APPENDIX B: PRESENTATIONS

Presented by the following sections: In-Person Courses, Webinars and Podcast education in reverse chronological order.

829 presentations:
452 In-Person Courses, including International, National, and local courses
377 webinars, podcasts

In-Person Courses:

2026

Nov 2026	Positioning the Head Quebec Congress on Positioning and Mobility Levis, Quebec
Nov 2026	Positioning Clients with Increased Tone Pediatric Mobility MedBridge Seattle, WA
Sept 2026	Wheelchair Positioning for the Client with Spinal Asymmetries California Children's Services Virtual
August 2026	Positioning the Pelvis Positioning the Trunk Positioning the Head Hometown Healthcare / Quantum Rehab Mantachie, MS
June 2026	Seating and Wheeled Mobility: a deep dive into assessment and interventions 2 day course Hackensack Meridian JFK Johnson / Stealth Products Edison, NJ
May 2026	Maintaining Posture by Providing Movement Handi Medical / Seating Dynamics St. Paul, MN
April 2026	Seating and Wheeled Mobility: a deep dive into assessment and interventions 2 day course University of Nebraska Medical Center (UNMC) / Stealth Products Omaha, NE
Feb 2026	Maintaining Posture by Providing Movement International Seating Symposium Virtual

2025

Nov 2025	Introduction to Dynamic Seating (pre-recorded) Statewide School-Based OT/PT Conference (CESA) Milwaukee, WI
Nov 2025	Tone Management and Dynamic Seating Seating and Posture in OT Advisory Group Study Day Ireland
Oct 2025	Seating and Wheeled Mobility: a Deep Dive into Assessment and Intervention 2 day course Overland Park, KS Wichita, KS
Oct 2025	The Mat Assessment A Series of Complex Seating and Mobility Case Studies Building Consensus Among Seating and Mobility Team Members Alpine Rehab Salt Lake City, UT
Sept 2025	Let's Get Moving: a Series of Case Studies Canadian Seating and Mobility Conference Toronto, BC
June 2025	Wheelchair Dynamic Seating: Providing Movement for Clinical Benefit Conference for Assistive Technology and Education (CATE) (virtual) Denver, CO
Jan 2025	Making Power Wheelchairs Smarter Pediatric Alliance Merriam, KS

2024

Nov 2024	Speech Generating Devices: Access, Vision, and Mounting Wisconsin Children's Hospital Milwaukee, WI
Oct 2024	Positioning the Pelvis Positioning the Head Secondary Supports Mobility and Positioning Conference Albuquerque, NM
Oct 2024	Early Interventions: seating and mobility Assistive Technology for Kansans Lawrence, KS Wichita, KS

Oct 2024	Positioning the Pelvis Positioning the Trunk Positioning the Head Alpine Rehab Salt Lake City, UT
Sept 2024	The Mat Assessment Positioning the Pelvis Positioning the Trunk Positioning the Extremities Positioning the Head Positioning: a series of case studies MedBridge Kirkland, WA
Sept 2024	Maintaining Posture by Providing Movement Canadian Seating & Mobility Conference Toronto, ON
April 2024	How do I know the student is positioned appropriately? How do I know the student is ready for power mobility? Switch Assessment AT-TIES Salem, OR
March 2024	Secondary Supports: it's all in the angles International Seating Symposium Virtual

<u>2023</u>

Nov 2023	Tone and Tone Management Dynamic Seating for Wheelchairs New Mexico Department of Health Albuquerque, NM
October 2023	Power Mobility: Alternative Driving Methods (4 hour with Wade Lucas) Power Mobility: programming to optimize driving (4 hour with Wade Lucas) Muscle Tone, Tone, Management and Dynamic Seating Intervention Alpine Rehab Conference Salt Lake City, UT
September 2023	Dynamic Seating: providing movement for clinical benefit Canadian Seating and Mobility Conference Toronto, BC
June 2023	AAC Positioning and Access CATE Denver, CO (Virtual)

May 2023	Pediatric Seating The Importance of Early Mobility and Mobility Training Assessment and Driving Methods Colibri (Virtual)
April 2023	Pre-conference: Programmable Power Wheelchair Driving Methods - a new generation of options Pre-conference: Sensors on Wheelchairs - improving efficiency and safety in mobility Building Consensus in Seating and Wheeled Mobility Evaluations International Seating Symposium Pittsburgh, PA

