

Summer Newsletter 2016

The Summer Newsletter is later than usual because there has been a lot of changes and exciting things happening for Juice and her entire team!!

New Logo

The JNFC has a brand new logo! This logo is featured in this newsletter and the Fan Club website juicenewtonfanclub.com and the Fan Club's Facebook page.

Keeping within tradition, the new logo contains the circular shape and the large letter "N" that Otha Young had created when he originally designed it.

The logo needed to present more excitement and modern appearance so it has a splash of new color and includes the web address!

Juice's Official Site Gets Make Over

Juice's official site, juicenewton.net has an entire new look and navigation features. That's because it has a new webmaster. It is my honor and extreme pleasure to be the official webmaster for juicenewton.net and juicenewtonfanclub.com! I am beyond thrilled to be supporting Juice in this manner.

Juice Merchandise

I would like to know if fans would like to have merchandise of featuring Juice available via the website? Such items would include tee-shirts, CD's, photographs and so on. Please send your vote to either jnfc@juicenewtonfanclub.com or 2016 Finch Lane San Diego, CA 92123.

Packed in The Desert

March 26, 2016 at the 'Copa Room' in beautiful Palm Springs, California Juice and the Trio Show performed to a big crowd! This was also fan club President Paul Fowler's 50th birthday weekend!

Juice was welcomed very warmly and loudly by the crowd. The hand clapping to the beat of the fast songs were accompanied by the enjoyment that was abundant.

Juice brought Paul Fowler (Fan Club President) on stage and the entire venue along with Juice, Danny and Jay sang Happy Birthday!! "I had the perfect 50th birthday." Paul said. "I could not have had more fun and enjoyment as I did that evening."

After the show, while fans were waiting to buy a CD and get an autograph, many fans walked up to Paul and gave warm wishes and asked about the fan club and asked about Juice.

Some of the fans photos from that evening can be found at the [juicenewtonfanclub.com!](http://juicenewtonfanclub.com/) Check it out!!

The Coach House

Juice along with Danny and Jay performed a Trio Show at the Coach House in San Juan Capistrano, California on May 29, 2016. The show was on Memorial Day weekend but the food wasn't the only thing hot in the house that evening.

The crowd loved Juice and conveyed this by the cheering and applause as she belted out the notes during "Hurt/Break It To Me Gently" and "The Sweetest Thing (I've Ever Known)."

During the show, fan club members Ed Ingle and Ron Dodge and Darla Le Becker and Cathy McLaughlin were in attendance and visited with fan club President Paul Fowler before and after the concert. Always a pleasure to speak with fan club members and feel the support for Juice and the club. (My apologies to Ed Ingle for his photo not shown here due to a technical error.)
