I hereby state that by signing this Consent, I acknowledge and agree as follows:

1. The Practice's Privacy Notice has been provided to me prior to my signing this Consent (see binder on Waiting Room book rack). The Privacy Notice includes a complete description of the uses and/or disclosures of my protected health information ("PHI") necessary for the Practice to provide treatment to me, and also for the practice to obtain payment for that treatment and to carry out its health care operations. The Practice explained to me that the Privacy Notice will be available to me in the future at my request. The practice has further explained my right to obtain a copy of the Privacy Notice prior to signing this Consent, and has encouraged me to read the Privacy Notice carefully prior to signing this Consent.
2. The Practice reserves the right to change its privacy practices that are described in its Privacy Notice, in accordance with applicable law.
3. I understand that, and consent to, the following: that appointment reminders will be used by the Practice. A separate form will be used to allow me to choose email and/or text notifications. I have the option to deny either or both.
4. The Practice may use/or disclose my PHI (which includes information about my health or condition and the treatment provided to me) in order for the Practice to treat me and obtain payment for that treatment, and as necessary, for the Practice to conduct its specific health care operations.
5. I understand that the Practice may want to use my PHI to communicate with the CCA (Connecticut Chiropractic Association) to receive their assistance if necessary to resolve a dispute with an insurance company when a claim is denied or reduced. It has been explained to me that I can restrict the use of my PHI now or at a later date for the above expressed purposes.
6. I understand that this Consent is valid for seven years. I further understand that I have the right to revoke this Consent, in writing, at any time for all future transactions, with the understanding that any such revocation shall not apply to what the Practice has already taken action on in reliance on this consent.