2022

October 2022	Positioning Kids Bringing New Technology to Power Wheelchair Assessment and Training Canadian Seating and Mobility Conference Toronto, Canada
October 2022	Positioning Kids Pediatric Power Mobility Secondary Supports Dynamic Seating Alpine Rehab Conference Salt Lake City, UT
August 2022	Positioning the Pelvis Positioning the Head Positioning Kids Columbus, OH
February 2022`	Smart Wheelchairs (with Jean Minkel) Dynamic Seating (with Missy Ball and Mary Shea) International Seating Symposium **(virtual)**

2021

Nov 2021	Positioning for Function ACTNow Action Seating / Stealth Products Tulsa, OK
Oct 2021	Dynamic Seating New Mexico Mobility and Positioning conference **(virtual)** New Mexico
Oct 2021	Head School

	Let's Get Real: using Virtual Reality for Power Wheelchair Assessment and Training (with Wade Lucas) Alpine Rehab Salt Lake City, UT
Sept 2021	Power Mobility: Alternative Driving Methods Alliance Rehab & Medical / Stealth Products Springfield, MO St. Louis, MO
Sept 2021	Power Mobility: Alternative Driving Methods Miller's Annual Conference Akron, OH
August 2021	Positioning and Access for SLPs The AAC Speech Clinic Las Vegas, NV
July 2021	Judging Smart (with Jean Minkel and Jered Dean) **(virtual)** RESNA
June 2021	Mobility: Dependent vs. Independent. What are the Clinical Indicators? Numotion Nufair **(virtual)**
May 2021	Wheelchair Positioning **(virtual)** Local Inservice
March 2021	Course update recordings HomeCEUConnection
Feb 2021	Switched-On Students – **virtual** Infinitec
January 2021	Power Mobility series recordings MedBridge
2020	
Oct 2020	Slip Sliding Away: positioning the pelvis Supporting the Primary Support Surfaces – appropriate use of secondary supports Pediatric Power Mobility Assessment and Driving Training Tools Alpine Rehab Conference / Stealth Products **virtual due to COVID 19**
April 2020	Dynamic Seating How do I know a child is ready for power mobility? Switch Assessment TIES Conference

Salem, OR **virtual due to COVID 19**

March 2020
A New RESNA Position Paper on Dynamic Seating
International Seating Symposium
Vancouver, BC

Feb 2020
Slip Sliding Away – Positioning the Pelvis
Sit Up Straight – Positioning the Trunk
Positioning Kids
Travis Medical / Stealth Products
Georgetown, TX

2019

November 2019
Power Mobility: Alternative Driving Methods
Stealth Products
Columbia, MO

November 2019
Pediatric Power Mobility
Alternative Driving Methods
Clarkson University
Potsdam, NY

November 2019
Dynamic Seating
Action Seating and Mobility, Seating Dynamics
Tulsa, OK

October 2019
Positioning Kids
Heads Up!
Beyond the Joystick: Alternative Driving Methods
Numotion, Stealth Products
Dallas, TX

September 2019
Positioning Kids
Heads Up!
Beyond the Joystick
Numotion, Stealth Products
Chicago, IL

August 2019
Supporting the Primary Support Surfaces - appropriate use of secondary supports
Custom Seating Reimagined!
Numotion, Stealth Products
Atlanta, GA

August 2019
Pediatric Power Mobility
Fletcher Miller School, Stealth Products
Lakewood, CO

April 2019 — Using Virtual Reality to Reimagine the Assessment Process
Canadian Seating and Mobility Conference
Toronto, Ontario

April 2019 — Heads Up! Strategies to Position the Head
Beyond the Joystick: Alternative Driving Methods
Numotion, Stealth Products
Toledo, OH

March 2019 — Dynamic Seating - exploring theory, research, and products
Pediatric Power Wheelchair Assessment and Training
3 Ways to Keep Your Client's Head Up!
Using Virtual Reality to Reimagine the Assessment Process
International Seating Symposium
Pittsburgh, PA

February 2019 — Wheelchair Seating and Secondary Supports
Power Mobility: Alternative Driving Methods
3 Ways to Keep Your Client's Head Up
Travis Medical, Stealth Products
Georgetown, TX

2018

December 2018 — Positioning the Head
National Seating and Mobility, Stealth Products
Peoria, IL

November 2018 — Early Intervention with AAC
ASHA
Boston, MA

November 2018 — Positioning the Head
Pediatric Power Mobility
WI Schools, Stealth Products
Wisconsin Dells, WI

October 2018 — Pediatric Power Mobility
Region 4, Stealth Products
Houston, TX

September 2018 — Positioning the Head
Secondary Supports
Pediatric Power Mobility
Numotion, Stealth Products
St. Louis, MO

