Legendary Hardwoods is located in Northern Indiana, 5 miles south of Middlebury and 7 miles east of Goshen. Started as a hobby in 2014, our goal has been from the start to build a quality product to last for many years. In 2018 we started with custom kitchen & bath cabinets and started with the NIWA in 2021 and have been blessed with a great group of people to work with. We hope to serve you in the years ahead to the best of our abilities. We offer complete customization on all of our products. Thanks, from the Legendary Hardwoods team.

In our custom kitchen & bath section we show only a small portion of our custom capabilities that we have done over the past couple of years. We can design and build any custom project for you to help you with that "dream project." Send us a sketch and we can get you a quote. We use all soft close undermount slides, soft close concealed hinges, Century products for our organizers, (or we can custom design one for your needs), and our pullout shelves are fully adjustable. Thanks!
