Helping Those Who Help Others

Over the years, Spectra Builders has done work for many doctors in the Raleigh/Durham area. Some were moving into new offices, while others were remodeling their existing space.

Dr. Mark Helms, DDS is located on Haworth Drive in Raleigh and specializes in cosmetic and general dentistry. Dr. Helms had been in his office for some time and felt the need to upgrade the space. Due to the nature of the project, he decided to close his office while Spectra came in and gave it a fresh, new look. Despite a tight schedule, Spectra was able to complete the job in a timely manner so that the office could reopen as planned. Dr. Helms was quite pleased with Spectra and the work that was performed.

Just a few months later, **Dr. H. E. Douglas, DDS**, specializing in general dentistry, hired Spectra to fit-up a new office for him on Lake
