

RULES

1. **PROPER ATTIRE:** Leotards or bodysuit, footies or barefoot, hair tied back or pinned up. Shorts and t-shirts are not acceptable for girls. Boys – stretch shorts & t-shirt (not baggy).
2. **OTHER ATTIRE:** For the safety of your children, all our gymnasts are required to wear clothing over their leotards when entering and exiting the building. We provide a place to store clothes during lesson time. Please do not leave these items in the building.
3. **BE ON TIME:** Both coming & going. Do not enter the main area until your class time.
4. **ABSENCES:** Absences should be limited to illness or family emergencies, not parties or other activities. If you cannot attend a lesson, and notify us prior to the lesson time, a make-up session could possibly be scheduled (depending on the nature of that week's lesson.) Open Gym, on Sundays, is a good time for make-ups. Make-ups should be completed within 30 days of the missed class. Consistent attendance in your own class provides the best results.
5. **WAITING AREA:** All spectators must stay in the waiting area. **DO NOT** call instructions to your child and encourage her/him not to talk to you during the lesson. The waiting area is available to you, but you will see more progress if you do not watch every lesson.

Use space below to list ages of all children who are enrolled in classes:

Name	Age	Birthdate	Grade	School

Who to call if parents cannot be reached:

Name/Relationship		Phone #:	
Name/Relationship		Phone #:	
Name/Relationship		Phone #:	

Please fill out the information below so that we can act quickly in the event of an accident.

Doctor's Name		Phone #:	
Medical Insurance Co.		Phone #:	

Any intolerance to drugs or medication?

Any Previous illness or injury the staff should be aware of? If so, any restrictions?

Date Enrolled: _____

Small Wonders is very proud of our students. We wish to help your child attain whatever goals she/he has and provide you with the most professional training on a personal level at the most affordable price. Our goals – in order are: Safety first, Fun second, followed by Skill Progression.
