for Function Stealth Products McAllen, TX
July 2013	Positioning for Function Stealth Products Round Rock, TX
June 2013	Positioning for Function Stealth Products Los Angeles, San Diego, CA
June 2013	Augmentative Communication: access, mounting and interfacing (full day) SWAAAC Summer Symposium Denver, CO
April 2013	Positioning for Function Stealth Products St. Louis, Springfield, MO
April 2013	Positioning for Function Stealth Products Los Angeles, San Diego, CA
March 2013	Positioning for Function Stealth Products Missoula, MT
March 2013	Pediatric Power Mobility Abilities Expo Los Angeles, CA
March 2013	Advanced Power Wheelchair Applications Staying on Track – Evaluating the Efficacy of Power Wheelchair Tracking International Seating Symposium Nashville, TN
Feb 2013	Positioning and Mobility Guest Lecture, Occupational Therapy Class Colorado State University, CO
Feb 2013	Positioning Assessment NuMotion Annual Conference

	Las Vegas, NV
Feb 2013	Positioning for Function Stealth Products Birmingham, AL; Atlanta, GA
<u>2012</u>	
Nov 2012	Positioning for Function Stealth Products Tampa, Orlando, Miami, FL
Oct 2012	Switch Assessment Putting the Pieces Together Closing the Gap Minneapolis, MN
Sept 2012	Fundamentals in Assistive Technology Course RESNA Ft. Worth, TX
Aug 2012	Positioning for Function Rehab Rally Chicago, IL
Aug 2012	Power Wheelchairs: Advanced Applications ATG Rehab Bethany, OK
August 2012	Switch Assessment, Electronic Aids to Daily Living and AAC Mounting Dallas, TX
July 2012	Positioning for Function Stealth Lafayette, CO
June 2012	Switch Assessment for Type and Location and Switch Mounting Using Power Wheelchairs to Access the Computer and Speech Generating Devices Texas AT Network Statewide Conference Houston, TX
June 2012	Fundamentals in Assistive Technology Course Power Wheelchair Assessment Instructional Course A New Position Paper: Application of Wheelchairs, Seating Systems and Secondary Support for Positioning vs. Restraints workshop Staying on Track – Evaluating the Efficacy of Power Wheelchair Tracking Technology in Switch Driving workshop RESNA

	Baltimore, MD
May 2012	Pediatric Power Mobility ATG Rehab Hartford, CT
May 2012	Power Wheelchairs: Advanced Applications ATG Rehab Boston, MA
April 2012	Electronics Aids to Daily Living with Young Children and in the Classroom HomeCEUConnection.com
<u>2011</u>	
Oct 2011	Pediatric Power Mobility ATG Rehab Santa Clara, San Mateo, Salinas, CA
Oct 2011	Power Wheelchair Assessment Switch Assessment EADLs (2 day course) Center for Discovery Harris, NY
Sept 2011	Access to Mobility and Assistive Technology in the Classroom Setting: Practical Applications AbleNet Austin, TX
July 2011	Enhancing Functional Outcomes through Seating and Positioning Rehab Rally Conference and Expo Orlando, FL
April 2011	Pediatric Power Mobility Navigating the Care of the Medically Fragile Child Boston, MA
April 2011	Alternative Access Methods for Power Wheelchairs MedGroup Las Vegas, NV
March 2011	Power Mobility Assessment ATG Rehab Philadelphia, PA
March 2011	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet

	King of Prussia, PA
March 2011	Power Wheelchair Assessment International Seating Symposium Nashville, TN
Feb 2011	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Dallas and Houston, Texas
<u>2010</u>	
Nov 2010	RESNA Fundamentals in Assistive Technology Course MedTrade Atlanta, GA
Nov 2010	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Ft Lauderdale, Gainesville and Tallahassee, FL
Sept 2010	Seating for Function ATG Rehab Colorado Springs, CO
August 2010	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Tampa, FL
June 2010	This Isn't Your Grandma's Power Chair ATG Rehab Denver, CO
May 2010	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Orlando, FL
April 2010	Pediatric Power Mobility ATG Rehab Loveland, CO
April 2010	Seating for Function ATG Rehab Memorial Hospital Colorado Springs, CO