August 2018 — Positioning the Head
Secondary Supports

Power Wheelchair Alternative Driving Methods
Travis Medical, Stealth Products
Corpus Christ, TX
Victoria, TX

July 2018 — Positioning and Mobility for Complex Clients (pre-conference)
Seating and Wheeled Mobility: a new resource
RESNA
Arlington, VA

June 2018 — Positioning the Head
Switch Assessment
TX AT Network conference
Houston, TX

May 2018 — Secondary Supports
Positioning the Head
Wheelchair Backs
Numotion, Stealth Products
Philadelphia, PA

April 2018 — Positioning for Function
Positioning the Head
Switch Assessment
Pediatric Power Mobility
TIES conference
Eugene, OR

April 2018 — EADLs and Switch Assessment
Lifescape
Sioux Falls, SD

March 2018 — Dynamic Seating (pre-conference)
Power Wheelchair Alternative Driving Methods (pre-conference)
International Seating Symposium
Vancouver, BC

February 2018 — Dynamic Seating
Travis Medical, Seating Dynamics
Georgetown, TX

February 2018 — Positioning the Head
Dynamic Seating
Wheelchairs and Speech Generating Devices
National Seating and Mobility
Oklahoma City, OK

<u>2017</u>

Dec 2017	Positioning, Mobility, and Switch Access in the School Setting Harris Department of Education Houston, TX
Nov 2017	Dynamic Seating NuFair, Seating Dynamics Portland, OR Seattle, WA
Nov 2017	3 Ways to Keep Your Client's Head Up Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Power Mobility: Alternative Driving Methods Great American Mobility, Stealth Products Houston, TX
Oct 2017	Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Power Wheelchair Driving Methods for Your Toughest Clients NuFair, Stealth Products Boston, MA
Sept 2017	3 Ways to Keep Your Client's Head Up Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Numotion, Stealth Products Ft. Wayne, IN
Aug 2017	3 Ways to Keep Your Client's Head Up Power Wheelchair Driving Methods for Your Toughest Clients Alliance Rehab, Stealth Products Branson, MO
July 2017	Power Mobility: Alternative Driving Methods Stealth Products Nashville, TN
July 2017	Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? NuFair, Stealth Products Atlanta, GA
May 2017	Power Mobility: Alternative Driving Methods Stealth Products Riverside, CA
May 2017	Power Wheelchair Driving Methods for Your Toughest Clients NuFair, Stealth Products

	Philadelphia, PA
May 2017	Power Mobility: Alternative Driving Methods Stealth Products Baltimore, MD
May 2017	Alternative Driving Methods: What's New? Canadian Seating and Mobility Conference Toronto, Canada
March 2017	Dynamic Seating NuFair, Seating Dynamics Salisbury, MD
March 2017	Positioning the Head Dynamic Seating (pre-conference session) International Seating Symposium Nashville, TN
Feb 2017	Power Mobility: Alternative Driving Methods Stealth Products Houston, TX
Feb 2017	Positioning for Function Numotion, Stealth Products Houston, TX

2016

Dec 2016	Switch Assessment Infinitec Wichita, KS
Nov 2016	Pediatric Seating NuFair, Stealth Products Dallas, TX
Nov 2016	Positioning for Function TIRR, Stealth Products Houston, TX
Nov 2016	Pediatric Power Mobility Numotion, Stealth Products Seattle, WA Portland, OR
Sept 2016	Power Wheelchair Driving Methods for Clients with Increased Tone Pediatric Seating NuFair, Stealth Products

Indianapolis, IN

Sept 2016
Pediatric Seating
Pediatric Power Mobility
Stealth Products
Baltimore, MD

July 2016
Switch Assessment
Green River Regional Educational Cooperative
Bowling Green, KY

July 2016
Power Wheelchair Driving Methods
Positioning the Head
RESNA
Arlington, VA

June 2016
Dynamic Seating
Head Positioning
Sleep Positioning
Numotion
Philadelphia, PA

June 2016
Positioning for Function
Stealth Products
Duluth, MN

March 2016
Power Wheelchair Driving Methods for Clients with Muscle Weakness
International Seating Symposium
Vancouver, BC

Jan 2016
Positioning for Function
Stealth Products
Sioux Falls, SD

Jan 2016
Switch Assessment
Infinitec
Palatine, IL
Tinley Park, IL

2015

Nov 2015
Positioning the Head
Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone
NuFair
Stealth Products
Seattle, WA

