

June 2009 Programs

Wednesday June 10, 7 pm

DVD: Nature Was My Teacher: The Vision of Viktor Schauberger

The fascinating story of a true visionary, followed by a conversation about his ideas about the nature of water and life.

Tuesday, June 16, 12-5 pm

"Bloomsday:" A Celebration of James Joyce's Masterpiece, *Ulysses*

From 12-5pm, the Center hosts an Open House celebrating Joyce's brilliant "stream of consciousness" novel with music, readings and light refreshments. At 7 pm, there will be a short talk on "Consciousness and the Novel" by Michael Mannion followed by the DVD of the film *Ulysses*.

Wednesday, June 17, 7 pm

DVD: Cold Fusion

Cold fusion--a virtually limitless source of nonpolluting, renewable energy--is back, if it was ever truly gone. Find out who tried to destroy this new discovery and who is bringing it back to scientific life. The screening will be followed by a conversation about new energy possibilities.

Friday, June 19, 7pm

DVD: Worldviews in Collision

A talk by the late Dr. John E. Mack, the Pulitzer Prize-winning Harvard psychiatrist and best-selling author. The talk will be followed by a conversation about the power of worldviews.