March 2010	Power Mobility Assessment Pride Mobility Nashville, TN
March 2010	Seating for Function New Mexico Annual Technology Conference Albuquerque, NM
Feb 2010	Using Power Wheelchair Electronics to Access Speech Generating Devices and Computers Mounting Assistive Technology Devices to Wheelchairs Lakeview School Edison, NJ
Jan 2010	Pediatric Seating and Mobility Therapeutic Services New York, NY
<u>2009</u>	
Oct 2009	Seating for Function ATG Rehab Rocky Hill, CT
Aug 2009	Fundamentals in Assistive Technology Course RESNA Anchorage, AK
June 2009	Pediatric Power Mobility RESNA New Orleans, LA
May 2009	Med Group Conference Switch Assessment Denver, CO
May 2009	New power wheelchair electronics Canadian Seating and Mobility Conference Toronto, Canada
May 2009	Seating Mobility New Mexico Annual Technology conference Santa Fe, NM
April 2009	Ablenet Assistive Technology in the Classroom LA County School District Los Angeles, CA

March 2009	New Power Wheelchair Electronics International Seating Symposium Orlando, FL
Feb 2009	New power wheelchair electronics: clinical applications United Seating and Mobility Annual Sales Meeting Tucson, AZ
<u>2008</u>	
Dec 2008	Power wheelchair electronics Internal Staff Training Quantum Rehab PA
Nov 2008	Pediatric Wheelchair Seating (full day course) Mayo Clinic Rochester, MN
Oct 2008	Location, Location, Location! Determining the Best Switch Location and Type for Access to Assistive Technology Tom and Jerry: Using the Power Wheelchair to Control the Computer Mouse Closing the Gap Minneapolis, MN
Oct 2008	Electronic Aids to Daily Living Occupational Therapy Association of Colorado Northglenn, CO
June 2008	New Power Wheelchair Electronics Pediatric Powered Mobility Position Paper RESNA Washington, DC
June 2008	AT Applications for Challenging Individuals Collaborative Assistive Technology Conference of the Rockies Denver, CO
April 2008	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications (with Ginny Paleg) (4 days) Ablenet/Otto Bock New York, NY
April 2008	Introduction to Assistive Technology Lecture Occupational Therapy Department, Colorado State University

	Ft. Collins, CO
March 2008	Interfacing Abilities Expo Edison, NJ
Feb 2008	Switch Assessment Colorado Department of Education Motor Conference Denver, CO
Jan 2008	Pediatric Power Mobility Assistive Technology Group El Monte, Riverside, Santa Ana, Ventura, CA
<u>2007</u>	
Nov 2007	Pediatric Power Mobility Assistive Technology Group Lakewood, CO
Oct 2007	Pediatric Power Mobility Assistive Technology Group Hartford, Westport, CT Worcester, Raynham, MA
Sept 2007	Pediatric Power Mobility Assistive Technology Group Sacramento, Stockton, Palo Alto, Salinas, CA
July 2007	Pediatric Power Mobility Omaha, NE
June 2007	A Comprehensive Approach to Assistive Technology for Persons with ALS Auditory - Visual Scanning: What Is It? How Do We Teach It? Collaborative Assistive Technology Conference of the Rockies Denver, CO
May 2007	Review Course for ATS/ATP Credential University of Pittsburgh Alexandria, LA
April 2007	Fundamentals in Assistive Technology Course (4 days) RESNA Singapore
March 2007	Pediatric Seating and Positioning New power wheelchair electronics RESNA Position Papers International Seating Symposium

Orlando, FL

Feb 2007
Review Course for ATS/ATP Credential