Nov 2015
Positioning the Head

	Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Portland, OR
Nov 2015	Positioning the Head NuFair Stealth Products Dallas, TX
Oct 2015	Advanced Seating and Mobility (2 day course) RESNA/MedTrade Atlanta, GA
Oct 2015	Power Wheelchair Alternative Driving Methods: what's new? MedTrade Stealth Products Atlanta, GA
Oct 2015	Advanced Seating and Mobility (2 day course) Rusk Rehab Columbia, MO
Oct 2015	Alternative Drives, Dynamic Seating, Positioning the Head and Pediatric Seating Numotion Springfield, MO
Oct 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone Closing the Gap Stealth Products Bloomington, MN
Oct 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Long Beach, CA
Oct 2015	Alternative Drive Controls Long Beach VA Stealth Products Long Beach, CA
Sept 2015	Alternative Drive Controls

	NuFair Stealth Products Lansing, MI
Sept 2015	Alternative Drive Controls Good Shepherd Stealth Products Allentown, PA
Sept 2015	Fundamentals Course Palo Alto VA RESNA Palo Alto, CA
Sept 2015	Positioning for Function Stealth Products Temecula, CA
Sept 2015	Positioning for Function San Diego School District Stealth Products San Diego, CA
Aug 2015	Alternative Drive Controls Rancho Los Amigos Stealth Products Downey, CA
Aug 2015	Alternative Drive Controls Positioning for Function Stealth Products/Big Sky AMES Anaconda, MT
July 2015	Power Wheelchair Assessment Numotion Tampa, FL
July 2015	Building Consensus National Seating and Mobility annual symposium Nashville, TN
June 2015	Switch Assessment Basic EADLs RESNA Annual Conference Denver, CO
June 2015	Switch Assessment and Mounting Positioning for Access

TATN
Dallas, TX

May 2015 — Positioning the Head
Alternative Drives for Clients with Increased Muscle Tone
Stealth Products
NuFair
Spokane, WA

April 2015 — Alternative Drives
Stealth Products
Waco, TX

March 2015 — Power Wheelchair Assessment and Access
Numotion
Cape Girardeau, MO

March 2015 — Power Wheelchair Assessment and Access
Numotion
St. Louis, MO

Feb 2015 — Power Mobility: Alternative Drive Controls
Controlling Speech Generating Devices through a Power Wheelchair
International Seating Symposium
Nashville, TN

Feb 2015 — Positioning the Head
Alternative Drive Controls for Clients with Increased Muscle Tone
Stealth Products/Travis Medical
Round Rock, TX

Feb 2015 — Switch Assessment
United Cerebral Palsy
Chicago, IL

Jan 2015 — Positioning for Function
Stealth Products
NuFair
Seattle, WA

Jan 2015 — Positioning for Function
Stealth Products
NuFair
Portland, OR

<u>2014</u>

Oct 2014 — Advanced Seating and Mobility
RESNA

	Atlanta, GA
Oct 2014	Fundamentals in Assistive Technology RESNA Phoenix, AZ
Sept 2014	Fundamentals in Assistive Technology RESNA Boston, MA
Aug 2014	Alternative Drive Controls Stealth Branson, MO
July 2014	Beyond the Basics Numotion Atlanta, GA
June 2014	Power Wheelchair Assessment Instructional Course Switch Assessment workshop RESNA Indianapolis, IN
May 2014	Fundamentals in Assistive Technology RESNA Newark, NJ
April 2014	Switch Assessment and EADLs Owensboro and Eddyville, KY
April 2014	Advanced Seating and Mobility RESNA Orlando, FL
March 2014	Pediatric Seating and Mobility Ft. Mitchell, KY
March 2014	Positioning for Function Stealth Products Portland, OR
March 2014	Alternative Access Methods Numotion/Stealth Products Phoenix, AZ
Jan 2014	Keynote at Annual Meeting Rehab Medical Indianapolis, IN

2013

Nov 2013	Restraints vs. Secondary Supports Bodypoint Seattle, WA and Portland, OR
Oct 2013	Advanced Seating and Mobility 2 day course RESNA Atlanta, GA
Oct 2013	Pediatric Power Mobility Cook Children's Hospital Ft. Worth, TX
Oct 2013	Positioning for Function Stealth Products Morgantown, WV
Sept 2013	Power Wheelchairs: Advanced Applications Miller's Akron, OH
Sept 2013	Fundamentals in Assistive Technology RESNA Jackson, MI
Sept 2013	Positioning for Function Stealth Products McAllen, TX
July 2013	Positioning for Function Stealth Products Round Rock, TX
June 2013	Positioning for Function Stealth Products Los Angeles, San Diego, CA
June 2013	Augmentative Communication: access, mounting and interfacing (full day) SWAAAC Summer Symposium Denver, CO
April 2013	Positioning for Function Stealth Products St. Louis, Springfield, MO
April 2013	Positioning for Function Stealth Products

