***Preauthorized Electronic Assessment  
Payment Services***

**What:**

Enlan Corporation through Community Association Banc offers association homeowners an opportunity to pay their regular association assessments using automated electronic payments. Preauthorized electronic payments mean that homeowners can pay their assessments automatically without writing checks, thus eliminating the potential for late payments. In addition, the association is assured prompt, predictable payments to help better manage funds. This program is available to all homeowners regardless of where they bank.

**How:**

The preauthorized electronic assessment payment service uses the Federal Reserve System's Automated Clearing House (ACH) to facilitate electronic transfers from homeowner checking/savings accounts directly into the association's bank account. Funds are transferred between the 5<sup>th</sup> and 15<sup>th</sup> day of the month and appear on the homeowner's bank statement each month. Information regarding payments is reported to the association's management or bookkeeping company on the same day funds are deposited to the association's account.
