

## **HIGHAM WITH MERSTON PAROCHIAL CHURCH COUNCIL**

### **Marriage**

The PCC has no power to alter the defined legal rights of parishioners, those on the Electoral Roll or those with a qualifying connection to be married at St John's.

1. This PCC does not expect the incumbent to celebrate the marriage of a person who has been divorced, who has a former partner still living.
2. Services of prayer and dedication after a civil service between opposite sex couples may be offered by the incumbent.
3. A service of prayer and dedication will include whatever elements the couple choose from that service, e.g. music, flowers, bells, photographs, private or public.