Los Angeles, San Diego, CA

March 2013 — Positioning for Function
Stealth Products
Missoula, MT

March 2013 — Pediatric Power Mobility
Abilities Expo
Los Angeles, CA

March 2013 — Advanced Power Wheelchair Applications
Staying on Track – Evaluating the Efficacy of Power Wheelchair Tracking
International Seating Symposium
Nashville, TN

Feb 2013 — Positioning and Mobility
Guest Lecture, Occupational Therapy Class
Colorado State University, CO

Feb 2013 — Positioning Assessment
NuMotion Annual Conference
Las Vegas, NV

Feb 2013 — Positioning for Function
Stealth Products
Birmingham, AL; Atlanta, GA

2012

Nov 2012 — Positioning for Function
Stealth Products
Tampa, Orlando, Miami, FL

Oct 2012 — Switch Assessment
Putting the Pieces Together
Closing the Gap
Minneapolis, MN

Sept 2012 — Fundamentals in Assistive Technology Course
RESNA
Ft. Worth, TX

Aug 2012 — Positioning for Function
Rehab Rally
Chicago, IL

Aug 2012 — Power Wheelchairs: Advanced Applications
ATG Rehab
Bethany, OK

August 2012	Switch Assessment, Electronic Aids to Daily Living and AAC Mounting Dallas, TX
July 2012	Positioning for Function Stealth Lafayette, CO
June 2012	Switch Assessment for Type and Location and Switch Mounting Using Power Wheelchairs to Access the Computer and Speech Generating Devices Texas AT Network Statewide Conference Houston, TX
June 2012	Fundamentals in Assistive Technology Course Power Wheelchair Assessment Instructional Course A New Position Paper: Application of Wheelchairs, Seating Systems and Secondary Support for Positioning vs. Restraints workshop Staying on Track – Evaluating the Efficacy of Power Wheelchair Tracking Technology in Switch Driving workshop RESNA Baltimore, MD
May 2012	Pediatric Power Mobility ATG Rehab Hartford, CT
May 2012	Power Wheelchairs: Advanced Applications ATG Rehab Boston, MA
April 2012	Electronics Aids to Daily Living with Young Children and in the Classroom HomeCEUConnection.com
2011	
Oct 2011	Pediatric Power Mobility ATG Rehab Santa Clara, San Mateo, Salinas, CA
Oct 2011	Power Wheelchair Assessment Switch Assessment EADLs (2 day course) Center for Discovery Harris, NY
Sept 2011	Access to Mobility and Assistive Technology in the Classroom Setting: Practical Applications AbleNet

	Austin, TX
July 2011	Enhancing Functional Outcomes through Seating and Positioning Rehab Rally Conference and Expo Orlando, FL
April 2011	Pediatric Power Mobility Navigating the Care of the Medically Fragile Child Boston, MA
April 2011	Alternative Access Methods for Power Wheelchairs MedGroup Las Vegas, NV
March 2011	Power Mobility Assessment ATG Rehab Philadelphia, PA
March 2011	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet King of Prussia, PA
March 2011	Power Wheelchair Assessment International Seating Symposium Nashville, TN
Feb 2011	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Dallas and Houston, Texas
2010	
Nov 2010	RESNA Fundamentals in Assistive Technology Course MedTrade Atlanta, GA
Nov 2010	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Ft Lauderdale, Gainesville and Tallahassee, FL
Sept 2010	Seating for Function ATG Rehab Colorado Springs, CO
August 2010	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications

Ablenet
Tampa, FL

June 2010 — This Isn't Your Grandma's Power Chair
ATG Rehab
Denver, CO

May 2010 — Access to Mobility and Assistive Technology in the Classroom Setting: practical applications
Ablenet
Orlando, FL

April 2010 — Pediatric Power Mobility
ATG Rehab
Loveland, CO

April 2010 — Seating for Function
ATG Rehab
Memorial Hospital
Colorado Springs, CO

March 2010 — Power Mobility Assessment
Pride Mobility
Nashville, TN

March 2010 — Seating for Function
New Mexico Annual Technology Conference
Albuquerque, NM

Feb 2010 — Using Power Wheelchair Electronics to Access Speech Generating Devices and Computers
Mounting Assistive Technology Devices to Wheelchairs
Lakeview School
Edison, NJ

Jan 2010 — Pediatric Seating and Mobility
Therapeutic Services
New York, NY

2009

Oct 2009 — Seating for Function
ATG Rehab
Rocky Hill, CT

Aug 2009 — Fundamentals in Assistive Technology Course
RESNA
Anchorage, AK

June 2009	Pediatric Power Mobility RESNA New Orleans, LA
May 2009	Med Group Conference Switch Assessment Denver, CO
May 2009	New power wheelchair electronics Canadian Seating and Mobility Conference Toronto, Canada
May 2009	Seating Mobility New Mexico Annual Technology conference Santa Fe, NM
April 2009	Ablenet Assistive Technology in the Classroom LA County School District Los Angeles, CA
March 2009	New Power Wheelchair Electronics International Seating Symposium Orlando, FL
Feb 2009	New power wheelchair electronics: clinical applications United Seating and Mobility Annual Sales Meeting Tucson, AZ

2008

Dec 2008	Power wheelchair electronics Internal Staff Training Quantum Rehab PA
Nov 2008	Pediatric Wheelchair Seating (full day course) Mayo Clinic Rochester, MN
Oct 2008	Location, Location, Location! Determining the Best Switch Location and Type for Access to Assistive Technology Tom and Jerry: Using the Power Wheelchair to Control the Computer Mouse Closing the Gap Minneapolis, MN
Oct 2008	Electronic Aids to Daily Living

Occupational Therapy Association of Colorado
Northglenn, CO

June 2008 — New Power Wheelchair Electronics
Pediatric Powered Mobility Position Paper
RESNA
Washington, DC

June 2008 — AT Applications for Challenging Individuals
Collaborative Assistive Technology Conference of the Rockies
Denver, CO

April 2008 — Access to Mobility and Assistive Technology in the Classroom Setting: practical applications
(with Ginny Paleg) (4 days)
Ablenet/Otto Bock
New York, NY

April 2008 — Introduction to Assistive Technology
Lecture
Occupational Therapy Department, Colorado State University
Ft. Collins, CO

March 2008 — Interfacing
Abilities Expo
Edison, NJ

Feb 2008 — Switch Assessment
Colorado Department of Education Motor Conference
Denver, CO

Jan 2008 — Pediatric Power Mobility
Assistive Technology Group
El Monte, Riverside, Santa Ana, Ventura, CA

2007

Nov 2007 — Pediatric Power Mobility
Assistive Technology Group
Lakewood, CO

Oct 2007 — Pediatric Power Mobility
Assistive Technology Group
Hartford, Westport, CT
Worcester, Raynham, MA

Sept 2007 — Pediatric Power Mobility
Assistive Technology Group
Sacramento, Stockton, Palo Alto, Salinas, CA

July 2007	Pediatric Power Mobility Omaha, NE
June 2007	A Comprehensive Approach to Assistive Technology for Persons with ALS Auditory - Visual Scanning: What Is It? How Do We Teach It? Collaborative Assistive Technology Conference of the Rockies Denver, CO
May 2007	Review Course for ATS/ATP Credential University of Pittsburgh Alexandria, LA
April 2007	Fundamentals in Assistive Technology Course (4 days) RESNA Singapore
March 2007	Pediatric Seating and Positioning New power wheelchair electronics RESNA Position Papers International Seating Symposium Orlando, FL
Feb 2007	Review Course for ATS/ATP Credential University of Pittsburgh Denver, CO

2006

Oct 2006	Switch Assessment: Determining Type and Location Wheelchair Mounting Systems for Communication Devices and Computers Canadian Seating and Mobility Conference Toronto, Canada
Oct 2006	Complex Client: Power Mobility Needs Sunrise Medical Denver, CO
Sept 2006	Switch Assessment EADLs Johnston, IA
Aug 2006	Complex Client: Power Mobility Needs Sunrise Medical Pittsburgh, PA
June 2006	Switch Assessment RESNA Annual Conference Atlanta, GE

June 2006 — Switch Apprentice: Power Mobility and EADLs
The Collaborative Assistive Technology Conference of the Rockies
Denver, CO

April 2006 — Advanced Applications in Power Mobility
National Seating and Mobility Seating Symposium
Scottsdale, AZ

March 2006 — Power Mobility: Connecting Clinical Needs to Assistive Technology
What's New in Power?
Sunrise Medical
Houston, TX

March 2006 — Increasing Independence across the Ages
CSUN
Los Angeles, CA

2005

August 2005 — Advanced Clinical Education for the RTS
NRRTS 2005 Educational Conference
St. Louis, MO

April 2005 — Interfacing Assistive Technology with Power Wheelchairs
New Mexico Technology Assistance Program
Annual Conference
Albuquerque, NM

March 2005 — Electronic Aids to Daily Living: providing independent control of devices in the environment
CSUN annual conference
Northridge, CA

Jan 2005 — Power Wheelchair Access Evaluation and Programming
Interfacing Assistive Technology and Power Wheelchairs
International Seating Symposium
Orlando, FL

2004

Nov 2004 — Wheelchair Evaluation Training
New Mexico Technology Assistance Program
Las Cruces, NM

Oct 2004 — Wheelchair Evaluation Training
New Mexico Technology Assistance Program
Albuquerque, NM

June 2004 — Assistive Technology and Motor Access

	Positioning, Mobility and Computer Access The Collaborative Assistive Technology Conference of the Rockies Denver, CO
June 2004	Interfacing Assistive Technology with Power Wheelchairs RESNA annual conference Orlando, FL
March 2004	Electronic Aids for Daily Living Technological Life Resources: More than Machinery Grand Rapids, MI
2003	
Oct 2003	Basic EADLs Closing the Gap Minneapolis, MN
Oct 2003	Fundamentals in Assistive Technology Course MedTrade Atlanta, GE
June 2003	24 Hour Postural Management: Positioning in Sleep Fundamentals of the Medical Model: Applications of Assistive Technology for Different Diagnoses Annual SWAAAC Conference Winter Park, CO
June 2003	Electronic Aids to Daily Living: What's in a Name? RESNA Atlanta, GE
2002	
Nov 2002	Power Mobility access Achieving New Heights with Assistive Technology Aurora, CO
Oct 2002	Fundamentals in Assistive Technology Course MedTrade Atlanta, GE
Oct 2002	Switch Access & Assessment Closing the Gap Minneapolis, MN
Sept 2002	Switch Access & Mobility Assessment Wichita, KS
Aug 2002	Electronic Aids to Daily Living

Switch Access & Assessment
Pediatric Assistive Technology & Rehab Symposium
Richmond, VA

June 2002 — Switch Access and Assessment
The Interfacing of AT and Power Wheelchairs: Exploring Advances in Electronics
RESNA annual conference
Minneapolis, MN

June 2002 — Switch Access and Assessment
Interfacing Power Wheelchairs and Assistive Technology Devices
SWAAAC annual conference
Winter Park, CO

2001

Oct 2001 — Electronic Aids to Daily Living
Achieving New Heights with Assistive Technology
Aurora, CO

Oct 2001 — Assistive Technology Training
Switches and Assessment
Augmentative Communication Devices: Access
Interfacing Assistive Technology with Power Wheelchairs
New York Board of Education
Brooklyn, NY

Sept 2001 — Switches: Assessment for Type and Location
Seating People with Acquired Brain Injuries
Canadian Seating and Mobility Conference
Toronto, Ontario

Sept 2001 — Training Pre-Mobility and Mobility Skills for Kids in Power Wheelchairs
Interfacing Assistive Technology Devices with Power Wheelchairs
Switch Access Assessment for Type and Placement of the Switch
Heartland Conference
Waterloo, IA

June 2001 — Interfacing Assistive Technology with Power Wheelchairs
Pre-conference session
RESNA
Reno, NV

June 2001 — Positioning: the basis for accessing assistive technology
SWAAAC annual conference
Breckenridge, CO

April 2001 — RESNA Fundamentals in Assistive Technology Course
Boise, ID

April 2001	Positioning, Mobility Access and Interfacing Power Up! Columbia, MO
March 2001	Electronic Aids to Daily Living Keynote address Switches and Assessment Grand Junction, CO

2000

Nov 2000	Tone and Technology Building Bridges with Assistive Technology Aurora, CO
Oct 2000	Wheelchair Positioning Power Wheelchair Access Methods Power Wheelchair Interfacing 2 day course Missoula, MT
Sept 2000	Advanced Mobility Advanced Interfacing 2 day course The Heartland Conference Topeka, KS
June 2000	Switch Assessment: Type and Location 2000 SWAAAC Conference Breckenridge, CO
April 2000	New Solutions in Seating and Mobility Updates on Cerebral Palsy Treatment Denver, CO
April 2000	Electronic Aids to Daily Living: an Overview Seating Strategies American Occupational Therapy Association Annual Conference Seattle, WA

1999

Nov 1999	Wheelchair Mounting Systems for Communication Devices Mission Possible: Building Bridges with Assistive Technology Denver, CO
Nov 1999	Positioning and Mobility: an Overview AOTA SIS Practice Conference Reno, NV

Oct1999	Positioning, Mobility and Interfacing Assistive Technology Preconference workshop Closing the Gap Minneapolis, MN
Oct 1999	An Overview: Electronic Aids to Daily Living Electronic Aids to Daily Living for Children ATIA World Conference Orlando, FL
Sept1999	RESNA Fundamentals in Assistive Technology Course Toronto, Ontario, Canada
June 1999	Electronic Aids to Daily Living Lab RESNA Long Beach, CA
May 1999	Assistive Technology Course Grafton, ND
April 1999	Electronic Aids to Daily Living Lab Assistive Technology Lab American Occupational Therapy Association annual conference Indianapolis, IN
April 1999	RESNA Fundamentals in Assistive Technology Course Banff, Alberta Canada
March 1999	The Baclofen Pump and Positioning Botox Injection: A Case Study Interfacing Assistive Technology with Power Wheelchairs International Seating Symposium Orlando, FL

1998

Oct 1998	Principles of Wheelchair Seating University of Iowa Iowa City, IO
Sept 1998	Introduction to Electronic Aids to Daily Living Interfacing with Power Wheelchairs Canadian Seating and Mobility Conference Toronto, Ontario
June 1998	Environmental Control Lab RESNA Minneapolis, MN

May 1998	Interfacing Assistive Technology to Power Wheelchairs Mounting Switches and Communication Devices to Wheelchairs Colorado Assistive Technology Project annual conference Denver, CO
April 1998	Another Way to Do It...Environmental Control Units The Interagency Project for Assistive Technology Fargo, ND
1997	
Nov 1997	Introduction to Assistive Technology for Children with Special Needs Teleconference for the Health Care Program for Children with Special Needs Denver, CO
Oct1997	Environmental Controls: Comprehensive Review of Available Systems Full-day instructional course Elkgrove, IL

Oct 1995	Intervening Early with Assistive Technology: Practical solutions to foster functional abilities Environmental Controls: Sorting Through Those Devices Closing the Gap Minneapolis, MN
Sept1995	Environmental Control Units and Occupational Therapy Occupational Therapy Association of Colorado annual conference Denver, CO
July 1995	Assessment in Augmentative and Alternative Communication

Class at the University of Colorado.
Boulder, CO

April 1995 — The IntelliKeys Alternative Computer Keyboard and Software
Environmental Control Systems
Assistive Technology Lab
The American Occupational Therapy Association
Denver, CO

1994

Sept1994 — Early Identification of Assistive Technology Needs
Current Trends in Assessment.
Colorado Speech and Hearing Association state conference.
Denver, CO

July 1994 — Access to Technology
Assessment in Augmentative and Alternative Communication
Guest lecture
Boulder, CO

1992

June 1992 — Assistive Technology Clinics
RESNA annual conference
Toronto, Canada

1991

Sept1991 — The Basics of Positioning and Mobility
Annual Colorado Assistive Technology Project Conference
Denver, CO

March 1991 — Promoting Choice in the Selection of Assistive Technology Devices
California State University at Northridge annual conference
Northridge, CA

1990

May 1990 — Toys and Computers: Enhancing Children's Play
ABC Conference/Early Childhood Collaborative Conference
Westminster, CO

April 1990 — Available Environmental Control Systems and Choosing the Right One
Unlocking the Environment through Assistive Technology
Annual Assistive Technology Conference
Northglenn, CO

1989

Jan 1989 — Guest lecture for University of Southern California Occupational Therapist graduate class
Overview of rehabilitation technology

Los Angeles, CA

1988

Nov 1988 — Computer Access for Orthopedically Disabled Persons - an overview of adaptive hardware
Occupational Therapy Association of California's annual conference
Irvine, CA

Nov 1988 — Computer Access Evaluation for Orthopedically Disabled Persons
Computer Technology/Special Education /Rehabilitation Conference
Northridge, CA

Sept 1988 — Environmental Control Units - Evaluation and overview of available systems
California Children Services
El Monte, CA

Sept 1988 — Funding of Technology for Individuals
Computer Access Center
Santa Monica, CA

July 1988 — Toys and adaptations: what's available
Technology for Tots/Junior Foundation for the Blind
Los Angeles, CA

1987

Dec 1987 — Microcomputer Access Evaluation
California Children Services
Sierra Madre, CA

March 1987 — Adaptive Microcomputer Access
Byron E. Thompson Orthopedically Handicapped School
El Monte, CA
